**Special notes for CC ASSIST data :**

1. If the date-related field is BLANK, remove any add-on century year "19" from the element.
2. Use BLANK instead of 0 for elements with missing value.
3. TERMID should carry BLANK value for those students who did NOT enroll at that specific term.
4. Do not use any values out of the range stated in the coding sheet. Any other values will be treated as missing.
5. Data with mismatched data type will be treated as missing values.
