What is ASU West’s future role as part of ASU?

- ASU West was established in 1984 and currently enrolls 7,105 students.
- ASU West will be the metropolitan public service campus of ASU, emphasizing an interdisciplinary approach to the education of all students to prepare broadly educated graduates in all fields.
- As the Valley grows, ASU West will grow to an on-campus student population of more than 10,000 by 2020.
