The CLFSA@asu.edu listserv is a venue through which our members engage in discourse beneficial to Arizona State University and our community at large. The listserv is intended to be a safe space in which all our members can feel comfortable, respected and open to communicating with one another. Please note that as an ASU listserv CLFSA@asu.edu is open to the scrutiny of the University, therefore, it is an expectation that opinions shared via the CLFSA@asu.edu listserv are to remain within the members of the association. Violation of this expectation can be harmful to the reputation of our association as we move forward in assisting Arizona State University in becoming the New American University. Issues the association addresses may at times be controversial and sensitive and we ask that you adhere to our cultural values of 'comunidad' y 'confianza.'
