

# Training Tomorrow's Workforce Today!

School of Earth & Space Exploration  
ASU/NASA Space Grant  
<http://nasa.asu.edu>

**ASU** ARIZONA STATE  
UNIVERSITY

## **Paid Undergraduate Internships Sponsored by:**

### **National Aeronautics & Space Administration Arizona NASA Space Grant Consortium For the 2009/2010 Academic Year**

Space Grant provides paid internships for undergraduate students that are interested in careers in science, engineering, journalism, arts, and other fields to gain valuable experience by participating in research and informal education projects with a faculty mentor. The Space Grant Program supports 20 to 30 interns per semester to work 10 hours per week at \$9.00 per hour.

The Space Grant Program is NOT limited to science and engineering students; however U.S. Citizenship is required. Must be a full-time student sophomore or higher at ASU. Awarded students are required to participate in the Arizona NASA Space Grant Undergraduate Research Symposium.

**Minority groups and women are encouraged to apply!**

**Apply online at:**

**[http://nasa.asu.edu/v2/extra/intern\\_application.php](http://nasa.asu.edu/v2/extra/intern_application.php)**

**Questions? Email Candace Jackson at [candace.jackson@asu.edu](mailto:candace.jackson@asu.edu)**

**Or call 480-965-NASA (6272)**

**Application Deadline: Friday, May 15<sup>th</sup> by Noon**
