Blackboard 9.0

Coming to ASU!

June 2010
**What if I’m using Bb6 or Bb7?**

Bb6 and Bb7 will be permanently retired after April 30.

For instructions on moving content, visit help.asu.edu/node/1977

---

**Self-paced Online Training**

Available May 19, you can learn more about Bb9 at your own pace in your own space.

- Go to myasucourses.asu.edu
- Click on the “Courses” tab
- Search for Bb9
- Click on the “Enroll” button for the course you want
- Click “Submit” and “OK”

For questions, please email utobb@asu.edu

---

**Summer Courses**

Be sure to request your summer courses at my.asu.edu/courserequest no later than May 15 to ensure your courses are properly moved to Bb9. Please keep in mind that when your classes begin, the layout may be different.

---

**Where can I find more information?**

**Videos**

In less than 30 minutes, you can get up-to-speed on the changes in Bb9. This set of quick video tutorials allows you to watch just the topics you’re interested in. Visit help.asu.edu/Bb9

**Print**

Check out the “What’s New” comparison guide (.pdf) or choose from 300 different Help Center articles that show you how to use Bb9 by visiting help.asu.edu/Bb9

---

**Intersession Courses**

If you are teaching courses that begin in May and end after May 21, please contact utobb@asu.edu to avoid class disruption during the Bb9 installation period. The support team can make alternate arrangements for your class.

---

**Is training available?**

Beginning April 19, a “What’s New” tour of Bb9 will be available at all campuses. You may attend in person or remotely. Instructions are available when you register at dlt.asu.edu/workshop

Beginning May 19, both in person and online training classes are available.

Sign up for in person training at dlt.asu.edu/workshop
