A Navajo student is eligible to receive a clothing package if he/she meets the following eligibility criteria:

- A. Must be an enrolled member of the **Navajo Nation**, with a valid **Navajo Census Number on record** at the **Office of Vital Records** at the time of application; *If a child does not have a Navajo Census Number at the time of application, that student will not be eligible. Since our program is a first come, first serve basis, we cannot wait on a student to register for their Census Number. Please have that student enroll at their nearest enrollment office as soon as possible, so that they may be eligible next school year. A student shall not use a Navajo parent's/guardian's Census Number.*
- B. Must be between the ages of 4 and 13 years of age; This is determined by the date the NSCP receives the batch of clothing order forms from the participating school/agency in our office;
- C. Must attend a school within the Navajo Nation Boundaries; or attend a Border-town school; or a participating off-reservation school;
- D. Must be enrolled in one (1) of the following educational institutions:
 1. B.I.A. Day/Boarding School;
 2. Community Controlled School;
 3. Head Start or Pre-School;
 4. Public Schools;
 5. Special Education School; and
 6. Parochial Schools

NOTE: Students who are home schooled, enrolled in head start home-based programs or attending private schools or Day Care centers are not eligible for services.
- E. Students who satisfy the above requirements are automatically eligible for the Program, and depending on the availability of funds, may or may not be provided a clothing package.

Participants may be requested to provide proof of eligibility. Any knowingly false information given to the NSCP will result in the child's eligibility in being suspended.
