February 19, 2016  (emailed to all proposers on this date)

ADDENDUM # 2
RFP 081604

STAFF AUGMENTATION AND CONSULTING SERVICES
FOR VARIOUS
UTO SUPPORTED APPLICATIONS

Please note the following answers to questions that were asked prior to the
deadline for inquiries date of February 25, 2016 (3:00 p.m. MST)

- Do we need to submit the resume of actual candidate who will be performing
duties or can we just submit the sample resume for all positions proposing?

  Answer: As indicated in Section II (paragraph 5) of the RFP (Intent); regarding the
resources provided by the Vendor, the University expects to be provided a resume
of each resource being proposed by the Vendor to accomplish the ASU UTO staff
augmentation/consulting request.

- Do we need to propose for all the positions or can we propose for the limited
positions?

  Answer: As indicated in Section V (paragraph 1) of the RFP (Specifications/Scope of Work); An RFP response should include at least one area
listed below. However Vendors are encouraged to respond to as many areas below
where the Vendor has expertise and resources.

- Is this a new or follow on RFP? If follow on, please provide the amount spent
on different categories.

  Answer: This RFP is similar to an RFP that is expiring (RFP 021101). This new
RFP is being expanded in scope from PeopleSoft specific staff augmentation to
include other ASU needs. The amount spent on different categories is not
available at this time.
