### FALL 2000 TRANSFER GUIDE

#### FOR EASTERN ARIZONA COLLEGE

#### **Bachelor of Arts in Theatre**

*Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements [www.asu.edu/admissions/applyingtoasu](http://www.asu.edu/admissions/applyingtoasu). Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.*

The Department of Theatre offers a newly instituted B.A. degree with various optional focus areas and the B.F.A. degree in Theatre Education. The B.A. and B.F.A. programs involve intensive academic and hands-on theatre study. Student artists and scholars are provided a general appreciation of the principle fields of human knowledge while, at the same time, acquiring focused training in such areas as acting, directing, film, history/theory and criticism, playwriting, scenography, stage and theatre management, and theatre for youth. The B.A. and B.F.A. have specific general studies requirements and a core of theatre classes, including play analysis, acting, directing, technical theatre and design, and theatre history. Each focus area requires an additional 24 hours of credit in selected theatre courses.
