

## Desert Arboretum Park - Wall of Honor

Be a part of ASU's history with a donation that is recognized with a copper plaque on the Wall of Honor at Sun Devil Plaza. This is an ideal way to show your support of the Arboretum and at the same time, honor a relative, recent graduate, colleague or friend. Join the many individuals and companies that have already bought a plaque, or several, to become a permanent addition to the Desert Arboretum Park Wall of Honor.

### Letter Size and Placement for Plaques

The standard for message placement on a plaque is always centered. To ensure uniformity, the letter height and line spacing have already been determined. The maximum number of characters per line (including spaces) is sixteen. The maximum number of lines per plaque is three.

Each plaque is \$150.00, regardless of the number of characters or lines used. Please use the boxes below to write your inscription. Please print only one character per slot, leaving one blank space between names or words.

The ASU Arboretum reserves the right to refuse to engrave any message or material that it determines to be inappropriate, such as telephone numbers, political messages and suggestive wording.

The enduring 3/4 lb. copper plaques will age naturally in harmony with the botanical beauty of the Desert Arboretum Park. It is not possible to specify location or date of installation of your plaque.
