1999-2000 TRANSFER GUIDE

FOR EASTERN ARIZONA COLLEGE

Bachelor of Arts in Theatre

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

The Department of Theatre offers the B.A. degree with four concentration areas and the B.F.A. degree in Theatre Education. The B.A. and B.F.A. programs involve intensive academic and hands-on theatre study. Student artists and scholars are provided a general appreciation of the principle fields of human knowledge while, at the same time, acquiring considerable specialized training in one of the following areas of specialization: Acting, Design/Technology, Directing/Stage Management, History/Theory and Criticism.

The B.A. and B.F.A. have specific general studies requirements and a core of theatre classes, including play analysis, acting, directing, technical theatre and design, and theatre history. Each concentration area requires an additional 24 hours of credit in selected theatre courses. Some concentration area courses need to be taken during freshman and sophomore years in order for the student to be eligible for this area.
