

# To Determine How Courses Transfer Between AZ Community Colleges and ASU<sup>1</sup>

Go to <http://www.asu.edu/provost/articulation>

- >> Select CEG in AZCAS on the left sidebar on the website entitled “Course Equivalency Guide/ Arizona Course Applicability System”.
- >> Select the Arizona Community College at which the course is offered.
- >> Select the Prefix (e.g. COM, ENG, etc.) of the course you wish to view and note its equivalency under the ASU column.
- >> For catalog years earlier than 2006-07, select Advanced Query, and select the catalog year, Institution, and course to find the proper equivalency for your catalog year<sup>2</sup>

<sup>1</sup>If you are uncertain about a course equivalency, please consult with your COM advisor.

<sup>2</sup>If you are uncertain of your catalog year, please contact your COM advisor to confirm your catalog year. The guidelines for determining a catalog year are also contained in the ASU catalog under University Graduation Requirements.
