Cole Acquires Walgreens in Pineville

The Cole Companies, based in Phoenix, AZ, purchased the Pineville, LA, Walgreens for an undisclosed amount of $20M, bringing the total number of Walgreens owned by the Cole Companies to over 1,300.

February 11, 2006

Home Depot in Tacoma Sold to Cole

The Home Depot, based in Atlanta, GA, has agreed to sell its Tacoma, WA, store to Cole for an undisclosed amount. The store, which has been in operation for over 20 years, will be converted into a Cole retail property.

Independence Business

Cole Buys Fifth Missouri Retail Property

Cole recently purchased the 15,000 square foot retail property in St. Louis, MO, which includes a Cole retail property. This is the fifth Missouri retail property acquired by Cole this year.

Cole believes the location on this property is ideal for retail operations, and they are confident in their ability to successfully operate in this market.

Headlines are one thing, but closing deals is quite another. Cole closed 71 of them since January 2005. A total of $475 million in 25 states. And while it’s nice to have the headlines, it’s even nicer to close deals. If you are looking to sell quality commercial real estate to someone who will close when they say they will, call Cole Companies.

WARNING: The game of lacrosse is dangerous! The ball is made of hard rubber and can travel at speeds in excess of 90 M.P.H., fast enough to kill someone. Never go near the ends of the field while the ball is in play. Always keep your eye on the ball when the game is in play. The ball, players, and equipment can all be propelled off the field, including into the spectator area, at excessive speeds. Please be careful and everyone will enjoy a safe game.

RESTROOMS: For games at the Sun Devil Band Field, restrooms are available in the white building past the football turf practice field on the NE corner of the field.

CONCESSIONS & APPAREL: Concessions and apparel are available from parents at the table in the middle of the spectator area.

Thank you for joining the ASU Men’s Lacrosse team for today’s game. The team has a rich history having been on campus since 1968, winning league championships in 1995 and 1997. We compete for a league and national championship every year against the top US Lacrosse Men’s Division Intercollegiate Associates programs in the nation.

The Sun Devils look to keep the momentum going into 2006 after ending the 05 season on a high note by defeating then #6 ranked Arizona. Graduating only 3 seniors, bringing in an outstanding freshmen class, and adding several key assistants to the coaching staff, ASU should be a fixture in the top 25 for 2006. With another top ranked strength of schedule and competing in the WCLL A South, arguably the most competitive division in USL-MDIA, it won’t be easy for the Sun Devils in 2006. However, the components are in place for a breakout season.

Coach Minder begins his fifth year at ASU in 2006 and brings 14 years of lacrosse experience as a player and coach. Minder played at ASU from 1996 – 1999 when the team posted a 10 –1 record in 96 and won their WCLL division in 97. During his time as a student-athlete, Coach Minder served in several roles as a cornerstone of team leadership. Minder began coaching at Arizona State in 2001 and has rebuilt the team from a 1-10 record, 16 player roster, and less than $10,000 budget, into a well organized, properly funded program that now threatens to break into the nationally elite of the USL-MDIA. Coach Minder owns and operates his own digital marketing company and resides in Scottsdale.

Coach Drogowski enters his second season with the Sun Devils in ’06. Drogowski played lacrosse at Michigan State in the early nineties before moving to Arizona. Since then, he has spent five years coaching local high school teams. In 2002, he was the high school coach of the year and led the Dobson Mustangs to the state championship game. In 2005, he went back to the state semis with the team he currently coaches, the Brophy Prep Broncos. Coach Drogowski is also a director of East Valley Lacrosse and manages the annual East Valley Lacrosse Camp. He works in sales and lives in Chandler.

Coach Nelson opens his first season with ASU in 2006. Nelson was a second team All-American in one season at the University of Minnesota before moving on to Salisbury State. He was only able to play one year at Salisbury before a career ending PCL tear. Since then, he has played some light summer ball and coached various camps. He has also spent four seasons coaching the Minnesota Chill in the annual Vail Lacrosse Shootout. Coach Nelson resides in Scottsdale and is currently attending flight school.

Coach Mirabito has played lacrosse for 30 years and has been a strength and conditioning specialist for 21 years. He played high school lacrosse for Pinkerton Academy (Derry, N.H) and won 2 Northern New England Division Championships. He came to ASU and was a 4-year Captain and earned 2 WCLL All-Star appearances and was the first ASU player ever selected to the USILA All-Star team in 1983. Mirabito started his career in Strength and Conditioning in Phoenix, working with the Center for Sports Medicine and Assisting in training the Phoenix Suns and numerous 1984 Olympians. He then moved on to The Sports Training Institute of NY and NJ where he worked with the New Jersey Nets and the New Jersey Devils. Mirabito returned to Phoenix in 1987 where he became Asst. Head Coach and Def. Coordinator for ASU lacrosse and became the Director of Athletic Performance for Strength Training Inc. He specializes in Strength and Conditioning, Rehabilitative Exercise and Speed, Agility and Quickness training. He has had the opportunity to work with professional athletes from the Pittsburgh Steelers, Minnesota Vikings, and Arizona Rattlers in addition to the previously mentioned teams. He was a board member of the National Institute of Speed, Agility, and Quickness (NISAG), Mirabito changed careers in 2001 and became a Phoenix Firefighter but continues to be active with Strength and Conditioning. He is the Strength and Conditioning/Rehab Trainer for the National Lacrosse League Western Division Champions, the Arizona Sting. He continues to research better ways to specifically improve lacrosse skills and conditioning.

**FREQUENTLY ASKED QUESTIONS**

**Q: Is Lacrosse a varsity sport at Arizona State?**
No. Every year the team is increasingly run like a varsity sport, however, we receive very little financial support from the university. Similar situations are found at all college programs west of Ohio, with few exceptions such as Air Force. As lacrosse continues to grow on a national level, the support base for all teams including ASU becomes stronger. Varsity lacrosse could eventually be a reality at Arizona State, but not anytime soon.

**Q: Who does the team play?**
Sun Devil Lacrosse is a member of the United State Lacrosse Men’s Division Intercollegiate Associates (USL MDIA or sometimes USLIA), the largest lacrosse league in the world. The USLIA is made up of 175 teams in 9 conferences that represent virtually every region of the country. ASU is a member of the Western Collegiate Lacrosse League, with 26 teams throughout the west. WCLL is widely recognized as the premier USL-MDIA conference in the nation. Other conferences include the Pioneer League (Northeast), the SELC (Southeast), the Great Rivers Lacrosse Conference (Midwest/MO area), the Lonestar Alliance (Texas), the UMLL (Upper Midwest), the RMLC (Rocky Mountains), the CCLA (Midwest/MI area) and the PNCLL (Pacific Northwest). All of the programs in the USLIA are club teams that operate as “virtual varsities.” They are coached, highly structured teams, many with large budgets, that compete on a national scale.

Arizona State’s regular season schedule usually includes many of the top USL-MDIA programs from around the country. Teams like Brigham Young, Colorado State, Sonoma State, UC Santa Barbara, Michigan, and of course Arizona, are regularly on the schedule. ASU plays a 3 game WCLL South divisional schedule and always draws top opponents, especially early in the season due to February temperatures in the mid-70’s in Tempe.

**Q: Is there a post-season tournament?**
The WCLL tournament is in late April. The winner of the tournament, along with the champions of the 8 other conferences, gets an automatic bid to the USL-MDIA national championship tournament in mid-May. Seven other at-large bids go to the highest ranked teams, that did not receive automatic bids, in the final regular-season poll.
The Stickmen’s Club is an alumni-directed organization that exists to support lacrosse at Arizona State. The Stickmen’s Club is actively searching for former players to add to the alumni database. Please contact Trey Reeder (treydevil@hotmail.com) for more information.

ALUMNI & BOOSTERS

The ASU Lacrosse Boosters exist for the purpose of supporting the men’s lacrosse team on and off the field. Boosters assist the team with fundraising, corporate partnerships, planning and running team events like the annual end-of-season Awards Brunch, organizing support at home and on the road, and providing a job network for current and former players.

The ASU Men’s Lacrosse program needs your support!

Greetings:

The ASU Men’s Lacrosse program needs your support! The team has a rich history having been on campus since 1968, winning league championships in 1995 and 1997. We compete for a league and national championship every year against the top club programs in the nation.

Unfortunately, we are not recognized as a varsity sport and have no affiliation with the ASU athletic department. Because of this, 50% of our funding comes from dues paid by players, some of whose parents can’t afford to pay for their son to play lacrosse with us, and the other 50% through fundraising and generous supporters like you! It costs approximately $125,000 to operate the team for 1 year. Last year, the ASU rec sports budget allocated no money for men’s lacrosse. To keep our player fees reasonable, we need your help. To stay on pace with other top programs, our budget is only going to grow over the next few years as we are forced to play a more national schedule. We currently charge our players $1500 - $1700 for the year that covers everything except food on the road and any extras they wish to purchase.

In addition, players are responsible for buying their own equipment and various travel expenses in the fall. That can cost up to $500. As a former player at ASU, I understand how tough it can be to make these funds come together.

We understand that many individuals and businesses have contributed to or sponsored programs by providing funding, goods, and services to other ASU organizations and we hope you will consider lacrosse a worthy recipient! Your sponsorship can make a difference by helping provide safer travel, better equipment, and greatly easing the financial burden on students that play lacrosse at ASU, just to name a few.

Playing lacrosse at ASU is a tremendous opportunity and a large commitment for any student. Aside from financial commitment, players are typically devoting 20 hours a week to lacrosse. Add that to a full academic schedule and there is little time left over to maintain a job and income. Concerning opportunity, I can say from personal experience that it provides a family atmosphere between players who develop life-long friendships from being part of our team. In addition, students learn leadership skills, teamwork, and discipline.

We would appreciate the opportunity to discuss sponsorship opportunities with you and expand on what’s involved in running our program. Further, we would like to invite you to see us play this spring when we make a run for a third division championship.

Please email me to find out how you can help.
dvllax77@yahoo.com

Go Devils!
Thank you,
Jonathan Minder: Head Coach
ASU Lacrosse

Really bad reason #1
why parents don’t talk to their kids about drugs:
Your kids would never do drugs.

Oh, come on. High school kids are exposed to drugs every day. Even grade school kids are at risk. Fact is, the average age of kids first trying illegal drugs is under 14. And every day, nearly 5,000 teens try pot for the first time.

But kids who learn a lot about the risk of drugs from their parents are 50% less likely to do drugs. It may not seem like it but they want to know you care. And you will be getting through to them.

**2006 TEAM INFORMATION**

- **Location:** Tempe, Arizona
- **Nickname:** Sun Devils
- **Conference:** Western Collegiate Lacrosse League (WCLL) www.wcll.com
- **League:** US Lacrosse - Men's Division Intercollegiate Associates, www.uslia.com
- **Colors:** Maroon and Gold
- **Home Field:** Sun Devil Band Field
- **Field Surface:** Grass

**RULES OF THE GAME**

Men's lacrosse is a contact game played by ten players: a goalie, three defensemen, three midfielders and three attackmen.

Each team must keep at least four players, including the goalie, in its defensive half of the field and three in its offensive half. Three players (midfielders) may roam the entire field. The players take their positions on the field: four in the defensive clearing area, one at the center, two in the wing areas and three in their attack goal area. Men’s lacrosse begins with a face-off. The ball is placed between the sticks of two squatting players at the center of the field. The official blows the whistle to begin play. Each face-off player tries to control the ball. The players in the wing areas can run after the ball when the whistle sounds. The other players must wait until one player has gained possession of the ball, or the ball has crossed a goal area line, before they can release.

Center face-offs are also used at the start of each quarter and after a goal is scored. Field players must use their crosses to pass, catch and run with the ball. Only the goalkeeper may touch the ball with his hands. A player may gain possession of the ball by dislodging it from an opponent’s crosse with a stick check. A stick check is the controlled poking and slapping of the stick and gloved hands of the player in possession of the ball.

Body checking is permitted if the opponent has the ball or is within five yards of a loose ball. All body contact must occur from the front or side, above the waist and below the shoulders, and with both hands on the stick. An opponent's crosse may also be stick checked if it is within five yards of a loose ball or ball in the air.

If the ball or a player in possession of the ball goes out of bounds, the other team is awarded possession. If the ball goes out of bounds after an unsuccessful shot, the player nearest to the ball when and where it goes out of bounds is awarded possession.

An attacking player cannot enter the crease around the goal, but may reach in with his stick to scoop a loose ball.

Games are 60 minutes long, with 15-minute quarters. Halftime is ten minutes long. Teams change sides between periods. Each team is permitted two timeouts each half. http://www.uslacrosse.org/the_sport/mens_rules.phtml

Q: Is Lacrosse a varsity sport at Arizona State?

No. Every year the team is increasingly run like a varsity sport, however, we receive very little financial support from the university. Similar situations are found at all college programs west of Ohio, with few exceptions such as Air Force. As lacrosse continues to grow on a national level, the support base for all teams including ASU becomes stronger. Varsity lacrosse could eventually be a reality at Arizona State, but not anytime soon.

Q: Who does the team play?

Sun Devil Lacrosse is a member of the United State Lacrosse Men’s Division Intercollegiate Associates (USL MDIA or sometimes USLIA), the largest lacrosse league in the world. The USLIA is made up of 175 teams in 9 conferences that represent virtually every region of the country. ASU is a member of the Western Collegiate Lacrosse League, with 26 teams throughout the west. WCLL is widely recognized as the premier USL-MDIA conference in the nation. Other conferences include the Pioneer League (Northeast), the SELC (Southeast), the Great Rivers Lacrosse Conference (Midwest/MO area), the Lonestar Alliance (Texas), the UMLL (Upper Midwest), the RMCL (Rocky Mountains), the CCLA (Midwest/MI area) and the PNCLL (Pacific Northwest). All of the programs in the USLIA are club teams that operate as “virtual varsities.” They are coached, highly structured teams, many with large budgets, that compete on a national scale.

Arizona State’s regular season schedule usually includes many of the top USL-MDIA programs from around the country. Teams like Brigham Young, Colorado State, Sonoma State, UC Santa Barbara, Michigan, and of course Arizona, are regularly on the schedule. ASU plays a 3 game WCLL South divisional schedule and always draws top opponents, especially early in the season due to February temperatures in the mid-70’s in Tempe.

Q: Is there a post-season tournament?

The WCLL tournament is in late April. The winner of the tournament, along with the champions of the 8 other conferences, gets an automatic bid to the USL-MDIA national championship tournament in mid-May. Seven other at-large bids go to the highest ranked teams, that did not receive automatic bids, in the final regular-season poll.

GO SUN DEVIL LACROSSE!
SHERMAN PRODUCE
ST. LOUIS, MISSOURI
(the Delashmit family)
INTRODUCTION MESSAGE FROM HEAD COACH JON MINDER:
First, congratulations on your consideration of Arizona State University® and Sun Devil® Lacrosse. Choosing the college or university you’d like to attend is one of the most important decisions in your life. Ultimately, the school that provides the best combination of academics and student life, for you, should be your final choice. As most any student or alumnus will tell you, Arizona State consistently ranks among the best for a combination of academics and student life. I encourage you to involve your family and friends while making this decision, and if ASU is right for you then let me be the first to say welcome! If you choose Arizona State, as an alumnus of the program, I guarantee playing lacrosse while you are here will be the most memorable experience of your college life. At Arizona State, our standards are high. The coaching staff will push you to be the best, setting exceptional goals and reaching them through character, leadership, and discipline, just to name a few. You have an opportunity to be part of something special, but it doesn’t come without commitment. I encourage you to join our family for a defining moment, as the team becomes a national contender in 2006 and beyond!

WARNING: The game of lacrosse is dangerous! The ball is made of hard rubber and can travel at speeds in excess of 90 M.P.H., fast enough to kill someone. Never go near the ends of the field while the ball is in play. Always keep your eye on the ball when the game is in play. The ball, players, and equipment can all be propelled off the field, including into the spectator area, at excessive speeds. Please be careful and everyone will enjoy a safe game.

RESTROOMS: For games at the Sun Devil Band Field, restrooms are available in the white building past the football turf practice field on the NE corner of the field.

CONCESSIONS & APPAREL: Concessions and apparel are available from parents at the table in the middle of the spectator area.

There are many good reasons to attend and play lacrosse at ASU.
First, this is a great place to get a college education. ASU consistently ranks among the best for a combination of academics and student life. In addition, as the fourth largest university in the United States, ASU’s diverse alumni body affords many opportunities for internships and post collegiate work well beyond the scope of most other schools. Finally, Tempe boasts the metropolitan resources of Phoenix, the 5th largest city in the country and numerous activities accommodated by 330 sunny days each year. In fact, Tempe is such an outstanding place to be, Super Bowl XXX was played at Sun Devil Stadium in 1996.

Second, Sun Devil Lacrosse provides a very competitive lacrosse experience, on a national scale, without the overwhelming pressure and time-commitment of big-time Division I varsity lacrosse. Our student-athletes are expected to dedicate themselves to the team, but they are given the time and latitude to focus on academics. Some turned down college varsity opportunities to come to school and play here for just that reason. The atmosphere on this team is much like a top Division III program, with a healthy combination of athletics, academics and social life.

Third, this is an exciting time to be part of lacrosse at Arizona State. Over the last 3 years under the direction of Coach Minder, the team has rebuilt from a troubled period following the 2000 season and now threatens to break into the nationally elite of the USL MDIA. The opportunity to be part of a very special transformation over the next few seasons is unmatched by any other college team in the nation.

laxdevils.com and asu.edu/admissions

Hopefully, you’ve already made the decision to have the time of your life as a Sun Devil Lacrosse student athlete. I hope to talk with you soon and see you in Tempe for a championship season in 2006 or beyond!
