FALL 2000 TRANSFER GUIDE

FOR EASTERN ARIZONA COLLEGE

Bachelor of Science

Agribusiness Major

Concentration: Food and Agribusiness Marketing

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements www.asu.edu/admissions/applyingtoasu. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

The **Agribusiness** major is an applied, industry-oriented curriculum. The study of animals, plants, and their utilization in the food and fiber system forms the base of the program. Students learn to analyze firms involved in input supply activities, commodity processing, food manufacturing, and food distribution. General University Requirements satisfy the admission requirements of these three programs. For further information, call or write:

MORRISON SCHOOL OF AGRIBUSINESS ADMISSION CRITERIA

1. General University Requirements satisfy the admission requirements of this program.
2. International students must also submit a TOEFL score of 500 points in addition to meeting the minimum GPA requirements.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

AGB ELECTIVES

Contact an ASU advisor at (480) 727-1585 to select appropriate AGB or related area elective credits.

ELECTIVES

General electives must be selected with approval of an ASU advisor so that the total program contains a minimum of 120 semester hours, of which 45 semester hours must be upper division credits.

Approved by Kathy Stehn, Date
Academic Advising Coordinator

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may **not** be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
2. When selecting HU or SB core courses, students must keep in mind that at least one course within the 15 semester hours **must** be an upper-division course taken only at ASU.
