

**The ASU/NASA Space Grant Program invites graduate students to
Apply for a NASA Fellowship
For the 2009/2010 Academic Year**

Outstanding graduate students in all academic disciplines interested in promoting the understanding of Science, Technology, Engineering, and Math (STEM)-related research to the public have the opportunity to be awarded a NASA Fellowship.

Applications are especially encouraged from minority groups and women

This is an exceptional opportunity and positions are limited!

Requirements:

- Applicants must be U.S. citizen
- Full-time graduate student at ASU

Awards include:

- Stipend
- both in- and out-of-state tuition
- health insurance

**Application deadline:
Noon on Monday, April 20**
