TRACK MEET.

The blow is over. The much heralded and long expected track meet has come and gone. It filled many with joy, others with sorrow, but all agree that it was the closest meet ever held in these parts as well as the most exciting.

The grandstand throughout the races was a mass of yelling and cheering old gold, and crimson and black. More than four hundred students from both schools made things lively around those bleachers. The Phoenix school was well represented, a large number coming over by train, saddle and auto-car.

Coach Ayer

They were also well represented in the way of track men, as will be shown further on. A feature of the meet was the splendid work of their weight man, H. Smith, who took everything in the

way of weights, making altogether 118 points for Phoenix High.

Pole Vault—In this we had hard luck, as Dykes, our strongest man, was not in his usual form. Johnny Mullen made a fine showing, but dropped out at 8 feet, 3 inches, giving first and second to Hawley and Irvine.

100 Yard Dash—This was the High school's strongest point, and they won first and second, Corpstein winning in the fast time of 10 1-5 seconds, Higley second and Sheldon third.

220 Yard Dash—There is no doubt we would have made first in this had Higley not fouled and blocked Sheldon. Higley was disqualified. Corpstein

Captain Dykes

was given first and Sheldon second, a queer ruling. Time 23:3-5.

1 Mile—Stroud, the U. of Colorado man, was superior to our men and won
