The Undergraduate Alumni Survey
(UGAS)

Graduate Alumni Survey
(GAS)

The Undergraduate Alumni Survey (UGAS) and the Graduate Alumni Survey (GAS) are conducted annually to gather information from alumni three years after graduation. The 2008-2009 administration surveyed graduates from the 2005-2006 class. The questions on the UGAS and GAS ask alumni to report on their current employment, pursuit of education and licensure since graduation, and perceptions of their experiences at ASU. Alumni also have the opportunity to share valuable feedback and suggestions.
