

Meeting Minutes: September 4, 2008

First meeting – Introductions/Ice Breakers

- The first meeting of the Fall 2008 semester began with officer introductions.
- Ziyu Wang then discussed upcoming ABLA events like the ABLA BBQ on September 27th and the David Friedman lecture on November 6th.
- She went on to talk about the core values of ABLA.
- Tables and chairs were moved to make room for the ice breaker.
 - The ice breaker consisted of a circle of chairs with one person in the middle. The person in the middle would say something along the lines of “I like people who have...” and named a characteristic. Everyone who had that characteristic would have to get up from their chair and find another chair. Whoever was left would become the new person in the middle.
- The next ABLA meeting is on September 18th from 5:00pm-6:00pm in the MU in room 207. Career services is giving seminar on tips for the upcoming career fiesta.

The meeting concluded with ABLA Pizza Time.
