- Inpatient care
- Continuous treatment by a health care provider.

**Health Care Provider:**
A state licensed doctor of medicine or osteopathy, podiatrist, dentist, clinical psychologist, optometrist, chiropractor, nurse practitioner, nurse midwife, clinical social worker, physician assistant, or Christian Science practitioner. Licensed health care providers in foreign countries are included.

### Step 1  Determine Leave Process

To effectively manage leaves, it is important to understand the process in your particular Dean or VP area.

**Centralized:**
One person, (e.g. a Department Leaves Representative, a BOM, a Data Time Administrator, or a HR Manager) handles all aspects of the process for your Dean or VP area.

**Decentralized:**
Each separate division (office, unit, department, or team) within your Dean or VP area handles the entire process for the employees in that particular section.

**Hybrid:**
The process is handled individually by each separate division but channeled through one main authority in your Dean or VP area.

### Step 2  Receive or Issue Leave of Absence Request Form (PDF)

When the need for leave is foreseeable, an employee is required to give at least a 30-day written notice. If the leave is required due to a medical emergency or other unforeseeable event, the employee must provide as much notice as is practicable under the circumstances.

- Department receives Leave of Absence Request Form
- Department issues Leave of Absence Request Form

In the case of employee’s inability to complete the necessary paperwork, the department leaves representative should complete the form immediately upon determining the employee will be absent longer than three (3) consecutive calendar days.
Complete the Employee and/or Supervisor sections, as applicable
Indicate date form issued to employee on copy and place in employee’s leave file

**IMPORTANT:** Confidential leave and medical information must be kept in a secured and separate file from the department personnel files. Departments will be audited periodically to ensure compliance.
Fax copy to Disability & Leaves Program Management Unit at 480.993.0007

**Within five (5) business days,** the department leaves representative must respond to the employee’s request by:
- Determining employee's FMLA eligibility (See Step 3)
- Completing the department portion of the following applicable forms,
- Issuing the following applicable forms to the employee (in person, via email, US Mail)

**FMLA Notice of Eligibility with Rights and Responsibility for Family Member Health**

**FMLA Certification of Health Care Provider for Family Member’s Serious Health Condition**

**Authorization For Release of Health Information**

**Step 3 Determine Employee Eligibility for FMLA**

To be eligible for FMLA, the employee must:
1) Have been employed for at least 12 months **AND**
2) Have worked at least 1250 hours during the 12 months immediately prior to the
requested leave date AND
3) Have not already exhausted his/her FMLA entitlement.

**Eligibility Requirement #1**
Verify that the person has been an Arizona University System (Arizona State University, Northern Arizona University, The University of Arizona or Arizona Board of Regents) employee for at least 12 months.

* Months do not need to be consecutive (e.g. three months in 2010 plus two years 2005-2006)
* Employment prior to a break in service of seven (7) years or more should not be counted unless the employee was on active duty with the National Guard or Reserve or there was a written agreement of intent to rehire the employee after the break in service.

In the Human Resources Information System (HRIS):
1) Go to Workforce Administration
2) Select the Job Data screen

![Job Data](image)

4) Select Include History
5) Click Search
6) You are now on the Work Location screen
7) Select Employment Data
8) You are now on the Employment Information screen

9) Note the Original Start Date
10) Note the Last Start Date

12) The leaves representative should contact the department's designated
Benefits Administrator* if the Original Start Date and the Last Start Date:  
* Are the same but within 12 months of the requested leave date, or  
* Are different.

If the person is a transfer employee from the Arizona University System, please contact your department’s Leaves Management Partner for assistance in determining eligibility for this first requirement.

**Eligibility Requirement #3**

Determine the amount of FMLA leave the employee has already taken, if any, since the last anniversary month. The anniversary month is the month designated in the Last Start Date (See Eligibility Requirement #1).

To search for prior FMLA usage, in HRIS:

1) Go to Workforce Administration  
2) Select the Job Data screen  
3) Enter the employee's 10-digit ID number - or - the employee's first and last names
4) Select Include History

5) Click Search

6) You are now on the Work Location screen

7) Click on the arrow to the left of the word Last

8) Continue to click the arrow while searching for a Return from Leave in the Action field

**REMEMBER** – You need only go back as far as the last anniversary date.

9) If there is a Return from Leave action, note the effective date

10) Continue to click the arrow to search for the Un/Paid Leave of Absence in the Action field

11) Note the effective date

12) Count the number of days between the effective dates and divide by 7 to calculate the number of weeks and days the employee has already used

13) Determine if the employee has had any Intermittent Leave usage during this period by referring to the employee’s department leave file. Count the actual number of work hours missed and divide by 8 to calculate the number of days already used.

Subtract the amount of FMLA time already taken since the last anniversary date from the 12-week entitlement to determine how many weeks the employee has remaining to use.

If the person is a transfer employee from the Arizona University System, please contact your department's Leaves Management Partner for assistance in determining eligibility for this second requirement.

At this point, if the employee is not eligible for FMLA, the department may choose to offer Extended Leave of Absence (staff), Health Related Leave with Pay
End-User Document Overview For ASU Leave: Family Member Health (Non-FMLA).

**Step 4 Issue the FMLA Notice of Eligibility with Rights & Responsibility for Family Member Health (PDF)**

This is the first notice to be given to the employee upon receipt (or issuance) of a leave request. This notice gives *conditional leave approval*, information about the employee’s eligibility for FMLA leave, details the employee’s specific responsibilities and explains any consequences for the employee failing to meet those responsibilities.

- Complete the form, as applicable
- Mail to the employee along with the appropriate supplemental forms (See Steps 5 and 6)
- Indicate date form issued to employee on copy and place in employee’s leave file

**IMPORTANT:** Confidential leave and medical information must be kept in a secured and separate file from the department personnel files. Departments will be audited periodically to ensure compliance.
Step 5 Include the FMLA Certification of Health Care Provider for Family Member's Serious Health Condition (PDF)

This form provided to the employee requests the necessary qualifying medical information from the family member's health care provider to substantiate the need for leave. If the employee does not provide this completed Certification, ASU has the right to deny the requested leave.

This form should be completed by the health care provider 30-45 days prior to the beginning of the leave. If the form is completed earlier and it becomes necessary to change the leave date, a second documentation may be required.

- Complete Section I
- You must allow the employee at least 15 calendar days to return the certification
- Mail to the employee with the Notice of Eligibility (See Step 4)
- Instruct the employee to complete Section II
- Instruct the employee to give entire form to the family member's health care provider, asking him/her to complete Section III and to return the form, as indicated
- Indicate date form issued to employee on copy and place in employee's leave file

**IMPORTANT:** Confidential leave and medical information must be kept in a secured and separate file from the department personnel files. Departments will be audited periodically to ensure compliance.

- Fax copy to the Disability & Leaves Program Management Unit at 480.993.0007
Step 6 Include the Authorization for Release of Health Information

This form provides health care provider(s) with the employee’s authorization to discuss protected medical information with ASU. While authorization is not mandated by FMLA law, most health care providers require it. OHR recommends that the department have the employee complete the form prior to the leave rather than wait until its use may be necessary.

- Mail the authorization to the employee with the Notice of Eligibility (See Step 4).
- Request the employee complete the form and return to department leaves representative
- Indicate date form issued to employee and place a copy in employee’s leave file

**IMPORTANT:** Confidential leave and medical information must be kept in a secured and separate file from the department personnel files. Departments will be audited periodically to ensure compliance.

- Fax copy to the Disability & Leaves Program Management Unit at 480.993.0007
Step 7  Authenticate or Clarify the Certification of Health Care Provider

If the employee submits a complete and sufficient certification, *no additional information may be requested from the health care provider.*

If the certification is considered either incomplete or insufficient, the employee must be notified, via the Designation Form, and given (7) calendar days to cure any deficiency. (A certification is considered incomplete if an item is not filled in; it is considered insufficient if the information is vague, ambiguous or nonresponsive.)

If it is necessary to either clarify and/or authenticate the certification, the department leaves representative may contact the provider. Authentication means providing the health care provider with a copy of the certification and requesting verification that the information is complete and authorized by the provider who signed it. Clarification means a need to understand the handwriting on the certification or the meaning of a response.

**IMPORTANT NOTE:** Contact with the health care provider by the employee's direct supervisor is prohibited by FMLA law.

Step 8  Issue the FMLA Designation Notice for Family Member's Health

After the department has received and reviewed the FMLA Certification of Health Care Provider, the Designation Notice is provided to advise the employee if the FMLA leave has been approved or denied, or if additional information is needed.
Complete and mail to the employee within five (5) business days of receipt of the certification

- Indicate date form issued to employee on copy and place in employee’s leave file

**IMPORTANT:** Confidential leave and medical information must be kept in a secured and separate file from the department personnel files. Departments will be audited periodically to ensure compliance.

Time Reporting, Intermittent Leave and Compassionate Transfer of Leave

TIME REPORTING
The employee should already have completed the Request for Time Off form (or used the department’s alternative request process) and the leave should be approved. The department leaves representative or department time administrator is then responsible for recording an employee’s leave hours while the employee is absent from work on FMLA.

To record time in HRIS, go to:
1. Manager Self Service
2. Time Management
3. Report Time
4. Timesheet
5. Click: Get Employees
6. Select employee
7. View By: Time Period
8. On a daily basis, enter the number of hours of eligible time:
## Description | Pay Code
---|---
**Sick, Paid**
| SCK (salaried)  
SCP (hourly) | An employee may use accrued sick time to remain in a paid status.

**Compensatory Time, Paid**
| CTH (hourly) | An hourly employee may use compensatory time to remain in a paid status.

**Vacation, Paid**
| VAC (salaried)  
VAH (hourly) | An employee may use accrued vacation time to remain in a paid status.

**Unpaid Sick**
| USS (salaried)  
USH (hourly) | Use only when an employee has both paid and unpaid time in the same pay period (e.g. 50 hours VAC and 30 hours USS)  
(Because the employee is still in an Active (paid) status, a salaried employee would continue to be paid full salary if the unpaid sick code is not used.)

If an employee has NO paid hours available in a pay period, issue the LOA Status Change Form and report no hours.
### INTERMITTENT LEAVE

Upon notification that an employee will be using Intermittent Leave, the Disability & Leaves Program Management Unit will send to the department leaves representative a form designed to assist the department in tracking the employee's time.

### COMPASSIONATE TRANSFER OF LEAVE (CTL)

When it is apparent that the employee will be eligible for CTL, the department leaves representative should submit the following budgetary approved items to the department's designated Leaves Management Partner by confidential e-fax at 480.993.0007:

1) The Request for Donated Hours, and  
2) The CTL Request Memo, and  
3) Any applicable medical certification.

The Leaves Management Partner will notify the supervisor if the CTL has been approved.

If CTL is approved, the Leave of Absence Status Change Form must be issued (if not already issued) placing the employee on unpaid leave.
