

ASSIST Report for the September 18, 2009 APASC Meeting

SUMMARY OF KEY ASSIST ACTIVITIES

Progress of ASSIST Projects

- Eighteen of the 19 community colleges used ASSIST in August to track and analyze their 2006-2007 high school seniors with dual enrollment courses subsequent collegiate course completion and grades for state reporting requirements.
- In the spring, ASSIST participating institutions responded to a survey requesting examples of standards reports and special studies using ASSIST data. The results of this survey have been compiled and will be provided this fall to the APASC Evaluation Subcommittee.

Community College Data Submission and Loading

- October 30th is the target due date for the 2008-2009 separate annual file submission of all degrees, AGECS, and certificates; submissions for 2007-2008 have been received from **Arizona Western College, Central Arizona College, Cochise College, Eastern Arizona College, Maricopa Community Colleges, Mohave Community College, Pima Community College, and Yavapai College.**
- October 30th is also the due date for the Fall 2009 semester registration files from the community colleges. Fall 2008 data for **Arizona Western College, Central Arizona College, Cochise College, Eastern Arizona College, Maricopa Community Colleges, Mohave Community College, Pima Community College, and Yavapai College** has been received. Fall 2008 concurrent enrollment data can be run for 20 of the 22 colleges and universities.

The optional Spring 2009 semester registration files have been submitted by **Arizona Western College, Cochise College, Eastern Arizona College, Maricopa Community Colleges, Mohave Community College, and Pima Community College.**

- Academic Year 2007-2008 community college main and course files were due in March; 2007-2008 data for the following colleges have been submitted:

Arizona Western College (main and course files submitted and loaded)
Central Arizona College (main file submitted and loaded; course file being resubmitted)
Cochise College (main and course files submitted and loaded)
Coconino Community College (main file submitted and loaded)
Eastern Arizona College (main and course files submitted and loaded)
Maricopa Community Colleges (main and course files submitted and loaded)
Mohave Community College (main and course files submitted and loaded)
Pima Community College (main and course files submitted and loaded)
Yavapai College (main and course files submitted and loaded)

University Data Submission and Loading

- The universities submit data twice a semester (after 21st day and after grades are posted). Spring 2009 end-of-semester university data has been submitted and loaded.
- Fall 2009 21st day files are due in October.
