Homework 5
Due in class on Wednesday, March 5.

Chapter 3: 17, 26, 28

Notes:

- Problem 3.26, create a spreadsheet to solve EITHER case 2 or case 3 of the example problem in the book (Example 3.3 or 3.4). Use the solution of the example problem as a test of your spreadsheet. Turn in a print out of the spreadsheet. Please make sure that your spreadsheet is unique!

- Problem 3.28, again, just turn in a unique spreadsheet print out.
