**Plus Minus Grading System  
Implementation Team  
October 2003 Status Report**

- The implementation team has produced a document containing recommendations for the implementation of plus/minus grades. The recommendations cover the impact of implementing plus minus grades on the following areas:
  - The Grade Scale
  - Effect on Student Records
  - Effect on Academic Standards
  - Effect on Transfer Students

This document has been submitted to the Office of the President and the Office of the Provost for their review.

- Once the President and the Provost have reviewed the implementation recommendations any input they have will be incorporated into a final Plus/Minus Grades Implementation Recommendations document. This document will be published on the ASU Faculty Senate website in December.
- An FAQ (Frequently Asked Questions) section on the implementation of Plus/Minus grades section will be added to the ASU Faculty Senate website in November to address questions from the ASU community.
- Implementation continues on schedule for Fall 2004.
