What changes have we seen at ASU since President Crow arrived?

- Secured $50 million for the W.P. Carey School of Business
- Initiated a building and expansion program to add almost one million square feet of new research space
- Received a $50 million endowment for Ira A. Fulton School of Engineering
- Established the Arizona Biodesign Institute, with eight centers of research already under construction
What changes have we seen at ASU since President Crow arrived? (continued)

- Ranked 6th among public schools for number of National Merit Scholars
- Established the Center for the Study of Religion and Conflict
- $5 million to the College of Education to attract national experts, fellowships, and scholarships
- President Crow seeks to change to a “New American University,” including world class caliber faculty, research facilities, resources, and students
