

Arizona State University

ASU Main Campus

FALL 2000 TRANSFER GUIDE

FOR EASTERN ARIZONA COLLEGE

Bachelor of Science

Exercise Science & Physical Education

Exercise Science Option or Exercise and Wellness Option or Physical Education Option

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements www.asu.edu/admissions/applyingtoasu. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA

General University requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

ASU

ENG 101 & 102 First-Year Comp

or

ENG 105 Adv First-Year Comp

or

ENG 107 & ENG 108 Eng Foreign Students

EAC

ENG 101 & 102 Written Communications

No EAC equivalent

No EAC equivalent

GENERAL STUDIES REQUIREMENTS¹

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from the ASU General Studies Guides (http://www.asu.edu/provost/articulation/eac_main.html#gsr) as follows: 3 [CS] credits, 3 [L] credits, 6 [HU] credits, 3 [C] credits, 3 [G] credits, and 3 [H] credits.

COLLEGE OF LIBERAL ARTS AND SCIENCES GRADUATION REQUIREMENTS¹

<http://www.asu.edu/provost/articulation/chksheets/00-01/00CKCLAS.HTML/00clas-gradreqfortgs.pdf>

CLAS requires knowledge of a second language equivalent to the completion of two years study at the college level. Students who choose to complete their CLAS second language graduation requirement in Greek, Latin, Portuguese, or Romanian must take both the 201 and 202 classes in order for this requirement to be met.

In addition to the language requirement, students may also take one lower division Social/Behavioral Science or Humanities from those that transfer as AFH, AFS, ASB, CSH, CSS, ENG (literature only), ECN, GCU, HIS, HUM, PGS, PHI/HPS, POS, REL, SOC, WSH, or WST. This course is separate from those taken for the university general studies and may not be used to meet both requirements.

Students may also choose to take 6 credits to meet the CLAS Natural Science/Mathematics requirement. This requirement is separate from the SQ and SG requirement of the university general studies and may not be used to meet the university requirement. Students may select 2 courses from those that transfer as ASM, BIO, CHM, BCH, CSE, GPH, GLG, MAT (above the college algebra level), STP, MIC, MBB, PHY, AST, PHS, PLB, MBB, PSY 230 or PSY 290.

MAJOR REQUIREMENTS

While still a student at EAC, contact the department academic advisor. Only those required courses which have EAC course equivalents are listed below.

REQUIRED PREREQUISITES

ASU

BIO 201 Human Anatomy & Physiology I [SG]

BIO 202 Human Anatomy & Physiology II

CHM 101 Intro Chemistry [SQ]

MAT 117 College Algebra [MA]

PGS 101 Intro to Psychology [SB]

PHY 111 General Physics []

EAC

BIO 201 Human Anatomy & Phys I

BIO 202 Human Anatomy & Phys II

CHM 130 Fundamental Chemistry

MAT 154 College Algebra

PSY 101 Intro to Psychology

PHY 111 General Physics* EAC's PHY111 transfers as PHY111 & PHY113

AREAS OF CONCENTRATION

There are three areas of concentration available. All students must choose one area of concentration either (1) Exercise Science, (2) Exercise & Wellness, or (3) Physical Education.

Exercise and Wellness Concentration

Candidates must complete 21 semester hours in the major field; EPE 300, EPE 320, EPE 420, EPE 425, (three semester hours each), EPE 484 (six semester hours), and 3 semester hours carrying either EPE prefixes or prefixes from related disciplines selected with the advice and consent of a faculty advisor (No more than six may be in independent study courses) or from the following list.

RELATED COURSEWORK LIST (Only three credits required)

PSY 230 Intro to Statistics [CS]

PSY 220 Intro to Statistics

EPE 283 Prvntn/Care Ath Inj

HPE 270 Intro to Sports Med

FON 100 Intro to Nutrition

FCR 241 Nutrition

PSY 230 Intro to Statistics

PSY 220 Intro to Statistics

Exercise Science Concentration

21 credits from EPE courses and/or related field with advisor approval (12 credits of upper-division EPE courses must be included from a defined list). This area of concentration allows students to combine courses from various programs within the Department of Exercise Science and Physical Education, and to gain depth of knowledge in related disciplines.

EPE 283 Prevention/Care of Athletics Inj

HPE 270 Intro Sports Medicine

ASU FALL 2000 TRANSFER Guide for Eastern Arizona College
Bachelor of Science (page 3 of 3)
Exercise Science & Physical Education
Exercise Science Option or Exercise & Wellness Option or Physical Education Option

Physical Education Concentration

21 credits from EPE courses and/or related field with advisor approval. Major required courses are EPE361, EPE376, EPE382, EPE elective (upper division).

RELATED COURSEWORK LIST (Nine credits required)

OTHER ELECTIVE COURSES IN EPE

ASU

EPE 100 Introduction to Health & Wellness
 EPE 283 Prvntn/Care Ath Inj
 EPE 290 Sports Officiating

EPE 292 Sports Officiating

EAC

HPE 100 Personal Health
 HPE 270 Intro to Sports Med
 HPE 262A Game Supervis & Off I
 or
 HPE 262B Game Supervis & Off II

HPE 262C Officiating Baseball/Softball

SUGGESTED COURSEWORK FOR PRE-PHYSICAL THERAPY AND PRE-MEDICINE AREA PREREQUISITES

BIO 181 General Biology [SQ]
 BIO 182 General Biology [SG]

BIO 181 Gen Biology I (Majors)
 BIO 182 Gen Biology II (Majors)

CHM 113 General Chemistry [SQ]
 CHM 115 Gen Chemistry with Qualit Analysis [SQ]

CHM 151 General Chemistry I
 No EAC equivalent

or

CHM 116 General Chemistry [SQ]
 CHM 231 Elem Org Chem [SQ] &
 CHM 235 Elementary Organic Chem Lab [SQ]

CHM 152 General Chemistry II
 CHM 230 Fund Org Chemistry

or

CHM 331 General Organic Chem &
 CHM 335 Gen Organic Chem Lab &
 CHM 332 General Organic Chem &
 CHM 336 Gen Organic Chem Lab

CHM 235 General Organic Chemistry I

CHM 236 General Organic Chemistry II

MAT 170 PreCalculus [MA]

MAT 159 Plane Trigonometry

or

MAT 181 Plane Trigonometry

or

MAT 210 Brief Calculus [MA]
 MIC 205 Microbiology [SG] &
 MIC 206 Microbiology Lab [SG]

MAT 210 Elements of Calculus
 BIO 205 Microbiology

PGS 466 Abnormal Psychology [L]

No EAC equivalent

PHY 111 General Physics [SQ] &

PHY 111 General Physics I

PHY 113 General Physics Lab [SQ]

PHY 112 General Physics [SQ] &

PHY 112 General Physics II

PHY 114 General Physics Lab [SQ]

PSY 230 Intro to Statistics [CS]

PSY 220 Intro to Statistics

or

STP 226 Elements of Statistics [CS]
