

August 27, 2008 (emailed to all proposers on this date)

**ADDENDUM # 10**  
**RFP #020901**  
**Network Services**

Please note the following answers to questions that were asked prior to the deadline for inquiries date of August 28, 2008.

**Q1: Please provide additional information for Appendix 1, Section 1.1.12 Television Services. Specifically the number of connections, locations of those connections, and contract information including buyout for all campuses and expiration dates.**

**A1: All available information is included in the contract on the Sharepoint site.**

**Q2: Will the Annual UTO budget be updated to include the cost of currently contracted television services? Is this part of the UTO budget, or is this paid for by another department?**

**A2: Current UTO obligations for television services are included in the budget figures provided**

**Q3: Is current analog video infrastructure ASU's property? Please provide a list of the active and passive components within buildings and between buildings.**

**A3: All active components between buildings belong to Cox Communications. An accurate list of the active and passive components within buildings is not currently available.**

**Q4: Please identify all active television components and how the infrastructure is split within buildings and between buildings. Also, is there a buyout for this infrastructure?**

**A4: All available information is included in the Cox Communications contracts on the Sharepoint site.**

**Q5: On the Annual Budget for the RFP, can you identify all components that comprise the yearly maintenance dollar amount listed?**

**A5: Avaya Maintenance: \$800,000; Cisco maintenance: \$550,000**

**Q6: What type of support is provided and/or required for special systems as listed in Appendix 1, Section 1.1.9?**

**A6: Support may include the following: IP addressing; design consultation; configuration, management of the infrastructure.**

**Q7: Please further define each Management Interview category listed in Section 6.1.2.1. For example, can you provide a description of what you would consider a Program Manager or the Corporate Technical Expert to be (i.e., brief job description or minimum qualifications)?**

**A7: The bidding vendors are responsible for providing information about personnel who will be responsible on this project and for providing information regarding their relevant qualifications and expertise**
