

# *Building Successful Native American Businesses*

EXECUTIVE TRAINING RETREAT

**May 12, 13, and 14, 2009**

The program is a strategic retreat that builds on an instructional framework. Participants learn best practices, then immediately apply the learning to their own situations. The outcome is the ability to make and implement sound business decisions in enterprises that will create wealth, jobs, and career paths.

## **WHAT WILL GET FROM ATTENDING?**

- A three-day top-management development program tailored to Native businesses
- A strategic retreat to gain consensus on strategic direction
- Self-diagnosis of the business' strengths and weaknesses
- Training in cutting-edge business thinking (there are no pre-requisites in terms of participant's educational preparation)
- A certificate from Dartmouth's Tuck School of Business (rate the nation's Number One business school by both *The Wall Street Journal* and *Forbes*).
