38-231. Officers and employees required to take loyalty oath; form; classification; definition

A. In order to ensure the statewide application of this section on a uniform basis, each board, commission, agency and independent office of this state, and of any of its political subdivisions, and of any county, city, town, municipal corporation, school district and public educational institution, shall completely reproduce this section so that the form of written oath or affirmation required in this section contains all of the provisions of this section for use by all officers and employees of all boards, commissions, agencies and independent offices.

B. Any officer or employee who fails to take and subscribe to the oath or affirmation provided by this section within the time limits prescribed by this section is not entitled to any compensation until the officer or employee does take and subscribe to the form of oath or affirmation prescribed by this section.

C. Any officer or employee having taken the form of oath or affirmation prescribed by this section, and knowingly at the time of subscribing to the oath or affirmation, or at any time thereafter during the officer's or employee's term of office or employment, does commit or aid in the commission of any act to overthrow by force, violence or terrorism as defined in section 13-2301 the government of this state or of any of its political subdivisions, or advocates the overthrow by force, violence or terrorism as defined in section 13-2301 of the government of this state or any of its political subdivisions, is guilty of a class 4 felony and, on conviction under this section, the officer or employee is deemed discharged from the office or employment and is not entitled to any additional compensation or any other emoluments or benefits which may have been incident or appurtenant to the office or employment.

D. Any of the persons referred to in article XVIII, section 10, Constitution of Arizona, as amended, relating to the employment of aliens, are exempted from any compliance with this section.

E. In addition to any other form of oath or affirmation specifically provided by law for an officer or employee, before any officer or employee enters upon the duties of the office or employment, the officer of employee shall take and subscribe the following oath or affirmation:

\[
\begin{align*}
\text{State of Arizona, County of Maricopa,} \\
\text{(Type or print name)} \\
d\text{do solemnly swear (or affirm) that I will support the Constitution of the United States and the Constitution and laws of the State of Arizona, that I will bear true faith and allegiance to the same and defend them against enemies, foreign and domestic, and that I will faithfully and impartially discharge the duties of the office of} \\
\text{(Name of office)} \\
\text{according to the best of my ability, so help me God (or so I do affirm).} \\
\text{Date} \\
\text{(Signature of officer or employee)}
\end{align*}
\]

F. For the purposes of this section, "officer or employee" means any person elected, appointed or employed, either on a part-time or full-time basis, by this state or any of its political subdivisions or any county, city, town, municipal corporation, school district, public educational institution or any board, commission or agency of any county, city, town, municipal corporation, school district or public educational institution.
Tax withholding on student wages

Wages paid to a student employee through the payroll system are subject to the following withholding taxes: Federal Income Tax, State Income Tax and FICA - Social Security and Medicare.

The withholding of federal and state taxes is dependent upon the student's biweekly gross income and how the student files their W-4 and A-4 forms. A student may seek advice from the IRS regarding how to file their W-4 Form or advice from the ADOR regarding how to file their A-4 Form.

IRS toll-free number | 1-800-829-1040
ADOR toll-free number | 1-800-843-7196

The number of credit hours a student is enrolled for at the end of the drop/add period determines whether or not FICA tax is withheld. To be exempt from FICA tax a student must be enrolled at least half time:

| Fall or spring term (comprised of Session A, Session B or Session C) | Undergraduate Graduate Assistant* | Six or more hours
| | | Five or more hours
| | | Three or more hours
| Summer term (Comprised of Session A, Session B or Session C) | Undergraduate Graduate Assistant* | Two or more hours
| | | One or more hours

If a break between classes is more than five weeks, FICA exemption does not apply.

* For enrollment verification purposes, Graduate Assistant is a generic term used in the table above that includes Graduate Assistants, Graduate Research Assistants/Associates and Graduate Teaching Assistants/Associates.

F-1 and J-1 Status non-resident alien student exemption
Non-resident Alien student admitted to the United States on an F-1 or J-1 visa remain in a FICA tax exempt status regardless of the credit hour enrollment requirement until they have passed the substantial presence test, e.g. been present in the U.S. more than four calendar years.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

General Information
When key parts of the health care reform law (the Affordable Care Act or ACA) take effect in 2014, there will be a new way to buy health insurance: through the health insurance marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new marketplaces and employment based health coverage offered by your employer.

What is the health insurance marketplace?
The marketplace is designed to help you find health insurance that meets your needs and fits your budget. The marketplace offers "one-stop shopping" to find and compare private health insurance options. You can enroll for health insurance coverage through the Marketplace during an enrollment period that begins in October 2013. Coverage can begin as early as January 1, 2014.

Can I save money on my health insurance premiums in the marketplace?
If you're eligible for coverage through your employer, you most likely will not be eligible for the subsidy through the marketplace because the State of Arizona Benefit Options Plan meets ACA requirements for minimum value and employee-only coverage is intended to be affordable. However, if you're not eligible for medical coverage through your employer or if the lowest cost plan from the State of Arizona Benefit Options that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, you may be eligible for a subsidy that lowers your monthly premium.

Please note: The marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a subsidy.

Alternatively, you may qualify for Medicaid depending on your household income. Please visit www.HealthCare.gov for more information.

How will enrolling in the marketplace affect health coverage through my employer?
If you purchase a health plan through the marketplace instead of enrolling for health coverage offered by your employer, you will lose any employer contribution to the State of Arizona Benefit Options Plan. Future enrollment in the State of Arizona Benefit Options Plan will be limited to open enrollment (which typically happens in the fall).

How can I get more information? For more information about your coverage offered by your employer, please check your summary plan description or contact the Office of Human Resources Employee Service Center.

The marketplace can help you evaluate your coverage options, including your eligibility for coverage through the marketplace and its cost. Visit http://www.HealthCare.gov for more information, including an online application for health insurance coverage and a Health Insurance Marketplace in your area.
New Health Insurance Marketplace Coverage Options and Your Health Coverage

Information about health coverage offered by your employer
If you decide to complete an application for coverage in the marketplace, you will be asked to provide the information included in the chart below. This employer information is numbered to correspond to the marketplace application.

If you decide to shop for coverage in the marketplace, http://www.HealthCare.gov will guide you through the process. The employer information you can enter when you visit http://www.HealthCare.gov will help you determine if you can get a subsidy (in the form of a tax credit) to lower your monthly premiums for coverage purchased through the marketplace.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to some employees and dependents. Eligible employees and dependents are:
  
  Defined in the EPO, PPO and HSA plan descriptions (Article 2 Eligibility and Participation) posted on the Benefit Options website www.benefitoptions.az.gov

- This coverage provided meets the minimum value standard, and the cost of this coverage is intended to be affordable.

Graduate and undergraduate student employment guidelines

The primary focus for any ASU student is their education. ASU recognizes that some students may need to supplement their income with on-campus work in order to help fund their education. To ensure that student's education and training are not compromised by commitments to additional employment, the following ASU employment guidelines must be followed:

For graduate students

- Students holding assistantships or graduate intern appointments during the academic year may work a maximum of 0.50 FTE. During the summer, these students may work a maximum of 1.00 FTE.
