ONLINE COURSES OFFERED THROUGH ARIZONA REGENTS UNIVERSITY

Your invitation to experience:

*anytime, anyplace
higher education....*

*....e-learning courses and
degree programs on-line*

Arizona Regents University, a statewide e-learning consortium, makes it easier than ever to take courses delivered over the Internet. Many courses provided by Arizona's 3 public universities (ASU, NAU, and UA) are open to students enrolled anywhere in the system. Once enrolled at ASU, you do not need to apply separately for admission to the other two universities in order to take online courses as transfer options.

Each of the Arizona universities also offers a limited number of degree and certificate programs that can be taken primarily or entirely online. Visit www.azdistancelearning.org and choose the link to Programs.

Student Direct Access Services

ASU provides you with real-time, secure access to your student records via the touchtone telephone and the web.

How to Access Your Records

Touchtone Telephone Interactive Services

Your ASU ID number and PIN are your key to accessing Touchtone Telephone Interactive Services. The ASU PIN is a security feature and is used with many interactive technologies. The first time students use an ASU touchtone telephone application an ASU PIN must be selected for all future transactions. To set the ASU PIN, call SunDial and enter your month and day of birth (e.g., July 9 = 0709) when prompted for PIN. Once this is entered the system will prompt you to select a new 4-digit ASU PIN. This will be your permanent ASU PIN to access all ASU touchtone telephone applications. If you feel you need to change your pin for security reasons, you may go to <http://www.asu.edu/interactive>.

It is important to protect your ASU ID number and ASU PIN. Do not share it with others. For assistance with the ASU PIN, contact the University Registrar's Office at (480) 965-3124.

Web Interactive Services

Your ASURITE User ID is your key to accessing various computerized services at ASU including the ASU Interactive website. Every person at ASU is assigned an ASURITE User ID. This User ID is unique, and is yours to use as long as you are associated with the university and you follow the appropriate policies and guidelines.

The ASURITE User ID is used to access various services at ASU. Your eligibility for services will depend on your affiliation with ASU. New applicants, for example, may have access to certain Web pages to check the status of their application or to register on-line once they have been admitted. Enrolled students, faculty, and staff will be able to add other computing services as needed to their User ID.

Because the ASURITE User ID is used for such a wide variety of access, including sensitive information such as your grades, it is important to protect your password. Do not share it with others. Change your password frequently. Pick passwords that are difficult to guess. For assistance with your ASURITE User ID or if you suspect your account has been compromised, contact Computer Accounts at (480) 965-1211.

Note: Former students who do not have an ASURITE User ID may access limited services by using their ASU ID and PIN. Services include: request /view your unofficial transcript, request your official transcripts, pay your accounts receivable by credit card and view/update your address and telephone information.

Touchtone Telephone Interactive Services SunDial (480)350-1500

(When calling from an ASU campus phone, dial 8-350-1500)

Registration

Students may register, drop, add and withdraw from classes, check class availability and hear their class schedule.

Tuition

Students may enroll in the Tuition Installment Plan, pay tuition fees using a credit card or financial aid, request a tuition refund, purchase/cancel Student Health Insurance and hear a summary of fees, an itemized list of charges and instructions for paying by mail or in person.

Financial Aid

Students may obtain a list of submitted and missing Financial Aid documents, hear how their educational costs were calculated, list, accept, decline and/or reduce awards, and hear information about completing the loan entrance interview.

Parking

Students may purchase their first ASU Main, West Campus or East Campus parking decal and update vehicle license plates information. Students may also renew their ASU Main Campus parking decal and check Main Campus parking lot availability. SunDial decal sales are not available for residence halls, disabled parking lots, or vehicles registered outside the United States; however, ASU Main Campus disabled decals can be renewed using SunDial in March.

Grades

Students may obtain final semester grades, cumulative information and probation status.

Admission and Readmission for Undergraduates and Graduates: Freshman, transfer, non-degree and readmitting undergraduate students can complete the interactive online application form on the web at <http://www.asu.edu/admissions>. New, re-entering, and non-degree graduate students can complete the interactive online application form at <http://www.asu.edu/graduate>.

Address/Phone Change: <http://www.asu.edu/interactive>

Students may change their local, permanent and billing addresses and the phone number(s) associated with those addresses. It is the student's responsibility to maintain an accurate current address.

Academic Planner: <http://www.asu.edu/interactive>

This tool is designed to assist students with planning courses and classes at ASU. Students may identify courses that meet degree and general studies requirements, create a list of those courses along with the semester/year they plan to take the courses and plan class schedule(s) for upcoming semester(s).

Class Information and Seat Availability: <http://www.asu.edu/classinfo>

Students may enter a schedule line number and obtain information about the class, including course number and course title, credit hours, class fee information. This information is updated immediately.

Schedule of Classes: <http://www.asu.edu/schedule>

Students may enter a course prefix/number and find information about all class sections of that course being offered for the semester they requested. See Class Information and Seat Availability above for information available. This information is updated every 10 minutes. This service also allows students to enter multiple courses and build their preferred schedule.

Class Registration Services: <http://www.asu.edu/interactive>

Students may access the university schedule of classes, pre-register and register, drop/add and withdraw from classes, check class information and seat availability, check their registration eligibility status and view their pre-registration results and their class schedule and reserve textbooks.

Degree Audit (DARS): <http://www.asu.edu/interactive>

Students may request an audit that matches courses completed with the requirements of their current degree program or select a different degree program to see how courses would apply to a different major.

Financial Aid Services: <http://www.asu.edu/interactive>

Students may accept, reduce and decline awards, complete their entrance interview, access their general financial aid information including status of documents and awards, determine how educational costs were calculated and view and print financial aid forms.

Grades Online: <http://www.asu.edu/interactive>

Students may obtain mid-term and final semester grades on the web. Mid-term and final grades are posted daily, each evening after 9:00 PM as they are received in the University Registrar's Office. Final grades are not mailed to students. Students needing a copy of their grades printed on University Registrar's Office letterhead with the official university seal can contact the Records Information Office at (480) 965-3124. Mid-term grade reports are mailed to students who receive a D or E in a class.

INS Information for F1 and J1 VISAS:

<http://www.asu.edu/interactive> Students may update address, birth/residence, passport, USA driver's license and miscellaneous information required prior to admission processing.

IRS Tax Credit (1098-T) Information: <http://www.asu.edu/interactive>

Students may view information reported on the IRS Tax Benefits for Higher Education for 1098-T.

Measles Verification: <http://www.asu.edu/interactive>

Students may find out if their measles information has been posted to the Student Information System by selecting Registration Eligibility Status. A message will be displayed if the immunization requirement has not been met.

Change Your PIN: <http://www.asu.edu/interactive>

Students who know their ASU Personal Identification Number (PIN) can use this to change their PIN.

Student Direct Access Services, cont.

Pre-Registration: <http://www.asu.edu/interactive>

Students may submit their pre-registration requests and, once the pre-registration requests have been processed, view the results of their requests. Submitting a request via the web offers students an alternative method of submitting pre-registration requests and verifies registration eligibility status and that the schedule line numbers are valid. Forms turned in to academic departments and requests submitted through the web will be processed at the same time and in the same way.

Registration Eligibility Status: <http://www.asu.edu/interactive>

Students may check their registration eligibility status prior to registration. Any requirements that have not been met, such as immunization, advisement or delinquent account will be listed.

Request/view your Unofficial Transcript: <http://www.asu.edu/interactive>

Students may view and print their unofficial transcript. An unofficial transcript is an uncertified copy of the students' academic record, provided at no cost. Note: Pre-1980 records are not available on the web.

Request your Official Transcript: <http://www.asu.edu/interactive>

Students may request an official copy of their transcript and pay for the transcript using a VISA or MasterCard debit or credit card. An official transcript is a certified copy of the student's academic record.

Social Security Number (SSN) Verification: <http://www.asu.edu/interactive>

Students may verify social security number information used for Education Tax Credits.

Student Class Schedule: <http://www.asu.edu/interactive>

Students may obtain their semester class schedule on the web and on SunDial. Information available includes schedule line number, course number and prefix, course title, class credit hours, class meeting days/times/locations and instructor name.

Tuition Services: <http://www.asu.edu/interactive>

Students may view and print their tuition bill/receipt, enroll in the Tuition Installment Plan, pay tuition with a debit or credit card, hold classes using Financial Aid, request a refund, purchase/cancel health insurance and view instructions for paying tuition.

Admission or Readmission

If you are not a continuing student from the Fall 2004 semester, you must be admitted or readmitted to ASU before you may register for classes. The following offices are listed for your convenience:

- Undergraduate Admissions, Student Services 112, (480) 965-7788
- Undergraduate Readmissions, Student Services 142, (480) 965-7550
- Graduate Admissions, Wilson, Room 101, (480) 965-6113

Additional information is available at <http://www.asu.edu/registrar/readmissions> or <http://www.asu.edu/admissions>. For information regarding admission to ASU West degree programs, contact ASU West Admissions Services, University Center Building 120, (602) 543-8203. Students who are required to be advised must do so before submitting a registration request. Non-degree undergraduate students may not enroll for more than eight semester hours. Students who have been previously enrolled in a degree program at ASU are not permitted to attend as non-degree students.

Residency Classification

Residency (tuition) status is initially determined by the Admissions Office at the time a student is admitted to the University. Non-resident students who feel they may qualify for resident tuition status must file a petition for reclassification no later than the last day of regular registration. For general information about the requirements, consult the ASU General Catalog or the web at <http://www.asu.edu/registrar/residency>. Residency classification is a complex process, and you are encouraged to petition early in the reclassification period. Spring petitions are accepted between November 1, 2004 and January 21, 2005. Failure to petition by the last day of regular registration constitutes a waiver of the student's rights for residency reclassification or appeal for the current semester. Deadline for the Spring reclassification petitions is **January 21**.

Mandatory Advising

Your college may require that you meet with an academic advisor as a condition of registering. Prior to registration, check with the college of your major to determine if you are in a mandatory advising category, or check your Registration Eligibility Status on the web at <http://www.asu.edu/interactive>.

Course Applicability System (CAS)

CAS indicates how each of the three Arizona public universities accepts transfer course work (numbered 100 to 299) from the Arizona public community colleges. For determination of how transfer courses apply toward specific degree requirements at ASU, students are encouraged to consult with an academic advisor and refer to the ASU Transfer Guides which are now available at <http://www.asu.edu/provost/articulation>.

CAS is available on the World Wide Web at the address above. The course evaluation and/or general studies designation as listed in CAS is valid for the term in which the student is awarded credit on the transcript. Any evaluation may be subject to change in subsequent versions of CAS due to changes in university or community college curricula. For additional information, contact your academic advisor.

Admission Competencies

New students are required to have completed a specified number of courses in the areas of English, Mathematics, Laboratory Science, American History, Social Science, Fine Arts and Foreign Language. Exceptions include students admitted by GED, students who have completed an AGECE, Associates' degree or higher and students 22 years of age or older by the first day of the semester. Students who need to meet admission competencies in one or more of these areas must satisfy the requirement within two years of the beginning of their first semester at ASU. Competencies in each area may be satisfied by earning a grade of "D" or better in an appropriate ASU course(s) as listed below:

Area	ASU Courses which may be used to meet basic competencies:
American History	Any one course: HST 109, 110
English	Any one course: ENG 101, 105, 107; WAC 101, 107
Fine Arts	Any one course: ADE 120; ARA 202, 303, 488; ART 111, 112, 115, 201, 261, 272, 274; ARS 100, 101, 102, 201, 202, 300; DAH 100, 300, 301, 302; DSC 120, 121, 122; IAP 101, 300; 331, 352; MHL 201, 344; MTC 125; MUE 310, 311; MUP 127; MUS 100, 340, 347, 353, 354, 355, 356; THE 100, 104, 220, 300, 320, 400, 401, 404, 405; THP 101, 102, 213, 311, 312

Registration Procedures, cont.

Foreign Language	Any two elementary foreign language courses in the same language or any foreign language course at the 102 level or higher for which at least the 101 level is a prerequisite. (i.e., SPA 101 and 102)
Laboratory Science*	
Chemistry	Any one course: CHM 101, 107, 113, 114, 117
Earth Science	Any number selection: 1. ABS 130 2. GLG 101 and 103 3. GLG 110 and 111 4. GPH 111 5. GLG 105
Life Science	Any one course: 1. BIO 100, 187, 188, 201 2. PLB 108
Physics	Any numbered selection: 1. AST 111 and 113 2. AST 112 and 114 3. PHS 110 4. PHY 101 5. PHY 111 and 113 6. PHY 112 and 114 7. PHY 121 and 122 8. PHY 131 and 132
Mathematics	Any one course: MAT 113, 114, 115, 117, 119, 170, 210, 260, 270, 290
Social Science	Any one course: ASB 102, (AND ASB 211 at ASU West); ECN 111, 112; GCU 102, 121, 141; HIS 101, 102; HON 172; HST 102, 103, 104; PGS 101; POL 101,110; POS 101, 110, 150, 160; SBS 300; SOC 101

* The laboratory science requirement is designed to demonstrate competency in three separate laboratory science areas. For example, if one lab science competency has already been met in life sciences either through high school work, in AP biology achievement test, or college course work, the other lab science courses must be selected from chemistry, earth science, or physics. Also, an advanced level course in an already met laboratory science area may be substituted for one subject area.

First-Year Composition

All new students or transfer students should enroll immediately in English composition classes and continue to do so every term until composition requirements are met.

University Testing Requirements

All new, transfer or readmitted undergraduate students who plan to enroll for 7 or more credit hours must meet the testing requirements outlined below.

Students who fail to meet these requirements will be withheld from future registration.

To meet English testing requirements, students **must** do **one** of the following prior to registration:

- A. Take the ACT English or SAT Verbal exam and have scores submitted to ASU.
- B. Receive a score of 4 or 5 for the Advanced Placement Exam in English offered by the College Entrance Examination Board and have scores submitted to ASU.
- C. Take the CLEP General Exam in English Composition with essay, earning a score that qualifies for placement in ENG 105, and have scores submitted to ASU.
- D. Have previously enrolled in ENG 101,102,105,107 or 108 at ASU; or have previously earned a grade "Y" or be currently enrolled in WAC 101 or 107 at ASU.
- E. Transfer a First-Year Composition course equivalent to ENG 101, 102, 105, 107 or 108 with a grade of "C" or better. An official transcript showing the grade must be received at ASU. If a student transfers an equivalent composition course from a public community college in Arizona, the equivalency will be automatically posted, and the student need take no further action. A student transferring a composition course from any other college or university must have the course evaluated for equivalency. The student must take a copy of both the transfer transcript and the catalog description of the course to the Writing Programs Office, Language and Literature Building Rm 314, (480) 965-3853. (A copy of the transfer transcript may be obtained at a Registrar Site.) If the course is determined to be equivalent, then the student will have satisfied the testing requirements.
- F. International students from non-English-speaking countries must take ENG 107 (or WAC 107, followed by ENG 107 the next semester) in the first semester at ASU, unless they have taken and transferred an equivalent composition course from a college or university in the U.S. Such a course must be evaluated for equivalency by the Writing Programs Office. See E. above.

Placement Exams

A. First-Year Composition Placement

Placement in First-Year Composition courses (WAC 101 followed by ENG 101 the next semester, or ENG 101, or ENG 105) is determined by the score earned on the ACT English or SAT Verbal exam. International students from non-English-speaking countries will be placed into First-Year Composition courses (WAC 107 followed by ENG 107 the next semester, or ENG 107) according to SAT, ACT, or TOEFL scores.

The ACT English exam may be taken once on campus at the University Testing Service, Payne B-302, at regularly scheduled times. Contact the UTS at (480) 965-7146 to make an appointment. Placement in First-Year Composition will be determined as follows:

	Exam score:	Register for:
Recentered SAT Verbal	460 and below	WAC 101
ACT English	18 and below	WAC 101
TOEFL	540 and below	WAC 107
Recentered SAT Verbal	470-540	WAC 101 or ENG 101 or ENG 107
ACT English	19-20	WAC 101 or ENG 101 or ENG 107
TOEFL	540-560	WAC 107 or ENG 107
Recentered SAT Verbal	550-650	ENG 101 or ENG 107
ACT English	21-28	ENG 101 or ENG 107
TOEFL	560 and above	ENG 107
Recentered SAT Verbal	660 and above	ENG 101 or ENG 105 or ENG 107
ACT English	29 and above	ENG 101 or ENG 105 or ENG 107

(SAT scores shown are based on the scale for the Recentered SAT English test which was first offered in April 1995. Scores on the SAT taken before April 1995 are converted to the recentered scale when entered on the computer.)

Qualified deaf and hearing-impaired students must receive authorization through Disability Resources for Students in order to register for an appropriate First Year Composition course.

Exceptions to these guidelines may be made for students who have taken the Advanced Placement Exam in English offered by the College Entrance Examination Board, the International Baccalaureate English A exam, or the CLEP General or Subject Exams in Composition, or for students enrolled in the Honors College. Contact the Writing Program Office at (480) 965-3853 for more information about Placement Testing for English.

B. Math Placement Exams

Students should not register for any mathematics course if they have not earned a C or better in the prerequisite course. Students who are unsure about prerequisites should consult with their advisors and refer to the Self-Advisement flow chart for ASU math courses. The Self-Advisement flow chart is available at the Undergraduate Mathematics Office, Physical Sciences A-211, and on the Mathematics Department web page at <http://fym.la.asu.edu/placement>.

The mathematics placement exams are used to provide additional information to those students who are unsure about their readiness for courses. Placement tests for the following classes are given the first two weeks of the semester: Intermediate Algebra MAT 106, College Mathematics MAT 114, College Algebra MAT 117 and Precalculus MAT 170.

A placement exam for Calculus and Analytic Geometry I (MAT 270) is offered the week before classes start in the Department of Mathematics Testing Center, PSA 21. Students must present a photo ID and their ASU ID number when taking the test. Please check with the Mathematics Department Undergraduate Office for a complete schedule of times. Examinations are also available throughout the first week of classes.

More information on placement testing is given during the first class meeting. If, after registering for the course and taking the placement test, the student determines that he/she should be in a different course, then the mathematics department will work with him/her to change the student's schedule.

General Studies Requirements

Students who were admitted or readmitted to an undergraduate degree program in, or after, the Fall 1987 semester must successfully complete a minimum of 35 credit hours of General Studies courses. See page 38-46 for additional information.

Registration Procedures, cont.

Immunization Requirement

Students born after December 31, 1956, will not be permitted to register without proof of TWO vaccinations of MMR (measles, mumps, rubella) at least one of which must have been given after 12/31/79, or a copy of laboratory test results which show immunity to measles (rubeola). If submitting by U.S. Mail, address to Student Health-Measles, ASU, PO Box 872104, Tempe, AZ 85287-2104 or FAX to (480) 965-8914. Allow two weeks for delivery and receipt by Student Health. MMR shots are available at Student Health for a fee. For more information, contact Student Health Measles Line, (480) 965-8177. Visit our web site at <http://www.asu.edu/health> for additional immunization and health requirements. To verify that your measles information has been received, go to <http://www.asu.edu/interactive> and select Registration Eligibility Status.

The Catalogs

The ASU General, the ASU West, ASU Extended Campus, and the Graduate Catalogs at <http://www.asu.edu/catalog> are the official references for detailed information on all aspects of the University. One catalog will be provided free-of-charge to each newly admitted or readmitted student, or catalogs may be purchased from the University bookstores. Questions about determination of catalog year for graduation requirements should be directed to your academic advisor.

The Schedule of Classes

Each student should read this publication thoroughly to obtain accurate information on registration procedures and course details. Please note the footnotes listed with many of the course offerings. Footnote descriptions are listed on page 196. Save this booklet for reference throughout the semester, then recycle. The Schedule of Classes is available at <http://www.asu.edu/schedule>.

A photo ID is required to process any of the above transactions in person.

In order to process any registration transaction in a student's absence, a third party must present their photo ID and written authorization signed by the student. A Registration by Proxy Form for this purpose is available on the web at <http://www.asu.edu/registrar/forms> or at the Records Information Office, Student Services 144, ASU West Registration & Records Services, University Center Bldg. Room 120, or ASU East, Registration Services, Student Services Quad, Room 350.

Declaration of Graduation/Program of Study

Prior to registration, ASU Main and East students who have completed 87 semester hours must file a Declaration of Graduation form for graduation. Contact the coordinator of advising for your college for additional information or go to <http://www.asu.edu/registrar/graduation>.

Students who are following the 1994-96 or earlier General Catalog requirements must file a Program of Study form instead of completing the Declaration of Graduation form. For details, Main and East students call the Registrar's Graduation Section, (480) 965-3256. ASU West students who have completed 81 semester hours must file a Declaration of Graduation or a Program of Study prior to registration. For information call (602) 543-8123, or contact your academic advisor.

FEES

Registration is not complete until all applicable fees have been paid. Registration fees must be paid by the specified deadline, or class registrations will be voided. Students with financial aid awards (loans, grants, scholarships, waivers) must acknowledge their intent to pay tuition with financial aid by the tuition payment deadline or class registrations will be voided. Detailed descriptions of tuition and special fees on pages 172-179.

Pre-Registration

Pre-registration is available to students who are continuing from Fall 2004 or have been admitted or readmitted for Spring 2005 and are eligible to register from October 25 - November 2, 2005. Pre-registration provides the best chance for you to get the classes you want. In addition, colleges may make adjustments to course capacities based on the number of student requests for courses during the pre-registration period. For these reasons, the University Registrar strongly encourages you to use this method of registration.

M-TH 7:00 AM - 9:00 PM
Fri. 7:00 AM - 9:00 PM
Sat. 7:00 AM - Noon
Sun. Noon- 6:00 PM

Follow These Steps

1. Meet with your advisor to have courses approved (if required by the university or your college/department). Check the advising procedures and requirements of your college or DUAS Academic Advising Services. Non-degree students may request approval at the department offering the course for which they wish to register. Students who are required to be advised prior to registering for classes must do so before submitting their pre-registration course request forms. **Note: You may check your registration eligibility status on the web at <http://www.asu.edu/interactive>.**
2. Web Access web pre-registration from the University Registrar's Interactive Services at <http://www.asu.edu/interactive>. Submit the request and print a copy for your records.

InPerson Fill out the course request form to request the section of the courses for which you have approval. Course request forms are available on the web at <http://www.asu.edu/registrar/forms>, in all departments and the Records Information Office. Submit the form to your advising office or the Records Information Office. Retain a copy for your records.
3. **Schedule/Billing Statements will not be mailed.** Beginning November 13, 2004 you can view the results of your pre-registration request, including reasons you were not scheduled in a class, on ASU Interactive at <http://www.asu.edu/interactive>. You may also call SunDial at (480) 350-1500 to hear a list of your scheduled classes. Billing information is scheduled to be available the week of November 13, 2004 on SunDial or on the web at <http://www.asu.edu/interactive> "Access Tuition Services". Fees are due by **December 14, 2004**. A reminder postcard will be mailed to your permanent address (U.S. addresses only) if you have not paid before this date. You can verify or update your address on ASU Interactive.
4. Pay your tuition. Registration is not complete until all applicable fees have been paid or classes have been held with financial aid/scholarships/waivers. See page 18 for payment instructions. Confirm your payment on the Internet at <http://www.asu.edu/interactive> "Access Tuition Services".

Note: You may choose to audit a course, in which case you attend and participate in the class, but do not earn credit. Obtain instructor's approval before registering and paying fees. Refer to the General Catalog and see an academic advisor for additional information about audit enrollment.

3. Pay Your Tuition Pay any additional fees which may be required. See pages 18-22 for fee payment deadlines and instructions.

Note: If you are registered for a class that meets for the first time on Monday, January 24, 2005, you may drop that class and add one compensating class through Tuesday, January 25, 2005, without obtaining a signature(s) normally required for a late transaction. These transactions must be processed in person at any Registrar Site. All other registration and eligibility edits remain in place. All other late transactions continue to require the appropriate signature(s).

Instructor-Initiated Drop Option

The instructor of a course has full authority within departmental or other higher-level policies to decide whether or not class attendance is required. During the second week of classes in Fall or Spring, or the first four days of each Summer Session, the instructor can drop a student for non-attendance. In classes which are full, this will allow accommodation of other students requesting the class and help instructors avoid excessive overrides.

Instructor-initiated drops for non-attendance must be based upon concrete evidence of non-attendance and be signed by the Dean or Dean's Designee in the college offering the course. The college will notify the student by mail at the student's currently posted local address. Nothing in this policy contradicts any other policy regarding attendance, religious holidays, or the student(s) responsibility to notify the instructor in case of absences.

Note: Students should be aware that non-attendance will not automatically result in being dropped. Instructors have the right to exercise this option at their discretion. It is also the student's responsibility to contact the instructor before the end of the first week of classes if absences during that period cannot be avoided.

Extended Hours

Evening Registration services are available in the Records Information Office, located in the Student Services Building, SSV 144, Monday-Thursday, 5:00-6:30 PM, January 10-13 and January 18-20.

Available services include class registration, drop/add and withdrawal, schedule reprints, official and unofficial transcripts, enrollment verification, curriculum changes, and distribution of forms (admission and readmission forms, financial aid brochures, etc.)

Before taking advantage of the extended hours, remember that

- * if you are not a continuing student from Fall 2004, you must be admitted or readmitted to the university through one of the admitting offices before you can register for classes;
- * selected students must be advised before registering for classes; and
- * admitting offices, advising offices and departmental offices are not necessarily open during these evening hours. Please call those offices directly for operating hours before making a trip to the campus.

SunDial Touch-Tone Telephone System

SunDial Phone Number (480) 350-1500

SunDial is a convenient method of processing registration and fee payment transactions from any location via touch-tone telephone. Although SunDial is not available for pre-registration, you should participate in pre-registration whenever possible. See page 12. After you pre-register, you can still use SunDial to drop/add, hear a list of your classes, pay your fees and learn your final grades.

ASU PIN

The ASU PIN (personal identification number) is the security feature that allows students to access services on the telephone. To set your PIN, call SunDial and enter the month and the day of your birth (e.g., July 9 = 0709) when prompted for your PIN. Once you enter this, the system will prompt you to select a new 4-digit ASU PIN. This will be your permanent ASU PIN. Try to choose a number that you will remember, but someone else could not guess easily. You are responsible for the use of your PIN whether by you or anyone else. If you feel you need to change your PIN for security reasons, you may go to <http://www.asu.edu/interactive>. For assistance with your ASU PIN, contact the Records Information Office (480) 965-3124.

- (1) VISA/MasterCard, Discover, and debit card payments through SunDial are processed on-line with the bank. Bank of America is the proud sponsor of the bankcard segment of ASU's SunDial System. Note: To use your Debit Card, you may need to increase the Daily Card limit with the issuing bank.
- (2) Payment by Employee Waiver, Department Billing, or Government/Embassy Sponsorship. Arrangements must be finalized with the Tuition Payment Office by the applicable payment deadline or classes will be dropped and registration voided. (See Page 20 for instructions on processing Employee Tuition Waivers.)
- (3) Mailing Address: Tuition Payment, Arizona State University, Student Services Building Room 230, P.O. Box 870203, Tempe, AZ 85287-0203.
- (4) If paying in cash at ASU Cashiering Services, entire payment must be in cash or combination of cash and check. Cashiering Services closes at 4:30 PM all nights. Payments in cash are accepted only at the Cashiering Services office during regular office hours.
- (5) Tuition payments received after December 14, 2004, but prior to the purge of classes for non-payment on December 16, 2004, will only be processed if there is time, in which case a \$35 late payment fee will be assessed. (Registration activity is not permitted on December 15, 16, 2004.)
- (6) Available in the center of the Schedule of Classes or at www.asu.edu/registrar/forms, "Registrar Forms", Tuition Method of Payment.
- (7) Available until January 24, 2005.

Tuition Payment, cont.

Returned Checks

- A \$15 fee is assessed for returned checks. If not resolved in 5 working days, an additional \$12 fee will be charged.
- After 5 additional days, students are subject to withdrawal from classes, and will be billed for semester charges, per the refund schedule.
- A stop payment check results in withdrawal as of the date the check is returned, and billing for any fees that would not be refunded per the refund schedule.
- Students withdrawn may not attend classes.

Tuition Installment Plan

The tuition installment plan provides students with an option to budget payment of their tuition over several months. Students may enroll in the tuition installment plan and hold their classes through SunDial (480-350-1500), through ASU Interactive at <http://www.asu.edu/interactive> “Access Tuition Services”, in person at the Tuition Payment Office, or by mail utilizing the Method of Payment card in the center of the Schedule of Classes. Students must reenroll in the plan each semester.

Tuition will be billed in three installments due on January 25, February 25, and March 25. Billing statements will be mailed in early January. To pay tuition and fees after enrolling in the tuition installment plan, log onto ASU Interactive and select “Pay Your Accounts Receivable Balance by Credit Card.”

Students enrolling in the tuition installment plan will be charged a per semester administrative fee of \$75 to cover costs associated with enrollment in the plan. The fee is due at the same time as the first tuition installment. The fee is nonrefundable, even if students withdraw from classes.

All students are eligible to enroll in the tuition installment plan after they register for classes, with the exception of students owing past-due charges. Enrollment in the plan is an available option through the end of the first week of classes. Students receiving financial aid may choose to enroll in the plan but financial aid will pay all tuition charges, including the three tuition installments, and other current due charges prior to being refunded to the student. **Students with financial aid continue to have the option to hold their classes at no extra cost rather than enrolling in the plan.**

Once a student enrolls in the tuition installment plan for a given semester, he or she will not be withdrawn from classes during the current semester. Students must withdraw from classes if they decide not to attend. If students enrolled in the plan do not make scheduled payments, the students are prohibited from registering for classes in the future semesters and are blocked from receiving university services, such as transcripts. Former students with outstanding tuition charges are referred to an outside collection agency.

Holding Classes with Financial Aid (Including Scholarships and Waivers)

After registering for classes, students must hold classes with financial aid by the tuition payment deadline (see page 18) or your classes will be dropped. This is a separate process from accepting loans.

- To acknowledge intent to hold classes with Financial Aid: Log onto <http://www.asu.edu/interactive> and select the option “Access Tuition Services”; or Call SunDial at (480) 350-1500 and select the tuition payment option.
- **Acknowledging intent to hold classes with financial aid completes the registration process. If you decide not to attend classes, you must officially withdraw from the University.**
- Acknowledgement will hold your classes regardless of the amount of expected financial aid. All tuition and fees will be billed in one installment due February 25. **If your financial aid does not cover all of your tuition and fees you will be responsible for these charges and you will receive an Accounts Receivable billing statement after the semester begins.**
- To pay tuition & fees after holding classes with Financial Aid, log onto ASU Interactive and select “Pay Your Accounts Receivable Balance by Credit Card”.
- After acknowledging intent to hold classes with financial aid, classes will be held even if aid becomes unavailable or is inadequate to pay all tuition and fees. Registration will **not** be cancelled during the tuition refund period. (Students may be involuntarily withdrawn for non-payment late in the semester if tuition and fees are not paid, but will still be responsible for tuition charges in accordance with the tuition refund schedule.)
- Refunding of remaining financial aid begins on or about the first day of classes. See page 28.
- **Taxability of Scholarships and Fellowships** Scholarships, grants, fellowships and stipends (but not loan funds) are taxable income to the recipient, except for the portion of these funds used for tuition, registration, other university fees, and books, supplies and equipment required for the courses being taken. Special tax regulations also apply to nonresident alien students and may require withholding of taxes at the time of aid disbursement to these individuals. Information on the taxability of scholarships can be obtained from the following IRS publications and forms: Pub 4 - Student’s Guide to Federal Income Tax, Pub 520 - Scholarships and Fellowships, Pub 519 - U.S. Tax Guide for Aliens, Form 1040EZ and instructions - Income Tax Return for Single and Joint Filers with no dependents, Form 1040 NR and Instructions - U.S. Nonresident Alien Income Tax Return. These publications and forms can be obtained from the Internal Revenue Service at their toll-free number 1-800-829-FORM. These publications and forms can also be obtained from the Internet at the URL address of <http://www.irs.gov>.

Holding Classes with Financial Aid (Including Scholarships and Waivers) Cont.

- The Student Financial Assistance Withdrawal Policy will apply when a student receives financial aid funds and withdraws, drops out, takes an unapproved leave of absence, fails to return from an approved leave of absence, is expelled, or otherwise fails to complete the period of enrollment for which he or she was charged. See page 24.
- Students with loans who would like to cancel or reduce their loans must inform the Student Financial Assistance Office in person within 14 days of the disbursement.

Sponsorship by Governmental Agencies*

Tuition

- Go in person to the Tuition Payment Office. Failure to do so by the tuition payment deadline will result in loss of classes.
- Acceptable letter of authorization must be submitted to the Tuition Payment Office by February 22, 2005.
- A \$35 per semester Sponsored Tuition Fee will be assessed to each sponsored student. The fee will be billed to the sponsor at the same time as tuition and will be billed on the student's account along with other tuition and fees.
- Students who are required to have insurance and are using coverage through their sponsor must receive authorization from the International Programs Office, Student Services Building, Room 265.
- Sponsored students are responsible for all tuition, fees, and late charges if sponsoring agency fails to pay by the due date of invoice.
- Governmental Agencies must have offices in the United States.

Books/Supplies

- Sponsored Students must purchase books at the ASU Bookstore from January 3 to February 5.
- Self-purchase receipts must be turned in at Student Accounts before February 7.
- The minimum receipt amount is \$5.00, and the items must not be available at the ASU Bookstore. (Limited to one reimbursement per semester.)
- For additional information call (480) 965-2436.

Employee Reduced Instate Tuition

- Partial waivers are available to faculty and staff who are employed at least 50% time within the State University system, their spouses and dependent children. Employees must fill out the Employee Reduced Instate Tuition (Employee Waiver) Form for their particular campus or institution. Forms can be obtained at Human Resources, the Tuition Payment Office, or at <http://www.asu.edu/hr/forms> on the Internet. Mail completed forms to be received by the tuition payment deadline, along with your Schedule/Billing statement to the Tuition Payment Office, Arizona State University, PO Box 870203, Main, AZ 85287-0203 (Campus Mail Code 0203), or place in drop boxes located in the Student Services Building on the first or second floors, or fax to (480) 965-9242. Your non-waived portion of the tuition will be billed to you at a later date through the accounts receivable system. Please submit early.
- Non Residents are not eligible for Tuition Waivers. Please contact Residency Classification. Residency processing can be time-consuming, so apply early.
- You must be employed on the first day of the semester to be eligible for employee reduced in-state tuition.
- Employee Tuition Waivers must be processed by the Tuition Payment Office by the 35th Day of the Semester, February 21, 2004.

Graduate Assistants

- May receive a full or partial waiver/scholarship of nonresident and resident tuition. See Holding Classes with Financial Aid (including Scholarships and Waivers) on page 19.

Registration is not complete until all tuition and fees have been paid or classes have been held with financial aid. The tuition payment process must be completed by the student on or before the tuition payment deadline (see page 18).

Professional Program Tuition

Certain Graduate and Undergraduate programs assess an additional program tuition. Program Tuition differs according to college and/or program. Contact your program advisor for details on these fees.

Arizona Students Association (ASA) Fee

The Arizona Students Association is a non-profit, higher education, advocacy organization that represents Arizona public university students to the Arizona Board of Regents, State Legislature, and U.S. Congress. During 1996-1997, students at the state universities voted to change the mechanism for funding the ASA to a \$1.00 fee, which will be charged to each student each semester. Any refunds for this fee will be provided through ASA Central Office at 1-877-294-6900 or pickup a refund form to complete from the ASASU Business Office in the Memorial Union Room 311. The refund forms will be available at ASASU for the first 21 days of classes.

Financial Aid Trust Fee

All students are assessed a mandatory fee to create a Financial Aid Trust Fund, from which Financial Aid Trust Grants are awarded under the usual financial aid eligibility criteria. Fees collected from students are matched by the State of Arizona. For academic year 2004-05, students enrolled for seven hours or more are charged \$39 per year; \$20, Spring, \$19 Fall semester and all other students are charged \$10 per semester. The Financial Aid Fee is not refundable on or after the first day of the semester.

Student Recreation Complex Fee

All students attending class on the Main campus are assessed a mandatory fee to fund the Student Recreation Complex, as approved by a student referendum in the Fall of 1985. Students enrolled for seven or more hours are charged \$25; those enrolled for one to six hours are charged \$12. Faculty/staff who are also students are not assessed the recreation center fee with their other registration fees, but may pay an optional fee at faculty/staff rates. The Student Recreation Complex Fee is refundable only upon complete withdrawal in percentage increments per the refund schedule.

Music Fees (Private Lessons)

1/2 hour of instruction per week	\$60.00
1 hour of instruction per week	\$100.00

Late Fees

All students who register beginning with the first day of the semester will be **assessed a late registration fee of \$50.00**. Registration after the published deadline may be permitted under extraordinary circumstances if approved by an authorized College designee. Late fees are not refundable. A **\$35 late payment fee** will also be assessed on registration payments received after the fee payment deadline on **December 14, 2004**, but processed before the class enrollment purge on December 16, 2004.

Fee Receipts

For students requiring tuition receipts for insurance, reimbursement or other reasons, a detail tuition billing statement is available on the Internet at <http://www.asu.edu/interactive>, "Access Tuition Services". For in-person assistance or additional documentation, visit the Tuition Payment Office on the 2nd floor of the Student Services Building.

Education Tax Benefits

You or the person who claims you as a dependent on their federal tax return may be eligible for either the Hope or the Lifetime Learning tax credit or a tax deduction for education expenses. You may view your tax credit information on Form 1098-T at <http://www.asu.edu/interactive>.

Additional information about these tax benefits can be found in IRS Publication 970, *Tax Benefits for Higher Education*, available at the Student Business Services web site <http://www.asu.edu/sbs> or at the IRS web site <http://www.irs.gov/formspubs/index.html>. You may also want to consult your personal tax advisor about eligibility for the education tax credits or education expense deduction.

Student Health Insurance

- Group health insurance is available to undergraduate students registered for seven or more hours, graduate students enrolled in degree programs, and international students.
- Select health insurance as part of the registration process and pay the full premium for the semester with registration fees at the Tuition Payment Office.
- International students. Cost of insurance is automatically added to registration fees. For inquiries, go to the Student Health and Wellness Center, Room A179.
- Late or insufficient payment of premiums will result in charges to student account for remainder of premium owed.
- Coverage may be added or dropped until January 31, 2005.
- Complete withdrawal from the University on or before January 31, 2005, will result in cancellation of coverage and a full refund of premiums paid. Exceptions may be allowed if withdrawal is due to a documented medical condition.
- For further information on eligibility, cost, payment options, coverage limits and coverage for spouses and dependents, contact the Student Health Insurance Office at (480) 965-2411.

Refunds

22

Institutional Refund Policy

This refund schedule applies to all students, including all classes regardless of starting date.

Before the first day of the semester (January 17*)	(minus \$35) 100%
January 18 - 23	80%
January 24 - 30	60%
January 31 - February 6	40%
February 7 - 13	20%
February 14 and after	none

Saturday and Sunday processing is only available through SunDial and ASU Interactive.

A minimum of \$35 will be retained by the University, regardless of the refund percentage. Refund checks will be made payable to the student and mailed to the student's current address (as listed with the University Registrar) after the refund period. All refunds will be made net of any amounts due the University.

* There is a 100% adjustment of fees for decreases in total hours registered (except for complete withdrawals) during the drop/add period ending January 23, 2005.

Delinquent Financial Obligations

Students with delinquent accounts will not be allowed to register for classes, receive cash refunds, or obtain official transcripts or diplomas. University billings not paid by the due date are subject to a **late charge** at 30, 60, 90 and 120 days past due. The monthly late charge for past due balances between \$20-\$100 is \$15, for balances between \$101 - \$1,000 is \$25 and for balances greater than \$1,000 is \$50.

ASU Interactive Website, SunDial & In Person Withdrawal

Students who wish to delete one or more courses from their schedule after the drop/add period must follow the appropriate withdrawal procedure described below. Withdrawal results in a mark of "W" on your transcript for each course involved.

Course Withdrawal*

Course withdrawal is the process used to withdraw from one or more courses (but not all courses) in which you are registered for the semester. Through the end of the first week of classes, you may drop a course(s) by following the procedure described. After the first week of classes, follow these steps to process a course withdrawal:

January 24 - April 3	SunDial	Call (480) 350-1500. See hours of availability on page 15.
January 24 - April 3	Web	Select Class Registration Services at http://www.asu.edu/registrar . See hours of availability on page 15.
January 24 - April 1	In Person	Complete and process a Withdrawal form, which can be obtained at any Registrar location or on the web at http://www.asu.edu/interactive .

Complete Withdrawal*

The complete withdrawal process is used to withdraw from all courses for the semester. Follow these steps:

January 24 - May 3	In Person	Complete and process a withdrawal form which can be obtained at any Registrar location or on the web at http://www.asu.edu/registrar/forms .
January 24 - May 3	SunDial	Call (480) 350-1500.
January 24 - May 3	Web	Select Class Registration Services at http://www.asu.edu/interactive See hours of availability on page 15.

* To determine whether you will be eligible for a refund after withdrawing, see the Refund schedule on pages 22, 24.

Circumstances may require a complete withdrawal from the university for a semester in which a student is already registered. The effect of complete withdrawal on financial aid may differ depending on when the withdrawal is processed, however in all cases financial aid must be recalculated.

Official Complete Withdrawal

Federal regulations require the recalculation of Title IV financial aid in cases where a student received financial aid and officially withdrew on or before the point at which 60% of the semester has lapsed. (See page 23 for complete withdrawal instructions.) If a return of aid is required, ASU returns the unearned portion of Title IV financial aid funds to the Federal Programs on behalf of the student. Any return of financial aid funds made by the University will be charged to the student's university account. Payment to the University will be due on demand.

Title IV funds include the Federal Pell Grant, the Federal Supplemental Educational Opportunity Grant (FSEOG), the Federal Perkins loan, the Leveraging Educational Assistance Partnership (LEAP), the Federal Direct Subsidized and Unsubsidized Student loans and the Parent PLUS loan. Federal Work Study earnings and non-Title IV aid are not included in this formula. However, the student may not continue to work under the Federal Work Study program after their official date of withdrawal.

Unearned financial aid must be returned according to the order listed below:

- Unsubsidized Federal Direct Student Loan
- Subsidized Federal Direct Student Loan
- Federal Perkins Loan
- PLUS (Parent Loan)
- Federal Pell Grant
- FSEOG
- LEAP

Federal Title IV financial aid is recalculated based on the number of days attended. The percentage of unearned aid to be returned is equal to the number of days remaining in the semester divided by the number of calendar days in the semester; the date of withdrawal is counted as a completed day. Scheduled breaks of more than 4 consecutive days within a semester are excluded.

Students may be entitled to a post-withdrawal disbursement of Title IV financial aid that has not yet been disbursed.

Unofficial Complete Withdrawal

A significant financial and academic penalty is incurred when a student stops attending classes but does not initiate an official withdrawal prior to the end of the semester, including repayment of financial aid, assignment of all "E" failing grades for the semester and assessment of full tuition and fees.

Official documentation of attendance in an academically related activity is required. If documentation is not provided by the student within the time frame specified on the notice mailed to the student by the ASU Financial Assistance Office, the student will be required to repay all financial aid received for the semester on demand. If attendance can be documented, the student will be required to repay up to 50% of the Title IV financial aid received for the semester on demand.

Military Withdrawal

To completely withdraw due to military activation, immediately contact the Veterans Services Office at (480) 965-7723. Military activated students will receive some regulatory relief in the recalculation of financial aid and the calculation of tuition and fee charges.

Extended Education

Extended Campus Credit Courses

Through the College of Extended Education, off campus credit courses extend the University's resources to local, regional, national and international locations. Courses are scheduled throughout the metro area at times and locations convenient to working adults.

All credit courses offered off-campus by Arizona State University, whether live, through technology, or via Independent Learning, are delivered through Extended Campus, in partnership with other ASU colleges.

Credits earned off-campus, except Independent Learning courses (formerly "Correspondence Study"), are recorded on a student's permanent record in the same manner as those earned on-campus, and both are equivalent in all academic considerations.

Evening Degree Programs

ASU is committed to extending access to its resources to a broad spectrum of the community, including working adults. The College of Extended Education collaborates with ASU's academic colleges to offer students of all ages the opportunity to complete a bachelor's degree during evening hours in select areas: English, History, Political Science, Psychology, Religious Studies, Sociology, Housing and Urban Design and Communication. These evening courses can be found in the Main section of the schedule. See page 51 for complete list.

For additional information on extended campus credit courses and evening degree programs, call Academic and Professional Programs in the College of Extended Education at (480) 965-9797.

Winter Session

A three week inter-session is scheduled from December 28, 2004 through January 14, 2005. Students may enroll in one course and earn up to three credits. Winter Session enrollments and grades are recorded on Fall 2004 transcripts. Courses are most often held on the Main campus and during morning hours on a daily basis, Monday through Friday. The cost per credit hour is the current Resident ABOR rate. Payment is due at the time of registration. All registrations are taken by Extended Education Academic & Professional Programs, Ritter Building, B-132. Students may register by calling (480) 727-9900 using VISA or MasterCard. Registration for Winter Session will begin October 1, 2004. The condensed format for Winter Session courses and separate registration procedures necessitate a unique calendar for Winter Session withdrawal activity. For Winter Session policies, procedures, and course information, contact Academic and Professional Programs at (480)965-9797. Winter Session Class Schedules are available at the University Registrar's Office and college advising offices. See Page 51-52 for a listing of Winter Session Classes.

Special Programs Classes

International Programs

ASU offers over 200 semester and academic year Study Abroad and Exchange programs in nearly 50 countries. Study Abroad programs are usually designed for ASU students to focus on a particular subject area and include—but are not limited to—intensive language, culture and area study programs. Exchange programs offer direct enrollment in regular university courses in a partner institution abroad. Students earn 12 to 18 ASU credits (not transfer credit) per semester while participating in an IPO program abroad. Application deadlines are: **October 1**, for most spring programs, and **March 1**, for most fall and academic year programs. Interested students can obtain information at the International Programs Office (IPO), Tempe Center 198, (480) 965-5965. Please visit the IPO Website at <http://ipo.asu.edu> to discover our world of options or to complete the on-line eligibility application.

Campus Match

Campus Match is a unique opportunity for freshmen to spend their first semester in a learning community. Groups of no more than twenty-five students who share similar academic interests are clustered together in a core of the same classes. Campus match students take two three-credit general studies courses and a 1-credit student success seminar (UNI 101) together, in addition to other courses of the student's choice. UNI 101 is a seminar led by a peer facilitator in which students form study teams, discover campus resources, and become oriented to the diverse campus culture. Campus Match is the ideal program for anyone looking to ease the transition from high school to ASU. For more information call the Campus Match staff at (480) 965-0259.

The Service Learning Program

Service Learning is an interactive way to connect course work to the community. Students enroll in Service Learning sections of courses in multiple discipline areas and earn 3 separate upper-division credit hours for a service internship. Students can also enroll in just the service learning internship after they have taken the linked course. In after-school internships, students engage at-risk children in reading and learning activities two or three afternoons a week. In science and math internships offered during the school day, interns lead small groups of children in hands-on science and math activities. Students can also learn to present one-hour science demonstrations at K-12 schools. The internships satisfy community service requirements, non-lab science requirements for Liberal Arts majors, and enhance students' resumes. Look for footnote flag #34, visit the Service Learning Program's web site <http://www.asu.edu/duas/servicelearning> or call (480)727-7633 for more information.

First-Year Seminar

First-Year Seminar classes allow freshmen to explore a topic of interest in a discussion-rich, small group setting. The seminars represent the full range of the Liberal Arts and Sciences disciplines, with selected offerings in other colleges. The classes are graded on a pass/fail basis, and students receive one credit toward graduation requirements. Generally the classes meet for one hour each week; however, some classes include field trips or films which may require participation beyond the scheduled time. All of the classes involve discussion and a lively exchange of ideas. Contact your academic advisor for a complete description of the First-Year Seminars.

CLAS Learning Communities

The College of Liberal Arts and Sciences offers freshman (and in the near future, sophomores) a special learning experience in thematically-based, integrated course clusters called "learning communities". The courses in these 9- and 12-credit clusters allow freshmen to explore an important topic in depth, in mainly small classes, while earning a number of General Studies credits and completing their University Writing Requirement. The learning communities give students an opportunity for lots of discussion time with faculty along with occasional special guest lectures, field trips, and regular help from student peer tutors. Students registered for learning community courses also may sign up to live in CLAS Learning Community residence hall, Palo Verde West. The program also welcome non-residential students. See the website for more information: <http://www.asu.edu/clas/lcsite/>.

Freshman Year Experience

The **Freshman Year Experience** (FYE) is a University-wide initiative designed to provide a strong foundation for all freshmen that will foster both their academic and personal success through academic support services, faculty interaction, and involvement with the university community. FYE services include academic advising, tutoring, academic classes (i.e., Eng 101 & 102, UNI 100, HIS 104, MAT 117, etc.), computing facilities, leadership opportunities and a series of programs that assist students with personal and academic development. FYE service sites include Cholla, Palo Verde East, West, & Main, Manzanita, McClintock, Sahuaro, Sonora, and San Pablo residence halls. For more information regarding FYE services please call (480) 965-1512 or visit us at <http://www.asu.edu/fye>.

University 100 (UNI 100)

University 100 (UNI 100) is a 3 credit hour comprehensive student success course designed to assist in the development of effective academic strategies and to promote an understanding of human diversity, values and perspectives as they relate to overall student success at ASU. Curriculum covers orientation to ASU resources, diversity and understanding campus cultures, time management, note-taking, text reading, test preparation, library use, academic planning and career decision making. You will have an opportunity to meet and work closely with other students in a small class setting. Each section holds only 19 students so register early! For more information contact the UNI 100 office at (480) 965-0259. For a listing of the UNI 100 classes in the Schedule of Classes, look under Division of Undergraduate Academic Services.

General Services

General Services is multifunctional information and services about admission, registration, tuition payment, and financial aid, in addition to general information about the university and many of its programs. Information and services are both available at main campus, Undergraduate Admissions, Student Financial Assistance, the University Registrar's Records Information counter, and in various academic advising units. General Services is a collaborative effort of the Student Process Reengineering Project (SPRP).

General services and information are also available at the OASIS, QUAD 2 at ASU East.

Veteran's Educational Benefits

Veterans and eligible dependents must apply for veteran's educational benefits and verify their status each semester. Certification for benefits may be initiated effective with the distribution of scheduling/billing statements. Distance Learning classes have Veterans Education Benefit restrictions. Veterans may not collect benefits for audited classes. For more information, contact the Veterans Services Office:

ASU East Campus, QUAD 4, (480) 727-1632.

ASU Main Campus, Student Services Building, 148, (480) 965-7723.

ASU West Campus, University Center Building, UCB-120, (602) 543-8220

Student Addresses

Local, permanent and billing addresses are maintained on each student. It is extremely important that students notify the University by either completing a change of address form at any registrar location or accessing the University Registrar's Web site at <http://www.asu.edu/interactive> when their addresses change. See page 188-189 for information about release of student addresses and other directory information.

Voter Registration

As a service to Arizona State University students, Arizona Voter Registration forms are available in the literature racks in the following ASU locations:

ASU Main Campus

Student Services Building
Disability Resources for Student - Lobby

ASU East Campus

OASIS, QUAD 2

ASU West Campus

Admission Services

Or, if you prefer, from the following web site you may link to the Arizona Secretary of State's office web site to request that a voter registration form be mailed directly to you: <http://www.asu.edu/registrar/general/voter.html>

General Information, cont.

Student Identification (Sun Card)

Students are required to provide ASU ID in order to receive many ASU services, gain access to educational records, or access buildings, classrooms, and labs. The ASU ID is called the Sun Card. Each admitted student is eligible for a Sun Card. All Sun Cards cost \$25, which may be paid with cash, check, visa, mastercard, or applied to the student's university account. To get your Sun Card, go to one of the locations below. You will need to know your ASU ID number and will need to show a photo ID (driver's licence, passport, etc.) as proof of your identity. Call (480) 965-CARD (2273) for more information.

Sun Dollars

Sun Dollars are needed to pay for certain university services such as printing in computer labs. They can also be used to pay for books, food, and just about anything else on the East, West, and Main campuses at over 300 locations including over 60 locations off campus in Tempe. For more information call the Sun Card Office at (480) 965-2273 or on-line at <http://www.suncard1.com>.

ASU Main

Sun Card photos are taken at the Sun Card Office on the lower level of the Memorial Union. Office hours are: 8:00 AM - 5:00 PM Monday - Friday

During the week before and the first 2 weeks of the Fall and Spring semesters the Sun Card Office will stay open until 6pm on Tuesday and Wednesday. Please see the calendar on page 2 for University holidays.

ASU East

Sun Card photos are taken in the Bookstore in the Student Union building during regular business hours. Call (480) 727-1762 for more information.

ASU West

The Sun Card Office is located in the Bookstore in the University Center Building and is open during regular business hours. Call (602) 543-5000 for more information.

ASU Main, ASU East and ASU West Campus Environment Teams

The Campus Environment Teams (CET) are advisory groups to the President/Provost established for the general purpose of providing on-going activities to promote a positive campus environment for faculty, staff, and students. CET's service to the university community is to support a campus environment that values diversity, fosters respect for all individuals regardless of their status, and protects free speech and academic freedom. CET welcomes contact from individuals who need assistance in these areas and will act as a referral source, provide education, information and respond to those issues brought to the team. For further information call:

ASU Main (480) 965-4840 at <http://www.asu.edu/president/cet>.

ASU East (480) 727-1540, ASU West (602) 543-6216.

Off Campus Student Services – ASASU

A variety of services, particularly helpful to students who commute, are available at ASU. The office of Off-Campus Students Service (OCSS) sponsored by Associated Students (ASASU), offers services oriented to Off-Campus students. OCSS provides aid in locating Off-Campus apartments and guides to off-campus living. For more information, call the office of Off-Campus Student Services at (480) 965-6246.

Discrimination Complaints

Any complaint of alleged discrimination or harassment in employment, educational programs or activities because of race, color, national origin, religion, sex, gender identity, sexual orientation, age, disability, other protected veteran status or Vietnam era veteran status may be filed with the Office of Equal Opportunity/Affirmative Action for investigation and resolution. Any employee or student may visit with the director, or an assistant director, to discuss, in confidence, any concern without fear of jeopardizing job or academic standing within the University. The office is located in Administration B-Wing, Room 171, (480) 965-5057, TTY (480) 965-0471.

Counseling and Consultation (C&C)

Counseling and Consultation (C&C) provides confidential psychological and psychiatric services for enrolled ASU students. The staff can help students with most mental health and personal concerns. To set up an appointment on the Main Campus, stop by at the Student Service Building, Room 334, or call (480) 965-6146. You may also access our web site at <http://www.asu.edu/vpsa/counseling>. East Campus Student Counseling Services, QUAD 4, or call (480) 727-1255.

FLASH

FLASH (Free Local Area Shuttle) service is approximately every 10 to 15 minutes Monday-Friday. FLASH is a great way to get around ASU particularly for the many students who park in Lot 59. The FLASH Forward operates in a clockwise direction and FLASH Back operates in a counter-clockwise direction. The FLASH **To University** services those needing route service on University Drive to and from Lot 59. The FLASH offers a convenient transportation alternative to get you where you need to go at ASU and downtown Tempe.

- Regular service hours for all FLASH services are as follows:
 - FLASH Forward: M-TH, 7:00am -10pm (6:00pm on Friday)
 - FLASH Back: M-F, 7:00am - 6:00pm
 - FLASH to University Drive: M-F, 7:00am - 6:00pm

The last bus leaves ASU Lot 59 at approximately 9:40pm. (5:40pm on Fridays) and arrives back at ASU Lot 59 at 10:00pm (6:00pm on Fridays). For more information, call (480) 965-1072, or visit our web site at <http://www.asu.edu/dps/pts>.

Parking Permits

ASU campus specific decals are required to park on all campuses. Vehicle license plate number(s), photo ID, and completed parking permit application must be provided at the time the decal is purchased. Purchases by proxy may be made by presenting a letter of authorization from the purchaser and the photo IDs of both the purchaser and the proxy.

Residence Hall Parking decals require a Residence Hall Check-in form signed by the Hall Director.

Temporary permits, meters, and hourly visitor lots are available for visitors.

To purchase a Main or West Campus decal by telephone, call SunDial at (480) 350-1500. You may pick up a SunDial Parking worksheet at the University Registrar's Office or Parking and Transit Services. Parking worksheets are also available on our web page at <http://www.asu.edu/dps/pts/decals>. For further decal sale information call (480)965-6124.

ASU Downtown Center (Phoenix) students should call (602) 965-3046 for parking information.

ASU East students should call (480) 727-1081 or visit Decal Sales in QUAD 2 (Bldg 350)

ASU West students should call (602) 543-PARK.

ASU Main/West Shuttle Service . The ASU West Express is a shuttle that operates between ASU Main and ASU West during regular semesters. Trips are scheduled Monday-Thursday between 6:10 AM and 9:45 PM and on Friday between 6:10 AM and 5:45 PM. Books of ten tickets are available from the campus Cashiering Office and ASU Main Parking and Transit Services for \$20.00 (\$2.00 each way). The cash price at the bus is \$3.00 each way. For more information or an updated schedule, call (480) 965-1072 or (602) 543-PARK. Also visit our web site at <http://www.asu.edu/dps/pts> or <http://www.west.asu.edu/adaff/auxs/parking/expshltserve.htm>. The shuttle does not provide service on university holidays, during semester and Spring breaks or during the summer.

ASU Main/Mesa Community College/ASU East Shuttle Service. The ASU East shuttle bus service operates Monday-Friday from 6:05 AM to 9:45 PM with regular stops at ASU Main, Mesa Community College, and ASU East. Books of ten tickets may be purchased for \$20.00 at Cashiering Services on both the Main and East campuses as well as the MCC Bookstore. The cash price at the bus is \$3.00 each way. Call (480) 965-1072 or (480) 727-EAST; also visit our web site at <http://www.asu.edu/dps/pts> or <http://www.east.asu.edu/admin/shuttle.htm> for more information. Schedules are available in QUAD2, (Bldg. 350) at ASU East. The shuttle does not provide service on university holidays, during semester and Spring breaks.

Student Account Refunds (Disbursement)

Financial aid is posted to your student account and used to pay university charges such as tuition and residential life fees. Refunds of excess financial aid will be processed beginning the week before classes and will continue to be processed throughout the semester. You may view details of your student account, including financial aid refunds, on the internet at my.asu.edu by adding My Accounts Receivable to the my ASU Portal.

Note: To receive your financial aid refund beginning the week before classes, you must register for classes, complete your financial aid packet, and accept your loans at least two weeks before the semester begins. Financial aid refunds will be mailed or direct deposited to your bank account.

Direct Deposit to your bank account is available and is the most convenient way to receive student account refunds. Direct Deposit enrollment is available over the Internet on ASU Interactive at www.asu.edu/interactive "Student Account Direct Deposit Enrollment". Further information is available on the Internet at www.asu.edu/sbs or in the Student Accounts office on the 2nd floor of the Student Services Building.

For students not enrolled in Direct Deposit, refund checks will be mailed to your local address. Keep your address up-to-date to ensure that refund checks are received. Your address can be maintained on ASU Interactive at www.asu.edu/interactive . Beginning Fall 2004, there will be a \$20 service fee for checks reissued within two weeks of the issue date.

Refund checks will not be available for pick-up during the first week of class. All student account refund checks will be mailed.

The Main Campus Student Accounts Office, (480) 965-6341, is located on the second floor of the Student Services Building, Room 230. Staff is available to answer questions between 8:15 AM and 4:30 PM. The office will remain open until 6:30 PM for evening hours on Tuesday, January 18, 2005.

At ASU East, visit Cashiering Services in the Student Affairs Complex, QUAD 2 (Bldg 350) or call (480) 727-1081 for information.

At ASU West, visit Student Accounts in the University Center Building, Room 101, or call (623) 543-6708 for information.

Photo Identification must be presented for in-person assistance with your student account.

General Information, cont.

Disability Resource Center for Academic Access And Achievement (DRC)

The ASU campuses offer a wide range of accommodations for qualified students with disabilities. Some classroom accommodations, such as Braille, audio tapes, interpreting services, enlarged print, lab materials conversion specialized adaptive equipment and the hiring of lab assistants, require up to one semester in preparation time. **To ensure the availability of your accommodations from the first day of class, use Pre-Registration and notify the appropriate disability office on your campus immediately upon submitting your COURSE REQUEST PRE-REGISTRATION form.** For classes on the ASU Main/East/School of Social Work-Tucson Component campuses, contact Disability Resource Center for Academic Access and Achievements (DRC), Matthew Center, (480) 965-1234 (Voice) (480) 965-9000 (TTY) and view policies on-line at <http://www.asu.edu/drs>. For classes at ASU West, contact the Disability Resources Center at (602) 543-8145 (Voice), (602) 543-4327 (TTY) and view information on-line at <http://www.west.asu.edu/drs>.

NOTE: Disability documentation is required. Information regarding disabilities is confidential.

Child and Family Services

Child and Family Services (CFS) provides child and elder care resource and referral services for ASU students, faculty and staff. CFS provides information regarding on-campus and off-campus programs and services for families along with workshops, support groups, educational materials, lactation space and information regarding one-time emergency funds to aid ASU parents. Programs for children on the Main campus vary in the ages they serve and the scheduling they offer. Information may be obtained at CFS or by calling (480) 965-9515 or visiting our web site at <http://www.asu.edu/mu/family>. CFS is located in the lower level of the Memorial Union, Room 14C. Child care at ASU East is provided through Head Start/Early Head Start (480) 988-3644, Williams Community Childcare Center (480) 279-4829, Williams Campus Branch Boys and Girls Club (480) 279-1406. Childcare at ASU West, contact the Child Development Center and Family Studies Lab at (602) 543-5437.

For the safety and convenience of ASU families and visitors, diaper changing stations are located on Main Campus in the Memorial Union, Student Services, Hayden Library and West Campus in the University Center Building.

Testing Support Services

Testing Support Services (TSS) provides preparation courses for students interested in improving their scores on the following exams: Graduate Record Exam (GRE), Graduate Management Admission Test (GMAT), and the Law School Admission Test (LSAT). Preparation course schedules can be obtained at the TSS office in the Student Services Building, Room 382, by phone at (480) 965-6777 or by accessing our web site at <http://www.asu.edu/vpsa/tss>.

Multicultural Student Center

The Multicultural Student Center supports the transition, retention and graduation of multicultural students by engaging them in various support services and programs within a culturally affirming environment. University success courses, one-on-one guidance, consultation and referral are offered to address the academic, personal and cultural needs of multicultural students. The Hispanic Mother/Daughter Program and the Native American Achievement Program are specialized programs designed to increase the persistence and graduation rates of students within the Hispanic and American Indian communities. Summer programs such as the Academic Program Promoting Leadership Enrichment and Service (APPLES), African American Summer Bridge Program and the Native American Summer Institute assist students with their transition and adjustment to the university. The Asian Lead Academy and Black Youth Recognition Conference provide outreach to the community in an effort to help junior high and high school students develop academically, personally and professionally. Several Freshman focus organizations, as well as other multicultural student organizations, provide cultural programming and academic support to African American, American Indian, Asian/Pacific American, Hispanic/Latino, Gay/Lesbian/Bi-Sexual/Transgendered and women student communities. The MSC office is located in the Student Services Building, Room # 394. For more information, call (480) 965-6060, or visit the Web site at <http://www.asu.edu/studentlife/msc>.

The Learning Resource Center

The Learning Resource Center (LRC) provides ASU students with academic support through tutoring, peer coaching, academic skills workshops, and software instruction. Tutoring is available in approximately 100 ASU courses, by appointment and on a drop-in basis during day and evening hours. Students can learn general academic skills, such as time management and test preparation strategies, through individual peer coaching sessions and academic skills workshops. The LRC three instructional computer labs offer software tutoring and workshops on software applications that support academic coursework. All LRC peer staff are trained and the tutors are certified by the College Reading and Learning Association. For further information call the LRC at (480) 965-6254 or visit our tutoring sites in the Memorial Union, Room 14 and Palo Verde West Center. The LRC collaborates with the Freshman Year Experience to provide tutoring and coaching in campus resident hall sites. Current tutoring and workshop schedules are posted on our website: <http://www.asu.edu/lrc>.

Sexual Harassment

The following conduct shall constitute a violation of ASU's sexual harassment policy:

1. making sexual advances or requesting sexual favors if submission to or rejection of such conduct is the implicit or explicit basis for imposing or granting terms and conditions of employment or education at the university;
2. making sexual advances, requesting sexual favors, or otherwise discriminating on the basis of gender in a manner that unlawfully creates an intimidating, hostile, or offensive working, residential, or educational environment at the university or that otherwise unlawfully interferes with an individual's work or educational performance;
3. engaging in any sexual contact against a person who has not given consent or committing any act of sexual assault, public sexual indecency or sexual abuse against a person who has not given consent, if the act is committed on university property or in connection with any university-sponsored event or activity;
4. acting, recommending action, or refusing to take action in a supervisory position in return for sexual favors, or as a reprisal against a person who has rejected, reported, filed a complaint regarding, or been the object of sexual harassment; or
5. disregarding, failing to investigate, or delaying investigation of allegations of sexual harassment to the extent that action, reporting, or investigation is appropriate or required by one's supervisory position.

Also, when an individual is involved in an amorous relationship with someone over whom he or she has supervisory authority, the individual must remove himself or herself from any participation in recommendations or decisions affecting evaluation, employment conditions, instruction or the academic status of the other person in the relationship, and must inform his or her immediate supervisor. The supervisor informed of the amorous relationship will issue a written statement for the department personnel file identifying the person(s) responsible for recommendations and/or decisions affecting evaluations, employment conditions, instruction, and/or academic status of the other person involved in the relationship. Contact any of the following for information or assistance: Student Life (Main campus) (480) 965-6547, (East) (480) 727-1041, (West) (602) 543-8200, or EO/AA Office (all campuses) (480) 965-5057, TTY (480) 965-0471.

Final Exam Schedule

Final Exam Week: May 5-7, 9-11

Except to resolve those situations described below, no changes may be made in this schedule without prior approval of the Dean of the college in which the course is offered.

One day per week classes that start at or after 4:40 PM will hold exams on the same evening the class was held during final exam week. (Not during the last week of classes.) Classes not listed in the schedule to the right will be held as scheduled by the department. See the instructor for date, time and location.

Under this schedule, if a conflict occurs, or a student has more than three exams on one day, the instructors may be consulted about an individual schedule adjustment. If necessary, the matter may be pursued further with the appropriate dean(s). This procedure applies to conflicts among any combination of ASU Main, ASU East, ASU West, and/or ASU Extended Campus classes.

General Studies Requirements

All students enrolled in a baccalaureate degree program must successfully complete a minimum of 35 semester hours of approved General Studies courses, distributed in five core areas and three awareness areas. In determining graduation requirements, undergraduate students may use only one edition of the *ASU General Catalog* or the *ASU West Catalog*. The following General Studies requirements apply to students who follow the *2001-2002 General Catalog*, *2001-2002 ASU West Catalog*, and *later editions of both*. Students under previous catalog years should consult with an advisor or refer to the appropriate catalog for the General Studies requirements that apply to them.

The 35 semester hours must be completed in the five core areas. Students also must take courses that satisfy each of the three awareness areas. However, the awareness area requirement does not mean that the student must exceed 35 hours. Many courses concurrently satisfy a core requirement and an awareness area requirement.

The following conditions apply in taking courses to satisfy the General Studies requirement:

1. a course may satisfy a core and an awareness area requirement concurrently;
2. a course may not be used to concurrently satisfy requirements in two core areas, even if it is approved for more than one core area;
3. a course may be used to concurrently satisfy requirements in two awareness areas, if it is approved for those areas.

First-Year Composition is a university requirement for all students that is separate from and in addition to General Studies.

All courses selected to fulfill the General Studies requirement must be chosen from the list of approved General Studies courses (see the current list, following this explanation). These courses have been submitted by the academic departments, scrutinized by the General Studies Council, and approved only if they meet specific criteria. These courses are designed to develop critical skills and to expose students to a broad range of knowledge.

Core Areas

Literacy and Critical Inquiry (6 semester hours): Two approved writing- and speaking-intensive courses beyond freshman composition are required. Students must complete six semester hours from courses designed as L, at least three semester hours which must be chosen from approved upper-division courses, preferably in their major. Students must have completed ENG 101, 107, or 105 to take an L course.

Mathematical Studies (6 semester hours): One course (MA) must be approved college mathematics, algebra, precalculus, or a higher level mathematics course. The second course will be either an approved course in statistics and quantitative analyses, or the use of the computer to assist in math analytical work (CS).

Natural Sciences (8 semester hours): Two approved laboratory courses in the natural sciences are required. One (SQ) must include a substantial introduction to the fundamental behavior of matter and energy in physical or biological systems. A second laboratory course (SQ or SG) is required.

Humanities and Fine Arts (HU) + Social and Behavioral Sciences (SB) (15 semester hours):

Six semester hours must be taken in one of these core areas and nine in the other. In addition, at least one course must be at the upper division level.

Awareness Areas

Students are required to complete courses in each of the awareness areas: **Historical Awareness (H)**, **Global Awareness (G)**, and **Cultural Diversity in the United States (C)**. This requirement can usually be met without exceeding the 35-semester hour General Studies requirement. See the Code and Requirements table below.

Some colleges and departments have distribution (or other) requirements which may influence your course selections. Check with your advisor before selecting courses to fill your General Studies requirements.

Approved courses are listed below. ASU Main and ASU East courses, preceded by the letter M, are listed first, followed by ASU West General Studies courses, preceded by the letter W. Each course listing specifies the core and/or awareness area fulfilled.

Please see the current ASU General Catalog or ASU West Catalog for a complete description of the University General Studies Program and of the content of the approved courses for the appropriate campus.

Class Fees

Class Fees

The following classes may require class fees or refundable deposits in addition to registration fees and tuition. Check class listings for Footnote 13 unless otherwise noted. Class fees and refundable deposits listed below are paid at the time of registration. Fees are subject to change. Some classes are not offered every semester.

Refunds of class fees and refundable deposits are processed automatically if the related course is dropped during the first week of class. After the first week, refunds, if any, are determined by the department offering the course. Refund determination is based on withdrawal date, type of activity, and costs already incurred by the department.

Distance Learning and Technology - Phone 480/965-6738 Web Site <http://www.dlt.asu.edu>

Arizona State University offers credit courses by instructional television, the Internet, and Independent Learning. Distance learning courses make it possible for students to view lessons and complete class assignments at home, work, or other convenient location. Some exams may be held on campus.

Register through SunDial, in-person, or online (<http://www.asu.edu/interactive>) by the end of the drop/add period. See Registration pages for details. Fee payment must be provided in accordance with the university's fee and refund policies (See Fee pages). For TV courses that begin after the first week of classes, registration may continue in person up to the first broadcast and no late fee will be charged; however, late registrations require dean's approval.

Textbooks may be purchased or ordered by mail from the ASU Bookstores (<http://bookstore.asu.edu>). Call the main campus bookstore (480/965-5817), the west campus bookstore (602/543-6800), or the east campus bookstore (480/727-1146) during regular business hours for more information.

Classes begin the week of January 17. Course descriptions are available in the ASU General Catalog or the Extended Campus Online Schedule (<http://www.asu.edu/xed/studentonline/search.html>). Course schedules are accurate at the time of printing. For more information regarding distance learning courses, call Distance Learning and Technology at 480/965-6738 or visit on the web <http://www.dlt.asu.edu>.

CABLE/PUBLIC TELEVISION COURSES - Phone 480/965-6738 - <http://asutv.asu.edu>

ASUtv classes are broadcast in the greater Phoenix area via Cox Digital Cable Channel 116 and/or KAET Channel 8. Classes are also available in the university residence halls. Some courses are available at the Interactive Instructional Television Program (IITP) public receive locations: ASU West, ASU Downtown, ASU East. Students enrolled in televised courses should view the first class session for information on obtaining a syllabus and other course materials. Students are encouraged to videotape any missed lectures and view them as soon as possible. If a student misses a lecture, he/she can view it on the library's web-streaming video archive site at: <http://www.asu.edu/lib/list/str-video.htm>. Visit <http://asutv.asu.edu> for up-to-date ASUtv announcements, broadcast times and channels.

NOTE: Viewing times and channels are accurate at time of printing, but are subject to change. *Visit <http://asutv.asu.edu> for ASUtv announcements and up-to-date broadcast schedules.

INDEPENDENT LEARNING COURSES

Phone 480/965-6563

www.dlt.asu.edu

Independent Learning courses allow many students to earn credits toward degrees or opt for personal or professional enrichment while participating in courses at home or other locations away from campus. Students can enroll in courses at any time and follow a flexible schedule for completing coursework. Some courses are available on the Internet. Subject areas include business, education, history, political science, and many others. Note: policies regarding tuition, registration, and other areas applicable to independent learning courses differ from regular credit courses. For more information, call the Independent Learning office at 480/965-6563.

No institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal program, including any federally funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and the abuse of alcohol by students and employees. Federal law requires the annual distribution of the following information to students and employees.

PROHIBITION

It is the goal and policy of Arizona State University (“ASU”) to provide a drug free environment for all university students and employees. To achieve this goal and to comply with federal law, ASU prohibits the unlawful sale, manufacture, distribution, dispensation, possession, and use of controlled substances on its property or as part of any of its activities.

Every ASU student and employee must abide by the terms of this statement, abide by applicable policies of the Arizona Board of Regents and Arizona State University, and abide by local, state, and federal laws regarding the unlawful possession or distribution of illicit drugs and alcohol.

ASU students and employees are subject to all applicable drug and alcohol policies, including policies set forth in the University’s Staff Personnel Policies and Procedures Manual, the Academic Affairs Policies and Procedures Manual, Student Affairs Manuals, and Department of Public Safety Manual. The following drug and alcohol policies also apply to students and employees: the Arizona Board of Regents’ Code of Conduct, the Student Code of Conduct and Arizona State University’s Policy regarding alcohol and other drugs.

SANCTIONS

Sanctions under federal and state law for the unlawful possession or distribution of illicit drugs and alcohol are set forth in the attached Exhibit A.

Sanctions will be imposed on a student who violates a Board of Regents’ or University drug or alcohol policy; those sanctions may include suspension or expulsion and may also include the requirement that the student participate in a drug education program. Sanctions will be imposed on an employee who violates university drug or alcohol policy; those sanctions may include progressive discipline, termination of employment, and the requirement that the employee participate in a drug education program.

HEALTH RISKS

A. Alcohol. Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effect just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

B. Illicit Drugs. A description of health risks associated with the use of illicit drugs is set forth in the attached Exhibit B.

TREATMENT, COUNSELING, AND REHABILITATION PROGRAMS

Additional information regarding the health risks associated with the use of illicit drugs and the abuse of alcohol, drug awareness programs, and drug rehabilitation programs are available to employees and students through Student Health, the Employee Assistance Program and Counseling and Consultation. Classes on drug abuse are offered in the School of Social Work, Departments of Psychology and Counseling, the College of Nursing and the Human Resources Department.

General Information:

The federal Family Educational Rights and Privacy Act (also known as FERPA, or the Buckley Amendment) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access.

Students should submit to the registrar, dean, head of the department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

Note: Students must provide photo identification in order to access their education records.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information about the hearing procedures will be provided to the student when notified of the right to a hearing.

Note: FERPA does not address grade disputes or grievances which are handled and pursued through other university and/or college procedures.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support position; a person or company with whom the university has contracted (such as an attorney, auditor or collection agency); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Additional exception categories may be found in SES 101-01: Release of Student Information in the *Student Enrollment Services Policies & Procedures Manual* which is located on the web:

<http://www.asu.edu/aad/manuals/ses/ses101-01.html>

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Note: A parent of a dependent student may challenge denial of access to the dependent student's record by producing the most current copy of Internal Revenue Form 1040. (Dependency is defined in the Internal Revenue Code.) If that form lists the student in question as his/her tax dependent, the parent will be required to sign an Affidavit of Dependency which affirms that the student is his/her tax dependent. The affidavit will be retained by the Office of the University Registrar and must be renewed each tax year. Upon receipt of the affidavit, the university may make the dependent student records available to the parent as specified under FERPA/the Buckley Amendment.

4. Students may file a complaint with the U.S. Department of Education concerning alleged failures by Arizona State University to comply with the requirements of FERPA. Students are encouraged to first contact the University Registrar's Administration Office at (480) 965-7302. A complaint may be filed with the Department of Education at the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC, 20202-4605

Family Educational Rights and Privacy Act, cont.

Definitions:

Student is any individual formally admitted to and registered for at least one class at Arizona State University.

Education Record is any record(s) directly related to a student and maintained by Arizona State University or by a party acting for the university. This includes any information or data recorded in any medium, including, but not limited to: handwriting, print, tapes, film, microforms, and electronic media.

Directory Information (or releasable information) is general information that may be released to anyone without the consent of the student, unless the student indicates otherwise:

Student Name	Major
Addresses: Local, Permanent, & ASU E-mail (including directory number)	College
Local Telephone Number	Dates of Attendance
Date of Birth	Participation in Officially Recognized Activities/Sports
Degrees and Awards Received	Weight/Height of Members of Athletic Teams
Academic Level	Most Recently Attended Institution

Personally Identifiable Information (or nonreleasable information) includes all information not defined as directory information, plus any information including directory information that the student has instructed ASU not to release. Personally identifiable information may not be released without the prior written consent of the student, except to the extent that FERPA authorizes disclosure without consent.

Student Control of Directory Information

Students may control release of directory information by submitting a form at the Office of the University Registrar's Records Information Counter, at ASU East's Oasis, or at ASU West's Admissions and Records counter.

Unless otherwise requested, a student's name, local address, local telephone number, home address, class standing, and college will appear both in the directory of faculty, staff, and students on ASU's Web pages and in the printed *ASU Directory of Faculty, Staff, and Students*, which is published each fall semester. The web directory also lists the student's e-mail address. To avoid the release of directory information in the printed directory, the appropriate form must be submitted to one of the Registrar locations mentioned above, before the end of the third week of the fall semester.

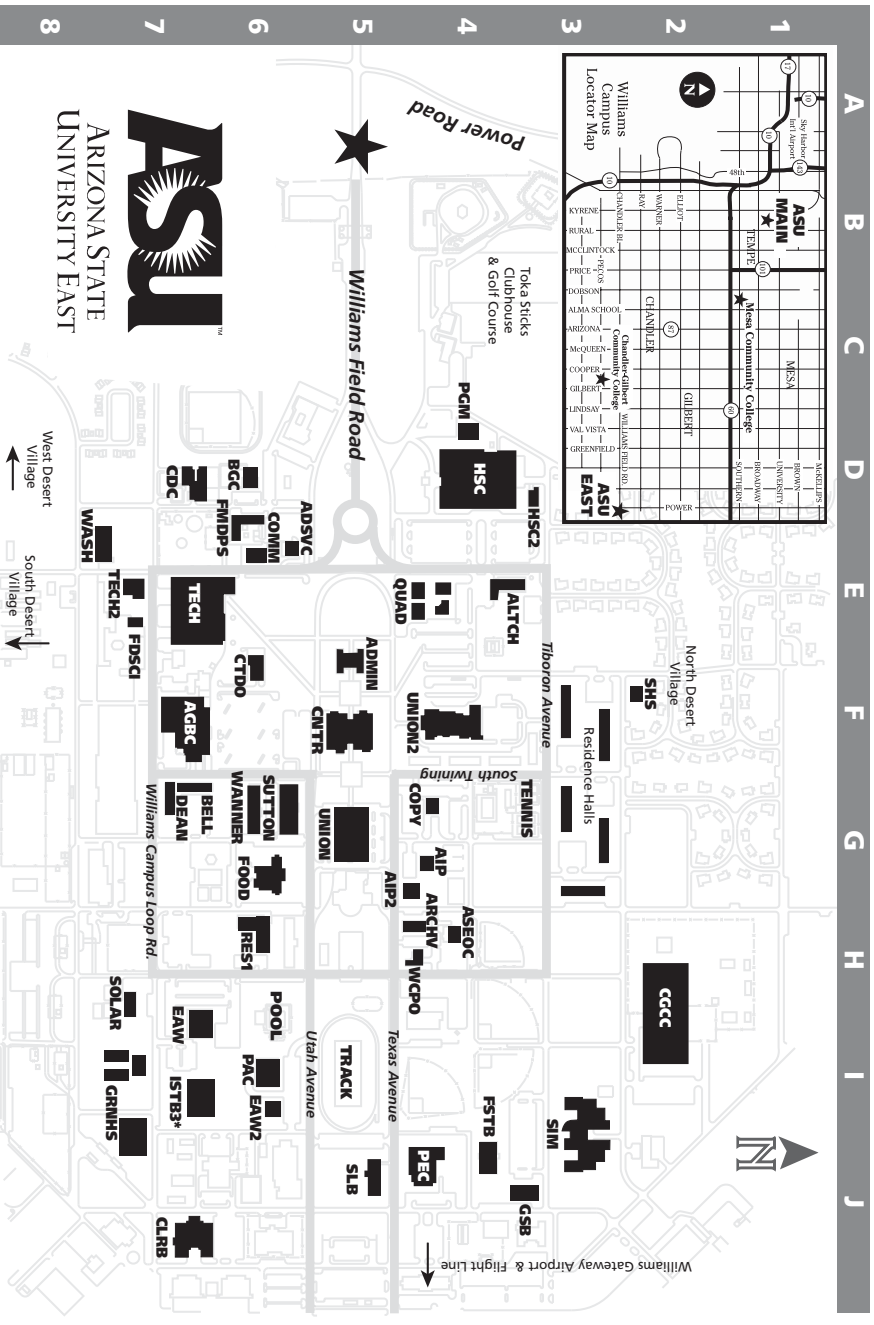

Students may limit the release of directory information in response to general inquiries, by submitting the appropriate form at any time.

Students may grant access to individuals or agencies by submitting the appropriate form to one of the Registrar locations listed above.

ASU has a policy that regulates the sale of enrolled student directory information through the Office of the University Registrar. Unless otherwise directed by the student, directory information is subject to sale to outside purchasers.

Questions or requests for additional information may be directed to the University Registrar's Records Information Section, Student Services Building, Rm 144, (480) 965-3124. Additional information, including FAQs, is available on the web at <http://www.asu.edu/registrar>.
