WARNING: The game of lacrosse is dangerous! The ball is made of hard rubber and can travel at speeds in excess of 90 M.P.H., fast enough to kill someone. Never go near the ends of the field while the ball is in play. Always keep your eye on the ball when the game is in play. The ball, players, and equipment can all be propelled off the field, including into the spectator area, at excessive speeds. Please be careful and everyone will enjoy a safe game.

RESTROOMS: For games at the Sun Devil Band Field, restrooms are available in the white building past the football turf practice field on the NE corner of the field.

CONCESSIONS & APPAREL: Concessions and apparel are available from parents at the table in the middle of the spectator area.

**Alumni President:** Trey Reeder

**Booster Representative:** Jodi Vesika

**Player President:** Austin Gray

**Team Captains:** Austin Gray, Kevin Fisher, Dallas Sessions, Ricky Hurley

Q: Is Lacrosse a varsity sport at Arizona State?

No. Every year the team is increasingly run like a varsity sport, however, we receive very little financial support from the university. Similar situations are found at all college programs west of Ohio, with few exceptions such as Air Force. As lacrosse continues to grow on a national level, the support base for all teams including ASU becomes stronger.

Q: Who does the team play?

Sun Devil Lacrosse is a member of the Men's Collegiate Lacrosse Association (MCLA), the largest lacrosse league in the world. The MCLA is made up of 183 teams in 9 conferences that represent virtually every region of the country. ASU is a member of the Western Collegiate Lacrosse League (WCLL), with 26 teams throughout the west. WCLL is widely recognized as the premier MCLA conference in the nation. Other conferences include the Pioneer League (Northeast), the SELC (Southeast), the Great Rivers Lacrosse Conference (Midwest/MO area), the Lonestar Alliance (Texas), the UMLL (Upper Midwest), the RMLC (Rocky Mountains), the CCLA (Midwest/MI area) and the PNCLL (Pacific Northwest). All of the programs in the USLIA are club teams that operate as "virtual varsities." They are coached, highly structured teams, many with large budgets, that compete on a national scale.

Arizona State's regular season schedule usually includes many of the top USL-MDIA programs from around the country. Teams like Brigham Young, Colorado State, Sonoma State, UC Santa Barbara, Michigan, and of course Arizona, are regularly on the schedule. ASU plays a 4 game WCLL South divisional schedule and always draws top opponents, especially early in the season due to February temperatures in the mid-70's in Tempe.

Q: Is there a post-season tournament?

The WCLL tournament is in late April. The winner of the tournament, along with the champions of the 8 other conferences, gets an automatic bid to the MCLA national championship tournament in mid-May. Seven other at-large bids go to the highest ranked teams, that did not receive automatic bids, in the final regular-season poll.
Men’s lacrosse is a contact game played by ten players: a goalie, three defensemen, three midfielders and three attackmen. Games are 60 minutes long, with 15-minute quarters. Half time is ten minutes long. Teams change sides between periods. Each team is permitted two timeouts each half.

Each team must keep at least four players, including the goalie, in its defensive half of the field and three in its offensive half. Three players (midfielders) may roam the entire field. Men’s lacrosse begins with a face-off. The ball is placed between the sticks of two squatting players at the center of the field. Each face-off player tries to control the ball. The players in the wing areas can run after the ball when the whistle sounds. The other players must wait until one player has gained possession of the ball, or the ball has crossed a goal area line, before they can release. Center face-offs are also used at the start of each quarter and after a goal is scored. Field players must use their crosses to pass, catch and run with the ball. Only the goalkeeper may touch the ball with his hands. A stick check is the controlled poking and slapping of the stick and gloved hands of the player in possession of the ball.

Body checking is permitted if the opponent has the ball or is within five yards of a loose ball. All body contact must occur from the front, side, above the waist and below the shoulders, and with both hands on the stick. If the ball or player in possession of the ball goes out of bounds, the other team is awarded possession. If the ball goes out of bounds after an unsuccessful shot, the player nearest to the ball when and where it goes out of bounds is awarded possession. An attacking player cannot enter the crease around the goal, but may reach in with his stick to scoop a loose ball.

**General Lacrosse Rules**

**Positions**

**Goal:**

The goalie’s responsibility is to protect the goal and stop the opposing team from scoring. A good goalie should have excellent hand/eye coordination and a strong voice.

**Attack:**

The attackman’s responsibility is to score goals. A good attackman demonstrates excellent stick work with both hands and has quick feet to maneuver around the goal. Each team should have three attackmen on the field during play.

**Midfield:**

The midfielder’s responsibility is to cover the entire field, playing both offense and defense. The midfielder is a key to the transition game, and is often called upon to clear the ball from defense to offense. Speed and stamina are essential. Each team should have three midfielders on the field.

**Defense:**

The defenseman’s responsibility is to defend the goal. A good defenseman should be able to react quickly in game situations. Agility and aggressiveness are necessary. Each team should have three defensemen on the field.

**Goal:**

The goalie’s responsibility is to direct the defense by reading the situation and directing the defensemen to react. A good goalie should have excellent hand/eye coordination and a strong voice.

**Illegal Body Checking:**

Occurs when any of the following actions take place: (a) body checking of an opponent who is not in possession of the ball or within five yards of a loose ball; (b) a body check must be below the neck, and both hands of the player applying the body check must remain in contact with his crosse.

**Slashing:**

Occurs when a player’s stick contacts an opponent in any area other than the stick or gloved hand on the stick.

**Tripping:**

Occurs when a player obstructs his opponent at or below the waist with the crosse, hands, arms, feet or legs.

**Warding Off:**

Occurs when a player in possession of the ball uses his free hand or arm to hold, push or control the direction of an opponent’s stick check.

**Cross Checking:**

Occurs when a player uses the handle of his crosse to make contact with an opponent.

**Holding:**

Occurs when a player impedes the movement of an opponent or an opponent’s crosse.

**Interference:**

Occurs when a player interferes in any manner with the free movement of an opponent, except when that opponent has possession of the ball; the ball is in flight and within five yards of the players, or both players are within five yards of a loose ball.

**Off Sides:**

Occurs when a team does not have at least four players on its defensive side of the midfield line or at least three players on its offensive side of the midfield line.

**Pushing:**

Occurs when a player thrusts or shoves a player from behind.

**Board of Directors**

President: Charles H. (Trey) Reeder III
Vice-President: Mike Care
Treasurer: John Figueroa
Secretary: Zane Hascox

**ASU Lacrosse Oversight Committee**

Steve Noel Parent and Lacrosse Coach
Robin Mitchell Parent
Craig Hochreiter Player ASU 1992 - 1994
Rich McBee President of AZ chapter of US Lacrosse
Matthew Ogden Player ASU 1990 - 1994
Austin Gray Player ASU 2005 - 2007, Player President

The goal of the Oversight Committee is to support the ongoing growth and continuity of ASU Men’s Lacrosse through positive feedback and constructive guidance to both the players and coaches. This group represents players, parents, alumni, and supporters of lacrosse in Arizona.

**Booster Club**

The ASU Lacrosse Booster Club is an alumni directed organization that exists to support lacrosse at Arizona State. The Booster Club is actively searching for former players to add to the alumni database. Please contact Trey Reeder (treydevil@hotmail.com) for more information.

Greetings,

The ASU Men’s Lacrosse program needs your support! The team has a rich history having been on campus since 1968, winning league championships in 1995 and 1997. We compete for a league and national championship against the top club programs in the nation.

Unfortunately, ASU does not recognize lacrosse as a varsity sport. We have no affiliation with the ASU athletic department. Therefore, 50% of our funding comes from fees paid by players. Some parents or players cannot afford these dues. The other 50% of our funds come from fundraising and donations from generous supporters like you! Our annual operating costs exceed $125,000, none of which comes from ASU. We need your help to keep our fees reasonable. We currently charge our players $1,600 to $1,800 per year. In order to keep pace with other top programs, we will be forced to play a more national schedule. As a result, our funding requirements will continue to grow.

We understand that many individuals and businesses have contributed or sponsored ASU organizations with donations of cash, goods and services. We hope you will consider lacrosse a worthy recipient. Your sponsorship can make a difference by helping provide safer travel, better equipment, and greatly easing the financial burden on the students that play lacrosse at ASU.

Playing lacrosse at ASU is a tremendous opportunity and a large commitment for any student. Aside from financial commitment, players are typically devoting over 20 hours a week to lacrosse. Add that to a full academic schedule and there is little time left over to maintain a job. Concerning opportunity, being part of this student run organization helps to develop a student’s leadership skills, teamwork, and discipline. The lacrosse players at ASU are student athletes in the truest sense. There are no scholarships to help them along, and no athletic department to help them with tutors or extra help with their classes. These players are heavily involved in all aspects of the team, both on and off the field.

We would appreciate the opportunity to discuss sponsorship opportunities with you and expand on what is involved in running our program. Further, we would like to invite you to see us play this spring when we make a run at another division championship.

Please email me to find out how you can help.

THINKING ABOUT BECOMING A SUN DEVIL?

Choosing a college or university is one of the most important decisions you will make. The school that provides the best combination of academics and student life for you should be your final choice. Arizona State University consistently ranks among the best combinations for academics and student life. Involve your family and friends when making this decision.

Playing lacrosse should be one of the most memorable experiences of your college life. At ASU, our standards are high. You will be pushed to be your best, mentally and physically. You will set exceptional goals and have the opportunity to reach those goals through character, discipline and leadership. This can be a memorable experience if you are willing to make the commitment.

The upcoming 2007 Season for Sun Devil Lacrosse is the first step in taking our program to the next level. The Arizona State Men’s Lacrosse Club program is run as seriously as a NCAA Varsity program, with a commitment equal to or greater than most lacrosse programs at any level. We have a long-term goal of becoming a NCAA Varsity program. We would like to make our program so successful that we become a better option than many of the Varsity Schools in the Midwest or on the East Coast.

Thank you for your consideration of Arizona State University and the ASU Lacrosse Team.

COACHING STAFF

ADAM HOPKINS - HEAD COACH

Adam T. Hopkins is in his first year as the head men’s lacrosse coach at Arizona State University. Hopkins brings a wealth of coaching and playing experience to the position and is hoping to get over the hump and break into the playoffs in his inaugural season.

Hopkins has spent the last three years as the Defensive Coordinator/Assistant Coach of perennial Division II power New York Institute of Technology. Hopkins helped lead the Bears to three successful seasons highlighted by the 2005 Division II National Championship. Hopkins oversaw the development of six Division II All Americans during his tenure helping to lead the team to a 29-7 overall record. Along with coaching at NYIT, Adam also earned his Masters Degree in School Counseling.

Adam originally came to Arizona for the 2000-2001 season to serve as the assistant lacrosse coach at the University of Arizona. In his first full season as a coach, Hopkins helped lead the Wildcats to a national championship appearance. After the 2001 season, Adam was promoted to Head Coach. In his two years at the helm, he finished with a record of 25-12 leading the Wildcats to two consecutive playoff appearances.

Prior to his years as a coach, Hopkins spent his four year playing career at the New York Institute of Technology. He started for four years while at NYIT earning national recognition in each of his four seasons. Some of his accolades included a Division II National Championship (97), First Team All Conference (98, 99, 00), First Team All-American (99, 00), Team Captain (99, 00), First Team Academic All-American (00), NYCAC Academic Player of the year (00), ECAC Player of the Year (00).

THOMAS BRECKEN GHANEY – ASST. COACH

Tom is skilled in many areas of the game, and will be helping out on both ends of the field, but his primary role for the team will be to work with specialty units and face off play. Tom graduated from the University of Arizona in 2003 with a BA in Economics and minored in Business Administration. He was an integral part of the Wildcats for three seasons. A three year starter and captain in his senior season, Tom helped lead the WildCats to three straight appearances in the WCLL playoffs, and two trips to the National Championship Tournament in St. Louis.

Tom was a two sport athlete in High School, playing both hockey and lacrosse, at perennial National High School Lacrosse Power, Massapequa High School in Long Island, New York. As a member of the lacrosse team he started on the midfield as a senior, and was one of the top face-off men on Long Island, helping to lead his team to the Nassau County playoffs. Tom’s garnered many accolades during his hockey career as well as a two year captain he set a school record for assists, won a Long Island Championship, and earned a spot on the Long Island Juniors All Star team that competed in various tournaments throughout the country.

Tom is a welcome addition to the staff, his passion for the game and ability to help out in many areas will be invaluable to the success of the team this season.

CHRIS NELSON – ASST. COACH

Coach Nelson enters his second season with ASU in 2007. Nelson was a second team All-American in one season at the University of Minnesota before moving on to Salisbury State. He was only able to spend one year at Salisbury before a career ending ACL tear. Since then, he has played some light summer ball and coached various camps. He has also spent four seasons coaching the Minnesota Chill in the annual Vail Lacrosse Shootout. Coach Nelson resides in Scottsdale and is currently attending flight school.

TIM SPRUYT - ASST. COACH (not pictured)

Tim started for four seasons at New York Institute of Technology, and was a team captain for the 2003 Division II Runner-up. Since his playing days, Tim spent two years on the sidelines at Bay Shore High School as an assistant on the Varsity team and Head Coach of the Junior Varsity squad. Spruyt earned valuable experience as the Offensive Coordinator for the University of Arizona in 2005, helping to lead the team to a National Championship appearance. Tim is currently a Police Officer for the city of Tempe, and enters his first season with ASU in 2007.

ASU plays in the A Division of the Western Collegiate Lacrosse League (WCLL). The WCLL is broken up into four regions - Central, Los Angeles, North and South Regions. Western Collegiate Lacrosse League is governed by the MCLA (Men’s Collegiate Lacrosse Association). This national organization of men’s collegiate club teams was formed in the Fall of 2006 to provide more direct attention to collegiate club lacrosse and it replaces the old USL MDIA. The MCLA provides a governing structure much like the NCAA, with eligibility rules, national polls, All-Americans and a national tournament to decide a national champion. Nine MCLA conferences are spread across the country, from coast to coast. These conferences have both an A and B division. The MCLA continues to grow each season. Approximately 200 teams will compete under the MCLA banner in the spring of 2007 in the different conferences. More growth is expected in the future, as the sport of lacrosse continues its rapid expansion at the high school and youth levels. Those players are expected to gravitate toward collegiate club lacrosse around the nation.

COACHING STAFF

ADAM HOPKINS - HEAD COACH
Adam T. Hopkins is in his first year as the head men’s lacrosse coach at Arizona State University. Hopkins brings a wealth of coaching and playing experience to the position and is hoping to get over the hump and break into the playoffs in his inaugural season.

Hopkins has spent the last three years as the Defensive Coordinator/Assistant Coach of perennial Division II power New York Institute of Technology. Hopkins helped lead the Bears to three successful seasons highlighted by the 2005 Division II National Championship. Hopkins oversaw the development of six Division II All Americans during his tenure helping to lead the team to a 29-7 overall record. Along with coaching at NYIT, Adam also earned his Masters Degree in School Counseling.

Adam originally came to Arizona for the 2000-2001 season to serve as the assistant lacrosse coach at the University of Arizona. In his first full season as a coach, Hopkins helped to lead the Wildcats to a national championship appearance. After the 2001 season, Adam was promoted to Head Coach. In his two years at the helm, he finished with a record of 25-12 leading the Wildcats to two consecutive playoff appearances.

Prior to his years as a coach, Hopkins spent his four year playing career at the New York Institute of Technology. He started for four years while at NYIT earning national recognition in each of his four seasons. Some of his accolades included a Division II National Championship (97), First Team All Conference (98, 99, 00), First Team All-American (99, 00), Team Captain (99, 00), First Team Academic All-American (00), NYCAC Academic Player of the Year (00), ECAC Player of the Year (00).

THOMAS BRECKEN GHANEY – ASST. COACH
Tom is skilled in many areas of the game, and will be helping out on both ends of the field, but his primary role for the team will be to work with specialty units and face off play. Tom graduated from The University of Arizona in 2003 with a BA in Economics and minor in Business Administration. He was an integral part of the Wildcats for three seasons. A three year starter and captain in his senior season, Tom helped lead the WildCats to three straight appearances in the WCLL playoffs, and two trips to the National Championship Tournament in St. Louis.

Tom was a two sport athlete in High School, playing both hockey and lacrosse, at perennial National High School Lacrosse Power, Massapequa High School in Long Island, New York. As a member of the lacrosse team he started on the mid field as a senior, and was one of the top face-off men on Long Island, helping to lead his team to the Nassau County playoffs. Tom’s garnered many accolades during his hockey career as well as a two time captain he set a school record for assists, won a Long Island Championship, and earned a spot on the Long Island Juniors All Star team that competed in various tournaments throughout the country.

Tom is a welcome addition to the staff, his passion for the game and ability to help out in many areas will be invaluable to the success of the team this season.

CHRIS NELSON – ASST. COACH
Coach Nelson enters his second season with ASU in 2007. Nelson was a second team All-American in one season at the University of Minnesota before moving on to Salisbury State. He was only able to finish out one year at Salisbury before a career ending PCL tear. Since then, he has played some light summer ball and coached various camps. He has also spent four seasons coaching the Minnesota Chill in the annual Vail Lacrosse Shootout. Coach Nelson resides in Scottsdale and is currently attending flight school.

TIM SPRUYT - ASST. COACH (not pictured)
Tim started for four seasons at New York Institute of Technology, and was a team captain for the 2003 Division II Runner-up. Since his playing days, Tim spent two years on the sidelines at Bay Shore High School as an assistant on the Varsity team and Head Coach of the Junior Varsity squad. Spruyt earned valuable experience as the Offensive Coordinator for the University of Arizona in 2005, helping to lead the team to a National Championship appearance. Tim is currently a Police Officer for the city of Tempe, and enters his first season with ASU in 2007.

ASU plays in the A Division of the Western Collegiate Lacrosse League (WCLL). The WCLL is broken up into four regions - Central, Los Angeles, North and South Regions. Western Collegiate Lacrosse League is governed by the MCLA (Men’s Collegiate Lacrosse Association). This national organization of men’s collegiate club teams was formed in the Fall of 2006 to provide more direct attention to collegiate club lacrosse and it replaces the old USL MDIA. The MCLA provides a governing structure much like the NCAA, with eligibility rules, national polls, All-Americans and a national tournament to decide a national champion. Nine MCLA conferences are spread across the country, from coast to coast. These conferences have both an A and B division. The MCLA continues to grow each season. Approximately 200 teams will compete under the MCLA banner in the spring of 2007 in the different conferences. More growth is expected in the future, as the sport of lacrosse continues its rapid expansion at the high school and youth levels. Those players are expected to gravitate toward collegiate club lacrosse around the nation.

Choosing a college or university is one of the most important decisions you will make. The school that provides the best combination of academics and student life for you should be your final choice. Arizona State University consistently ranks among the best combinations for academics and student life. Involve your family and friends when making this decision.

Playing lacrosse should be one of the most memorable experiences of your college life. ATSU, our standards are high. You will be pushed to be your best, mentally and physically. You will set exceptional goals and have the opportunity to reach those goals through character, discipline and leadership. This can be a memorable experience if you are willing to make the commitment.

The upcoming 2007 Season for Sun Devil Lacrosse is the first step in taking our program to the next level. The Arizona State Men's Lacrosse Club program is run as seriously as a NCAA Varsity program, with a commitment equal to or greater then most lacrosse programs at any level. We have a long-term goal of becoming a NCAA Varsity program. We would like to make our program so successful that we become a better option than many of the Varsity Schools in the Midwest or on the East Coast.

Thank you for your consideration of Arizona State University and the ASU Lacrosse Team.

Greetings,

The ASU Men’s Lacrosse program needs your support! The team has a rich history having been on campus since 1968, winning league championships in 1995 and 1997. We compete for a league and national championship against the top club programs in the nation.

Unfortunately, ASU does not recognize lacrosse as a varsity sport. We have no affiliation with the ASU athletic department. Therefore, 50% of our funding comes from fees paid by players. Some parents or players cannot afford these dues. The other 50% of our funds come from fundraising and donations from generous supporters like you! Our annual operating costs exceed $125,000, none of which comes from ASU. We need your help to keep our fees reasonable. We currently charge our players $1,600 to $1,800 per year. In order to keep pace with other top programs, we will be forced to play a more national schedule. As a result, our funding requirements will continue to grow.

We understand that many individuals and businesses have contributed or sponsored ASU organizations with donations of cash, goods and services. We hope you will consider lacrosse a worthy recipient. Your sponsorship can make a difference by helping provide safer travel, better equipment, and greatly easing the financial burden on the students that play lacrosse at ASU.

Playing lacrosse at ASU is a tremendous opportunity and a large commitment for any student. Aside from financial commitment, players are typically devoting over 20 hours a week to lacrosse. Add that to a full academic schedule and there is little time left over to maintain a job. Concerning opportunity, being part of this student run organization helps to develop a student’s leadership skills, teamwork, and discipline. The lacrosse players at ASU are student athletes in the truest sense. There are no scholarships to help them along, and no athletic department to help them with tutors or extra help with their classes. These players are heavily involved in all aspects of the team, both on and off the field.

We would appreciate the opportunity to discuss sponsorship opportunities with you and expand on what is involved in running our program. Further, we would like to invite you to see us play this spring when we make a run at another division championship.

Please email me to find out how you can help.
Hopkins32@aol.com

Thank you,
Adam T. Hopkins
Head Coach
Arizona State Lacrosse
Men’s lacrosse is a contact game played by ten players: a goalie, three defensemen, three midfielders and three attackmen. Games are 60 minutes long, with 15-minute quarters. Halftime is ten minutes long. Teams switch sides between periods. Each team is permitted two time-outs each half.

Each team must keep at least four players, including the goalie, in its defensive half of the field and three in its offensive half. Three players (midfielders) may roam the entire field. Men’s lacrosse begins with a face-off. The ball is placed between the sticks of two squattling players at the center of the field. Each face-off player tries to control the ball. The players in the wing areas can run after the ball when the whistle sounds. The other players must wait until one player has gained possession of the ball, or the ball has crossed a goal area line, before they can release. Center face-offs are also used at the start of each quarter and after a goal is scored. Field players must use their crosses to pass, catch and run with the ball. Only the goalkeeper may touch the ball with his hands. A stick check is the controlled poking and slapping of the stick and gloved hands of the player in possession of the ball.

Body checking is permitted if the opponent has the ball or is within five yards of a loose ball. All body contact must occur from the front or side, above the waist and below the shoulders, and with both hands on the stick. If the ball or a player in possession of the ball goes out of bounds, the other team is awarded possession. If the ball goes out of bounds after an unsuccessful shot, the player nearest to the ball when and where it goes out of bounds is awarded possession. An attacking player cannot enter the crease around the goal, but may reach in with his stick to scoop a loose ball.

**Positions**

**Attack:** The attackman’s responsibility is to score goals. A good attackman demonstrates excellent stick work with both hands and has quick feet to maneuver around the goal. Each team should have three attackmen on the field during play.

**Midfield:** The midfielder’s responsibility is to cover the entire field, playing both offense and defense. The midfielder is a key to the transition game, and is often called upon to clear the ball from defense to offense. Speed and stamina are essential. Each team should have three midfielders on the field.

**Defense:** The defenseman’s responsibility is to defend the goal. A good defenseman should be able to react quickly in game situations. Agility and aggressiveness are necessary. Each team should have three defensemen on the field.

**Goal:** The goalie’s responsibility is to protect the goal and stop the opposing team from scoring. A good goalie also leads the defense by reading the situation and directing the defensemen to react. A good goalie should have excellent hand/eye coordination and a strong voice.

**Penalties**

- **Illegal Body Checking:** Occurs when any of the following actions take place: (a) body checking of an opponent who is not in possession of the ball or within five yards of a loose ball; (b) A body check must be below the neck, and both hands of the player applying the body check must remain in contact with his crosse.
- **Slashing:** Occurs when a player’s stick contacts an opponent in any area other than the stick or gloved hand on the stick.
- **Tripping:** Occurs when a player obstructs his opponent at or below the waist with the crosse, hands, arms, feet or legs.
- **Warding Off:** Occurs when a player in possession of the ball uses his free hand or arm to hold, push or control the direction of an opponent’s stick check.
- **Cross Checking:** Occurs when a player uses the handle of his crosse to make contact with an opponent.
- **Holding:** Occurs when a player impedes the movement of an opponent or an opponent’s crosse.
- **Interference:** Occurs when a player interferes in any manner with the free movement of an opponent, except when that opponent has possession of the ball, the ball is in flight and within five yards of the players, or both players are within five yards of a loose ball.
- **Off Sides:** Occurs when a team does not have at least four players on its defensive side of the midfield line or at least three players on its offensive side of the midfield line.
- **Pushing:** Occurs when a player thrusts or shoves a player from behind.

**General Lacrosse Rules**

The Stickmen’s Club is an alumni directed organization that exists to support lacrosse at Arizona State. The Stickmen’s Club is actively searching for former players to add to the alumni database. Please contact Trey Reeder (treydevil@hotmail.com) for more information.

The ASU Lacrosse Boosters exist for the purpose of supporting the men’s lacrosse team on and off the field. Boosters assist the team with fundraising, corporate partnerships, planning and running team events like the annual end-of-season Awards banquet, organizing support at home and on the road, and providing a job network for current and former players.

For more information, please contact Jodi Vosika (jabadiah@cox.net).
Q: Is Lacrosse a varsity sport at Arizona State?
No. Every year the team is increasingly run like a varsity sport, however, we receive very little financial support from the university.
Similar situations are found at all college programs west of Ohio, with few exceptions such as Air Force. As lacrosse continues to grow on a national level, the support base for all teams including ASU becomes stronger.

Q: Who does the team play?
Sun Devil Lacrosse is a member of the Men’s Collegiate Lacrosse Association (MCLA), the largest lacrosse league in the world. The MCLA is made up of 183 teams in 9 conferences that represent virtually every region of the country. ASU is a member of the Western Collegiate Lacrosse League (WCLL), with 26 teams throughout the west. WCLL is widely recognized as the premier MCLA conference in the nation. Other conferences include the Pioneer League (Northeast), the SELC (Southeast), the Great Rivers Lacrosse Conference (Midwest/MI area), the Lonestar Alliance (Texas), the UMLL (Upper Midwest), the RMLC (Rocky Mountains), the CCLA (Midwest/MI area) and the PNCLL (Pacific Northwest). All of the programs in the USLIA are club teams that operate as “virtual varsities.” They are coached, highly structured teams, many with large budgets, that compete on a national scale.

Arizona State’s regular season schedule usually includes many of the top USL-MDIA programs from around the country. Teams like Brigham Young, Colorado State, Sonoma State, UC Santa Barbara, Michigan, and of course Arizona, are regularly on the schedule. ASU plays a 4 game WCLL South divisional schedule and always draws top opponents, especially early in the season due to February temperatures in the mid-70’s in Tempe.

Q: Is there a post-season tournament?
The WCLL tournament is in late April. The winner of the tournament, along with the champions of the 8 other conferences, gets an automatic bid to the MCLA national championship tournament in mid-May. Seven other at-large bids go to the highest ranked teams, that did not receive automatic bids, in the final regular-season poll.
2007 apparel
Sun Devil lacrosse apparel is available either at games or can be purchased from the website.

Good Luck GO DEVILS.
Ken, Ann, Lauren and Max Waltman
WARNING: The game of lacrosse is dangerous! The ball is made of hard rubber and can travel at speeds in excess of 90 M.P.H., fast enough to kill someone. Never go near the ends of the field while the ball is in play. Always keep your eye on the ball when the game is in play. The ball, players, and equipment can all be propelled off the field, including into the spectator area, at excessive speeds. Please be careful and everyone will enjoy a safe game.

RESTROOMS: For games at the Sun Devil Band Field, restrooms are available in the white building past the football turf practice field on the NE corner of the field.

CONCESSIONS & APPAREL: Concessions and apparel are available from parents at the table in the middle of the spectator area.
