

# Biophilia Contest

**Biophilia (n):** “Love of life” or peoples’ instinctive bond with nature

---

Share your vision to bring more nature to our campus spaces. Biophilic design seeks to incorporate nature into the built environment. Biophilic design reduces stress, improves health and enhances mood and promotes creativity.

**Open to all students**

**Entries due on Dec. 1, 2016**

**Rules and application: [cfo.asu.edu/sustprize](http://cfo.asu.edu/sustprize)**

**First place: \$3000 scholarship**
