Personal Camera Use Agreement

Researchers may only make photographs of collection materials in accordance with the terms of this agreement. Reproductions may only be made for private study, scholarship or research (see copyright information on page 2). Publication, exhibition, redistribution or display on the Internet should carry appropriate citations. Correct citation, publication permissions, and information about copyright can be acquired from our Publication and Creative Services at http://www.asu.edu/lib/archives/creative.htm.

The Department reserves the right to deny or withdraw permission to make photographs at any time to ensure the protection and continued accessibility of the materials.

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be “used for any purpose other than private study, scholarship, or research.” If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its opinion, fulfillment of the order would involve violation of copyright law.

It is the responsibility of the user to obtain permission to publish from the owner of the copyright (the institution, the creator of the record, the author or his /her transferees, heirs, legatees, or literary executors). The user agrees to indemnify and hold harmless Arizona State University, its officers, employees, and agents from all claims made by any person asserting that he or she is an owner of copyright.

I have read and agree to abide by all the terms and conditions of this agreement. I understand that my failure to follow them may result in the termination of my camera privileges.
