**ASU has partnered with Canon to create the Sustainable Digital University in support of our sustainability initiatives. For printing, scanning and other document needs, contact Document Services Director, Robert Lane at DigU@asu.edu. Our partners will visit your department, conduct an audit and needs assessment of your current document resources, and propose a right-sized integrated solution for your specific needs. This solution will allow your department to take full advantage of the University’s standard technology model for sustainable digital document services.**

Note: Sponsored Accounts have additional restrictions on Office Supplies and Postage, to include overnight services such as Federal Express or Airborne. (If the Grant specifies office supplies and/or postage as acceptable purchases the Sponsored Accountant needs to send an email to pcard@asu.edu to have this restriction lifted on the Purchasing Card).
