

**Executive Report**  
**Office of Professional Development**  
August 22, 2009

Welcome to the 2009-1010 academic year. I am excited to be working in the GPSA Office of Professional Development again this year and have some big plans for this year.

Over the summer, the executives met for our retreat and came up with some excellent ideas for Professional Development programming. Some of the programs that my Office will work to arrange include:

- Negotiation workshop
- Interviewing workshop
- Series of coffee chats / networking opportunities
- Active shooter / Safety on campus training
- CPR / First Aid certification
- And More!!
