

On behalf of the men and women of the Arizona State University Police Department, it is my pleasure to welcome you to our website. We are committed to maintaining a safe and secure environment for you to live, work, study, and conduct research.

ASU is a large and complex environment. Ensuring the safety of the community requires dedicated men and women who are sensitive to the diverse needs of the community. When addressing the issues we face, I encourage a partnership approach from everyone.

The ASU Police Department is a full-service law enforcement agency that operates an on-site communications center, an investigations unit, a crime prevention unit, a training unit and a police aide program all of which operate 24 hours a day, 7 days a week, 365 days a year. In addition, we maintain excellent working relationships with our law enforcement partners in jurisdictions surrounding our four campuses and throughout the state of Arizona.

The men and women of the ASU Police Department are some of the most dedicated individuals in the state of Arizona who are committed to making a difference in the community. I encourage you, as a member of the ASU community to “join us in partnership” and report any unusual activity you observe. I am confident you will find that members of the department are approachable, knowledgeable, and provide excellent professional services.

The ASU Police Department received international accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA) in 1997. The department was reaccredited in 2002, 2005, and received reaccreditation as a “Flagship Agency” in 2008. The accreditation process requires satisfying 460 professional standards established by CALEA that clearly define authority, performance, and responsibilities.

Please take a few minutes to review the material. I invite you to call any of the numbers listed in the various sections if you need further information or simply wish to speak with one of our officers or other university officials. We are constantly seeking ways to improve our services and welcome your comments, suggestions, compliments and complaints so that we can continue to provide excellent services.

Please “JOIN US IN PARTNERSHIP FOR A SAFE COMMUNITY.” Feel free to contact me at (480) 965-6353 or by email at [John.Pickens@asu.edu](mailto:John.Pickens@asu.edu).

Sincerely,

A handwritten signature in black ink that reads "John L. Pickens". The signature is written in a cursive style with a large, sweeping initial "J".

### **Arizona State University Police Department**

The ASU Police Department is vested with the authority and responsibility to enforce all applicable local, state, and federal laws. ASU police officers have the authority and duty to conduct criminal investigations, arrest violators, and suppress campus crime. ASU Police are empowered by the state of Arizona to provide police and other quality safety services to the university system. ASU police officers are duly sworn peace officers under state law A.R.S. title 13-3871, are authorized to carry firearms, and have the same authority as municipal police officers to use police powers of arrest. ASU Police Department has the primary jurisdiction of all ASU-owned and operated properties. The Arizona Peace Officers Standards and Training Board certify ASU police officers. In addition to attending a departmental pre-academy and an 18-week academy, each ASU police officer completes 15 weeks of supervised and evaluated on-the-job field training. Officers must also successfully complete a probationary period of one year. ASU Police provide enforcement services 24 hours a day, 365 days a year.

The ASU Police Department also employs unarmed police aides to assist with security around campus. Police aides are full and part-time department employees who serve as the "eyes and ears" of ASU Police Department. They may take minor police reports, provide basic emergency services, and assist police officers as needed.

The ASU Police Department offers law enforcement and educational programs complementary to the university mission of education, research, and community service. ASU Police has mutual aid agreements and works closely with the surrounding law enforcement agencies including Tempe, Phoenix, Mesa, Glendale, Scottsdale, Gilbert, Maricopa County Sheriff, and Arizona Department of Public Safety. The agreements enable all agencies involved to assist each other when and where needed. Primary law enforcement at the Downtown Phoenix campus is provided by the Phoenix Police Department.

### **Preparation of the Clery Report**

In 1990, the U.S. Congress enacted the *Crime Awareness and Campus Security Act*, which requires postsecondary institutions to disclose campus crime statistics and security information. The act was renamed the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* in 1998 in memory of a student who was slain in her dorm room in 1986 in Pennsylvania.

The *Clery Act* requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees, and to make public their campus security policies. It also requires that crime data is collected, reported, and disseminated to the campus community and is also submitted to the U.S. Department of Education. The act is intended to provide students and their families, as higher education consumers, with accurate, complete, and timely information about safety on campus so they can make informed decisions.

ASU Police prepares the text for the policies and practices section with input and information available from other university departments. ASU Police, with assistance from the Office of University Student Initiatives, collects statistical information provided by reports from campus security authorities and local municipal police departments (Tempe, Phoenix, Scottsdale, Mesa, Glendale, Maricopa and Gila County Sheriff's Offices). *Licensed counselors are exempt from reporting requirements. Campus counselors are encouraged to inform those they counsel to report crimes to ASU Police.*

### **Reporting Crimes and Incidents**

Whether you are a victim, a witness, or an organization, you have the responsibility to your community to report a crime. If a crime occurs on or around campus, report it immediately to the police.

Crimes in progress and serious crimes that have just occurred should be reported by dialing 9-1-1 from any phone. Whenever possible, the actual victim or witness of the crime should call directly. First-hand information is always more accurate and complete. If you have knowledge of a crime or suspected crime, you may report it by telephone, in person, or electronically ([asupolice@asu.edu](mailto:asupolice@asu.edu)). You may report a crime if someone merely gives you the information and leaves, but please include this fact when reporting.

There are emergency call boxes located throughout each campus. There are two types currently in use. They are easily identifiable as a blue pole with "Emergency" printed on it or by a bright yellow box mounted on a metal pole. At night, look for the blue light mounted directly above each pole or box. The emergency phones are not only located near buildings, but also in university-operated parking lots and parking structures as well. The emergency phones are directly linked to ASU Police on the Tempe, Polytechnic and West campuses and to the Phoenix Police on the Downtown Phoenix campus.

The ASU Police Communications Center is staffed 24 hours a day by trained public safety dispatchers. The dispatchers receive calls from the 9-1-1 and business lines. They assign the appropriate police officers, firefighters, paramedics, or emergency workers to handle the calls. When calling to report a crime or incident, please be ready to give information such as: a brief description of the occurrence, when and where the incident occurred, weapons the suspect(s) carried, where and when the suspect(s) was last seen, description of the suspect(s) (including gender, race, age, height, weight, hair color/length, clothing, facial hair, tattoos/scars), and any other relevant information. In addition to the importance of reporting, timely information assists in developing information and warnings for the university community.

When calling 9-1-1 from a cell phone, tell the dispatcher that you are calling from a cell phone and your location. 9-1-1 calls from cell phones may be directed to the city police department or Maricopa County Sheriff's Office; 9-1-1 calls on the Downtown Phoenix campus go directly to the Phoenix Police. You may consider programming your phone with the ASU Police number for general, non-emergency use: **(480) 965-3456**.

## Student Directory & Educational Records

Directory information such as a student's name, local and permanent address, and phone number may be released to anyone without the student's consent. ***A student who does not wish for this information to be released must complete a form at the Registrar's Office (480) 965-3124 or at the Registrar's Web site before the end of the third week of the fall semester.*** <http://www.asu.edu/registrar/forms/regforms.html>

Access to student educational records is protected under the Family Educational Rights and Privacy Act (FERPA) [USI 101-01]. Access to, and release of, employee records are also governed by written policies [SPP 1101] for staff and [ACD 811] for faculty. Faculty and staff directory information is limited to on-campus information only.

## Services to Help You Stay Safe and Prevent Crime

The ASU Police Department believes that preventing crime is a shared responsibility. For every crime committed there must be a desire, an opportunity, and the ability to commit the crime. While you cannot control another's desire or ability to commit a crime, you can control the opportunity by doing the following:

- Always remain alert and aware of your surroundings.
- Report any unusual or suspicious activity you witness.
- Do not walk alone at night.
- Never leave valuable items unattended for any amount of time.
- Always secure valuable items with a lock

Arizona State University and the ASU Police Department have the following services in place to assist you in personal safety:

### Safety Escort Services

**Tempe campus** - This service is provided by volunteer students and is available daily from 7:00 p.m. to 3:00 a.m. A **safety escort volunteer** will meet you and escort you by golf cart to your on-campus destination. Call (480) 965-1515 to arrange for an escort. If Safety Escort Services is unavailable, you can call ASU Police at (480) 965-3456 to ask for assistance.

**West campus** - Safety escorts are provided by ASU Police, 24 hours a day depending on officer availability and pending calls for service. Contact (602) 543-3456 to ask for assistance.

**Polytechnic campus** - Safety escorts are provided by ASU Police, depending on officer availability and pending calls for service. Contact (480) 727-3456 to ask for assistance.

**Downtown Phoenix campus** - Safety escorts are provided by ASU Police Aides, 24 hours a day. Contact (602) 965-3456 to ask for assistance.

### Emergency Call Boxes

There are emergency call boxes located throughout each campus. There are two types currently in use. They are easily identifiable as a blue pole with “Emergency” printed on it or by a bright yellow box mounted on a metal pole. At night, look for the blue light mounted directly above each pole or box. To operate the call box, simply press the call button, and a police dispatcher will answer immediately and provide assistance. If the area remains unsafe, you may move to the next call box location and activate it until police arrive. Your location is identified with each activation.

The emergency phones are not only located near campus buildings, but also in university-operated parking lots and parking structures. The emergency phones are directly linked to ASU Police on the Tempe, West, and Polytechnic campuses. The emergency phones on the Downtown Phoenix campus have a red call button, are illuminated with a blue light, and will connect you directly to the Phoenix Police.

### ASU Police Crime Prevention Unit

ASU Police operate a full-time crime prevention unit to plan, coordinate, and implement crime prevention presentations and services on the Tempe, West, Polytechnic, and Downtown Phoenix campuses. The crime prevention unit also conducts building security surveys and inspects campus grounds to address areas of safety concern.

The crime prevention unit, in conjunction with other ASU police staff, conducts educational and experiential programs throughout the year to inform students and employees of security policies, procedures, and practices. These programs are *free* and include topics such as personal safety, bicycle safety and theft prevention, preventing acquaintance rape, drug and alcohol abuse, office security, residence hall security, and home security. If needed, presentations can be prepared or tailored to meet special requests.

ASU Police encourages students, faculty, staff and visitors to be responsible for their own safety by taking proactive steps to reduce the likelihood of victimization or crimes on campus. Crime prevention literature is available from the ASU Police Department web page, <http://www.asu.edu/police/brochures>, at the ASU Police Department lobby, or by request from the Crime Prevention Unit.

You may obtain more information, request a presentation, or inquire about programs and schedules by calling the ASU Police crime prevention unit at **(480) 965-1972**.

## Crime and Safety Alerts

ASU Police will issue crime alerts to ensure that students, faculty, and staff receive timely notification of crimes that may present a threat to the campus community and to heighten safety awareness. The alert may also seek information that may lead to an arrest and conviction of the offender.

Crime alerts advise the community about violent crimes against persons, or a series of crimes against property in which the university or a member of the university community is a victim. The alert may provide details of the crime, a description of the suspect (if known), information on whom to contact about the investigation, and timely crime prevention tips.

ASU Police work closely with individuals reporting serious crimes to ensure the victim's privacy while also ensuring that the community has adequate information regarding potential risks. Information for alerts can also come from other law enforcement agencies and other ASU offices.

ASU Police will release important crime alerts electronically to campus partners and will distribute bulletins and flyers to the ASU community. The method of distribution is dependant on the nature of the crime and the threat to the community. You may view all current and recent alerts online at: <http://www.asu.edu/police/aware/alert.htm>

Safety alerts are also handed out during orientations and various informational events to remind new and returning students of common-sense steps they should take to ensure their own personal safety and the safety of their belongings.

## Emergency Response and Evacuation Procedures

It is the policy of the University to notify, without delay, the campus community of any confirmed significant emergency or dangerous situation involving an immediate threat to the health and safety of students or employees. The content of the notification will be determined and the notification system will be initiated unless, in the professional judgment of responsible authorities, the release of such notification at that time would compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. The notification system's purpose is to provide brief and immediate instructions to the campus community and identify other resources where additional information can be obtained. During an emergency, detailed information about an incident would be provided in other forms of communication, such as: email, web site, voice mail, hotline and emergency bulletins issued through the media. To learn more and to sign up for the University's emergency notification service, please go to our secure website at <https://webapp4.asu.edu/alerts/>

## Parking and Transit Services

ASU Parking and Transit Services provide the ASU campus with a motorist assistance service that includes help with a dead battery and assistance when car keys are locked inside the vehicle.

**The Motorist Assistance Program** (MAP) operates Monday – Friday 7:00 a.m. to 8:30 p.m. and can be reached at (480) 965-0641. Each parking enforcement officer carries a radio, which enables the officer to call for police assistance when needed. Motorist assistance on the Polytechnic campus operates Monday – Friday as available and can be reached at (480) 727-2775. Motorist assistance on the West campus operates Monday – Thursday 7:00 a.m. to 10:00 p.m., and on Fridays to 5p.m. At other times, contact ASU Police at (480) 965-3456.

## Focus Area Offices

Focus area offices are a part of the community-based policing effort at ASU. Community-based policing is a collaborative effort between a police department and community that identifies problems of crime and disorder and involves all elements of the community in the search for solutions to these problems. It is founded on close, mutually beneficial ties between police and community members.

Offices have been established at various sites to extend visibility of ASU Police. Feel free to contact your area community police officer to seek assistance or engage in an informative discussion. To determine the officer assigned to your area or on your campus, contact ASU Police at (480) 965-3456.

## Security and Access to Campus Buildings and Grounds

ASU enjoys a student, faculty and staff population of approximately 80,000 individuals, plus a significant number of visitors to the university's many programs and special events. As a public university, ASU campuses are accessible to the general public 24 hours a day. Consequently, regardless of the time of day or night, and no matter where you may be on campus, it is important for you to be alert and aware of your surroundings and exercise personal safety at all times.

### Non-Residential Buildings

Most campus buildings and facilities are open to the public during the day and evening hours when classes are in session and events are occurring. At other times, university buildings are generally locked and only faculty, staff, and authorized students are admitted. Do not leave doors propped open or unlocked after hours. Remember, if your campus keys/access cards are lost or stolen, report the loss immediately to your department and the **ASU Police key control**, by calling (480) 965-6090.

The Academic Building Security (ABS) program was started in 1998 to add a higher level of security to the academic buildings. Police aides patrol the academic buildings on campus by foot. Police aides assist the patrol officers with their duties and can provide, when available, safety escorts for the campus community. Police aides assist with security of the community by serving as the "eyes and ears" of the department.

### Residential Buildings

Approximately 9986 students live on the ASU Tempe Campus, 1100 on the Polytechnic Campus, 237 on the West Campus, and 810 on the Downtown Phoenix campus. Tempe campus residential halls are operated by the Office of Residential Life, Las Casas on-campus housing on the West campus, Williams Campus Housing on the Polytechnic campus, and the Department of Student Engagement on the Downtown Phoenix campus. Access to all ASU residential facilities is restricted to residents and their guests. **Residents are expected to comply with hall visitation policy, to lock doors when leaving rooms, to close and lock outside doors when found open, to use only designated entrances to the facilities, and to deny entrance to non-residents and uninvited guests.** You should report violations of these guidelines to your residence hall staff immediately.

To provide additional residential building safety, the police aide patrol provides additional security for students and staff. The coordinated efforts of police patrols, police aide patrols and residential life staff help to promote an increased awareness of safety issues. Information about security measures at individual campuses is available through the hall staff or from the appropriate office or officer as identified above.

## ASU Campus Maintenance

The Tempe, West, Polytechnic and Downtown Phoenix campuses are maintained by **ASU Facilities Management**. Facilities Management maintains and responds to reports of malfunctioning equipment within campus buildings and residence halls.

In order to ensure a safe campus environment, the ASU Police Department consults with Facilities Management to ensure landscaping foliage is maintained and appropriately located and to ensure exterior areas are properly illuminated. To report deficiencies or request service, contact the **Service Center** at (480) 965-3633.

On the Polytechnic campus contact Facilities Management at (480) 727-1110 or e-mail [polyfacman@asu.edu](mailto:polyfacman@asu.edu). For residence halls and homes, contact Williams Campus Housing at (480) 727-1700.

On the Downtown Phoenix campus, work orders should be sent to Colliers at [dpcmaint@asu.edu](mailto:dpcmaint@asu.edu). Work orders are opened Monday - Friday between 8:00 a.m. and 5:00 p.m. If it is an after-hours emergency, please call the service center at 1-888-389-9932.

The **ASU Environmental Health and Safety** department completes audits to ensure fire safety code compliance of all university facilities. In the event of a fire or a hazardous material situation, the surrounding municipal fire department will respond and handle the situation.

## **Sexual Assault Prevention and Response**

ASU is committed to providing a learning and living environment in which members of the university community can achieve academic and personal goals. With regard to sexual assault and relationship violence, ASU reinforces a culture of prevention, response, and accountability. It is the policy of ASU to address, investigate and promptly remedy complaints of sexual discrimination, harassment and retaliation. An individual believing that he or she has been subjected to sexual discrimination, harassment or retaliation in violation of the university's policies should report the matter immediately to the dean of students. ASU will maintain the confidentiality of the information it receives, except where disclosure is required by law or is necessary to facilitate legitimate university processes, including the reporting, investigation and resolution of discrimination, harassment or retaliation allegations.

Victims of sexual assault are encouraged to report the assault. Reporting is best done as soon as possible after the assault, but it may be done at any time. Reporting an assault to ASU Police does not require the filing of criminal charges, but it does enact all support systems, including **campus resources**, to be put in place for the survivor.

### Crime Prevention Programs: Sexual Violence

ASU Police, the Dean of Student Life, and other departments on campus provide numerous educational programs in the effort to reduce the risk of sexual violence. Beginning with summer orientation and continuing throughout the year, students are provided the opportunity to attend educational presentations related to sexual violence prevention and survival.

The ASU Police crime prevention unit has implemented a nationally recognized self-defense program: Rape Aggression Defense Systems (R.A.D.). R.A.D. is a 12-hour training course designed to maximize the physical defensive abilities of women. Unlike other self-defense programs, RAD teaches basic, practical techniques that require no special fitness level or equipment. The objective of the program is to help women develop and enhance the options of self-defense when being attacked. Participants have the opportunity to test their newly learned defensive strategies during simulated attack scenarios.

The R.A.D. program is an alliance of instructors who can assist one another with programs, equipment, experiences, and insight. Most importantly, they allow every participant a lifetime return and practice invitation, at no charge, anywhere there is a R.A.D. program being offered.

For more information call the ASU Police crime prevention unit at (480) 965-1972.

### Crime Prevention Tips: Sexual Violence

Communicate clearly your sexual boundaries with partners and gauge whether a potential partner would disregard these boundaries or not.

- Ask questions to determine unquestionably if your partner has consented to sexual intercourse.
- State clearly, emphatically, and forcefully if consent is not given.
- Don't be afraid to cause a scene if you feel threatened.
- Alcohol and drugs limit your ability to make good decisions for yourself.
- If you feel you have to drink, do so in moderation.
- As a female, avoid parties where males greatly outnumber females.
- Don't ever leave a party with someone you don't know well.
- A national study found 73% of suspects and 55% of the victims were under the influence of alcohol or drugs at the time of the assault.
- Always lock your door when you're asleep or not in the room, even if you're only gone for a minute.

### Sanctions

Sexual assault is a criminal act that carries criminal and civil penalties under federal and state law. When appropriate, formal complaints will lead to the initiation of administrative or disciplinary action. University sanctions, up to and including separation from the university, will be imposed upon those determined to have

violated policy. The accuser and the accused are entitled to have others present during a campus disciplinary proceeding; and both shall be informed of the university's final determination with respect to the alleged sex offense and any sanction that is imposed against the accused.

### **Campus Sex Crimes Prevention Act**

The Campus Sex Crimes Prevention Act mandates that convicted sex offenders required to register under state law, must also disclose their association with institutions of higher education when applicable. Specifically affected are those registered sex offenders who attend as students, are employed by or employed at, or volunteer at institutions of higher education.

The Arizona Department of Public Safety (DPS) has established the Arizona Sex Offender InfoCenter according to the requirements of A.R.S. 13-3827. Arizona DPS is responsible for maintaining the site and annually verifying the addresses of all registered sex offenders. For more information go to:

<http://az.gov/webapp/offender/main.do>

ASU Police, in conjunction with Arizona DPS and the Maricopa County Sheriff's Office will notify the campus community of a registered sex offender, as required. The notification process could be through the Crime Alert Notification (CAN) network, safety alerts on the ASU Police Web page, and/or safety alert fliers posted on campus.

### **Weapons Prohibited on Campus**

Possession or storage of weapons at any ASU residential housing facility is prohibited. Possession, use or storage of weapons on all land and in buildings owned, leased or under the control of Arizona State University or its affiliated or related entities is prohibited. This prohibition extends to all ASU vehicles and non-ASU vehicles

present on any property owned or controlled by ASU or an ASU affiliate or related entity, except as provided for in Arizona Revised Statute section 12-781.

The definition of weapons includes any object or substance designed to inflict a wound, cause injury, or incapacitate, including without limitation to: all firearms, BB guns, pellet guns, Airsoft guns, switchblade knives, knives with blades five or more inches long, and chemicals such as Mace, tear gas, or oleoresin capsicum (*excluding typical over-the-counter self-defense chemical repellents*). Chemical repellents labeled “for police use only” or “for law enforcement use only” may not be possessed by the general public.

ASU students and employees are required to report known and suspected violations of the weapons policy to ASU Police immediately. Failure to report as required may result in sanctions under applicable Arizona Board of Regents (ABOR) and ASU policies governing student and employee conduct.  
[ARS 13-2911,13-3102, PDP 201-05, ABOR 5-303.3, 5-308]

*Participants or attendees at public or special events held on campus or at university facilities may be required to submit to security checks as a condition of entry at the discretion of ASU Police.*

If you are a witness to a crime involving a weapon please call 9-1-1 immediately. If you see a weapon of any kind on campus, alert ASU Police by calling (480) 965-3456 or 9-1-1.

### **Reporting Hate Crimes & Incidents**

Hate crimes are not separate distinct crimes but instead involve any traditional criminal offense that is committed against a person or property, which is motivated by race, religion, ethnicity, gender, disability, or sexual orientation. Arizona State University takes a strong stance against hate crimes, violent acts, property damage, intimidation and threats because of a person’s personal characteristics.

Hate groups and individuals have the right to exist, assemble and to express their views. However, they do not have the right to break any laws. In Arizona, any speech that threatens violence or physical harm to specific persons or groups may constitute a crime. Most verbal and written expression is constitutionally protected, so racial slurs or derogatory speech is not enough to be considered a crime.

Hate crimes will not be tolerated or dismissed as “pranks” or “bad behavior.” Hate crimes should be reported to the appropriate university departments and organizations so that proper follow-through can occur. Report immediately any hate crime incident.

Reporting a hate crime is a key part of stopping hateful acts. If you or someone you know reports a hate crime, the matter will be taken seriously. A thorough investigation will be conducted and administrative or criminal proceedings will follow.

Call or report the hate crime incident to ASU Police at 9-1-1 for an emergency or (480) 965-3456 for a non-emergency. The crime or incident may also be reported or referred to the following entities at each campus:

#### Tempe campus

## **Disciplinary Action: Students, Staff and Faculty**

The Arizona Board of Regents (ABOR) Student Code of Conduct is designed to balance the rights and needs of the individual with the responsibility of the individual, to meet the needs of the community. In keeping with this mission, each campus has an office responsible for administering the Code of Conduct, reviewing allegations of student misconduct, determining whether a violation has occurred and if applicable, imposing appropriate sanctions. These professionals strive to find resolutions to allegations of student misconduct through the use of mediation techniques and other sanctions, as permitted, which aid in the students' overall personal development.

Complaints, reports and/or referrals are accepted from students, faculty, staff, or other persons who believe that a student may have violated the ABOR Student Code of Conduct. Complaints must be submitted in writing and state sufficient facts and descriptions of the alleged misconduct.

**Staff reserves the right to determine that police reports, applicable newspaper articles, or other forms of documentation can constitute a formal complaint for purposes of initiating review under the Student Code of Conduct.**

**Additionally, any relevant information pertaining to any student, found in the course of a review, may also be deemed to constitute a complaint and pursued accordingly under the ABOR Student Code of Conduct.**

The ABOR Student Code of Conduct and Student Disciplinary Procedures can be found at:  
[www.asu.edu/studentlife/judicial](http://www.asu.edu/studentlife/judicial).

ASU faculty and staff may be subject to disciplinary action under applicable personnel policies. Any complaints against an employee should first be directed to their respective department. Mediation services are available to all employees through the [ASU Ombudspersons Committee](#). The employee grievance process is fully explained at the [ASU Human Resources](#) Web page. Additional concerns should be addressed with the Chief HR Officer at (480) 965-2701.

## **Arizona State University Policy on Substance Abuse**

It is the goal of ASU to provide a drug-free environment for all university students and employees. To achieve this goal, ASU prohibits the unlawful use, possession, production, manufacture, and distribution of alcohol and other drugs and controlled substances. [SPP 315, ACD 122, USI 106-03]

The university provides honest and factual information through organized programs in an effort to assist individuals to make decisions regarding the use of alcohol and other drugs. Information regarding the health risks associated with the use of alcohol and other drugs, drug awareness programs, and drug education and assessment programs are available to employees and students through the [Student Health and Wellness Center](#), the [Employee Assistance Program](#), [Counseling and Consultation](#), and the [Arizona Prevention Resource Center](#). On the Polytechnic campus, [Student Counseling Services](#) and the [Student Health Center](#) provide these services.

Copies of these policies are available from the Office of the Vice President for University Student Initiatives (480) 965-2200. Detailed information regarding possession, use, and distribution of drugs and alcohol can be viewed at: <http://www.law.asu.edu>

Employees found to be in violation of this policy (including student employees if the circumstances warrant) may be subject to corrective action up to and including dismissal, under applicable university policies.

## Legal Sanctions

Anyone who violates federal, state, or local law regarding alcohol or other drugs, including the illegal possession of drug paraphernalia, or who otherwise engages in illegal conduct is subject to prosecution and punishment by criminal and civil authorities in addition to disciplinary or administrative sanctions issued by the university.

It is a violation of law to purchase, possess, or consume alcohol if you are under the age of 21. It is a violation of law to consume alcohol in public, even if you are 21. It is a violation of university policy for employees to possess, consume, or be under the influence of alcohol while on duty. [SPP 801]

Detailed information about these statutes and sanctions, which may change over time, is available from [ASU Police](#), [Student Legal Assistance](#), and the [Sandra Day O'Connor College of Law](#).

**Crime Statistics**

These statistics have been compiled in accordance with definitions taken from the Federal Bureau of Investigation (FBI) *Uniform Crime Reporting Handbook (UCR)*, as required by *Clery Act* regulations and modified by the Hate Crime Statistics Act.

The data relate to all reported crimes occurring on any ASU campus including residence halls, any non-campus building or property owned by the university, or any public property within any campus or immediately adjacent to any campus. Also included are crimes reported to ASU Police by its own officers, the local law enforcement agencies having primary jurisdiction, and other university personnel who have significant responsibility for student and campus activities.

Crimes which have not been reported to law enforcement, the Office of the Dean of Student Affairs, ASU Residential Life/Campus Housing, or ASU Student Health are not reflected in these tables. For this reason, everyone is urged to report all crimes to ASU Police or the law enforcement agency where the crime occurred. The statistics include all *reports* of campus crimes made to the ASU Police.

The statistics for drug, liquor law, and weapons violations relate to actual criminal arrests occurring on campus property, to the full extent that these statistics are made available by local police authorities.

This report complies with the Crime Awareness and Campus Security Act and provides information regarding public safety at ASU. Copies of referenced policies are available in many university offices, including ASU Police at the Tempe, West, Polytechnic and Downtown Phoenix campuses, ASU Libraries, the Office of the Dean of Student Affairs and the Office of Residential Life. ASU currently has a variety of policies and procedures relating to campus security, and it expressly reserves the right to modify them or to adopt additional policies or procedures at any time without notice.

Information regarding the provided definitions of crimes and/or the campus property referenced in the statistics may be obtained from ASU Police or from the ASU Office of General Counsel.
