### Notes:

1. This minor is not available to students majoring in the life sciences.
2. Courses not available for credit in the Biology major cannot be used for the minor (e.g., BIO 100 The Living World, BIO 201 & BIO 202 Human Anatomy and Physiology, MIC 205 Microbiology, etc.)
3. Upon completion of or registration for the last approved classes to fill these requirements, type all courses for the minor on a **Minor Verification Form** (available in the UBEP office, LSC 206, or on the web at: <http://www.asu.edu/forms/list.html>) and have a Biology department advisor sign the form. File the form at the College of Liberal Arts and Sciences.
