

July 21, 2008 (emailed to all proposers on this date)

ADDENDUM # 2
RFP #020901
Network Services

Please note the following answers to questions that were asked prior to the deadline for inquiries date of August 14, 2008.

Q: Is it possible to bid on parts of the RFP, or is it an all or nothing?

**A: Suppliers are required to bid on everything.
If Suppliers are partnering, only the Prime will submit the proposal.**

Q: The links in the Section/Appendix below direct you to an internal ASU SharePoint site which requires a username and password. Will these forms be provided at Pre-Proposal Conference? Or will there be a general username and password provided to responding vendors so they can obtain these forms themselves?

Section 8 (8.1)

Based on the networking program proposed, as well as the terms, conditions and financial requirements outlined in the Sample Contract provided in Appendix 3, the vendor must complete the electronic excel file provided by the University (at <https://uto.sharepoint.asu.edu/Ops/Network/NetworkRFP/default.aspx>). An example of the financial worksheet can be found in Appendix 6.

Appendix 8 (8.1.7)

8.1.7. The data in the reference list must be submitted in electronic format on a MS Excel spreadsheet file. A template for this file can be found at <https://uto.sharepoint.asu.edu/Ops/Network/NetworkRFP/default.aspx>. The file must be emailed to the University.

A: The forms will be provided at the 7/25/08 pre-proposal conference, but in order to really bid on the project the supplier will need access to the SharePoint. Access to the site can be obtained once an ASURITE ID has been issued. The process for obtaining an ID is outlined in Addendum 1.

Q: Is the pre-conference on the 25th mandatory for response to the RFP?

A: Per the RFP, Request for Proposal No. 020901, page 1, All Proposers MUST attend the Conference.
