HUBBY, HOMER

1827

Born at \_\_\_\_\_ New York, \_\_\_\_\_, 18\_\_\_\_ (about 1825).

Son of \_\_\_\_\_ and \_\_\_\_\_.

Married, Julia \_\_\_\_\_ at \_\_\_\_\_

on \_\_\_\_\_, 18\_\_\_\_, who was born in Sonora, about 1839.

Children \_\_\_\_\_.

Lewis John Frederick Iager kept a record that has been printed by the Historical Society of Southern California as "The Diary of a Yuma Ferryman" which contains numerous references to Homer Hubby among them being the following:

## 1855

December 13 - - Hubby fixed the rope and commenced putting in a pair of hounds in the wagon.

December 15 - - Hubby put in the tongue and sideboard. (The Author took a trip to San Diego).

## 1856

March 13 - - Hubby worked at window piece for to go in the house.

March 14 - - Hubby worked at the sills for the house and they made 300 adobes.

March 22 - - Hubby got out a snag at the river and put on a block at the boat.

April 9 - - Hubby worked all day fixing the block and they also worked at the house.

April 19 - - Hubby and all hands worked at the room. Got the windows in.

April 22 - - Hubby lashed at the pole and hoisted the block and cleaned out the boat.

May 6 - - Hubby tearing down around the house of Thompson across the river.

May 27 - - Hubby working at sheaves sawing them out and putting them in water.

June 4 - - Hubby worked at the well -- got it finished and pulled an arrow out a steer the Indians shot in Santiago.

June 13 - - Hubby wrote to Washington about his stores and he worked different things.

July 1 - - Hubby worked some at the table and at the corral on the other side the river for to cross the cattle.

October 28 - - Hubby working at the blocks and put on the new block and works fine.

November 4 - - Had election, 37 votes polled and Hubby elected Justice of the Peace.

December 17 - - Hubby fixing the boat for to cross the sheep (19,000 head will be here in 3 days from New Mexico).

1857

January 21 - - We worked at the well, put in the box and sink the box 4 inches down--there is about 2 feet water in the well. Hubby helping also.

April 21 - - Hubby cleaning out the boat and stopping the leak in the boat.

April 30 - - Hubby fixing up the wagons for to go into Los Angeles with 2 wagons.

May 1 - - I settled with Hubby and gave the company note at 9 months for \$1,500 also credited in the books \$141, and he is going to quit work on the 4th of May.

Listed, U. S. Census, 1860, at Fort Yuma, California, age 35, born in New York, occupation - Carpenter; the following report of his death was printed in the Yuma Arizona Sentinel of January 18, 1879:

DIED--Near Yuma, A. T., Jan. 14th, 1879, Homer Hubby, a native of New York, aged 52; at the

residence of L. J. F. Jaeger.

In 1853 he was picked up in Sonora in an almost dying condition by one of Mr. Jaeger's wagon-trains, having been abandoned, sick, by a party of Americans with which he was traveling; he lived near Yuma ever since. He made a great many friends here.
