**Plus Minus Grading System Implementation Team
December 2003 Status Report**

- The Phase I implementation team will meet next in January to review the continuing role of this group for the duration of the +/- grades implementation.
- A Phase II team has been formed to begin the technical work to accommodate the new grade scale. View the team roster for Phase II on the Academic Senate Web site, on the issues page.
- Members of the Phase II team have begun to identify the necessary changes to databases and programs for +/- grades implementation.
- Implementation continues on schedule for Fall 2004.
