

Carie Lyn graduated with her bachelor's degree in communication disorders in 2004 and her masters degree in speech pathology in 2006, both from the University of Pittsburgh. She is currently pursuing a Ph.D. with Dr. M. Jeanne Wilcox as her advisor. She will be studying the language development of children who have sustained brain injury. Carie Lyn is also completing her CFY at the ICRP in the toddler group and through speech and language evaluations.
