ASU ACD Manual Revision Notice

Interim Posting

Note: At the request of a provost, vice provost, or vice president, these policies have been posted in the interim between scheduled posting dates by Academic and Administrative Documents (AAD) because they have significant and urgent importance for the university community.

Note: The purpose of these changes were to streamline, reorganize, and codify the various university reports and procedures dealing with annual evaluations, tenure, promotion, and post-tenure review; improve university flexibility and adaptability regarding current practices; examine the concept of excellence as related to promotion and tenure cases; establish the evidentiary elements for tenure and promotion; improve the policies and procedures regarding joint appointments, work in centers, and interdisciplinary activities; and specify ways for schools and departments to adhere to university policies while still capitalizing on their own uniqueness.
