COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA

1. Persons desiring to major in Anthropology should be regularly admitted to the university and the College of Liberal Arts and Sciences.
2. Normally new majors are required to complete two basic survey courses (ASB 102 and ASM 101) before progressing to the more specialized, upper-division courses.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.
