What is the Downtown Campus’s future role as part of ASU?

• ASU Downtown Campus was established in 1986 and currently enrolls 753 students

• ASU Downtown Campus is envisioned to emphasize professional and biomedical programs that serve the special needs of downtown Phoenix, the center of state and city government and the metropolitan business community

• As the Valley grows, ASU Downtown Campus will grow to an on-campus student population approaching 10,000 by 2020
