

Arizona State University
Center for Asian Research
Research Symposia Speaker Nomination

The Center for Asian Research will cover all reasonable travel, lodging (2 days), and food expenses associated with bringing a sponsored speaker to campus. As standard practice, CAR will not provide honoraria to Symposium participants. Nominating faculty are urged to pursue such funds through other agencies. CAR will be listed as the primary sponsor for all Research Symposium presentations. Priority will be given to speakers that are related to ongoing research or scheduled classes at ASU. Please identify the interested groups, disciplines, or areas that will comprise the potential audience.

Nominations must be received by **deadline date** to be given full consideration (for spring semester speakers, Sep. 15th; for fall semester speakers, Apr. 15th)

Please complete the form below and return it to Angel Flesher at a.flesher@asu.edu or mail to the following address: Angel Flesher, ASU, Center for Asian Research, Box 871702, Tempe, AZ 85287-1702
