**Quality in Environmental Analysis Workshop Evaluation**

1. Which would you consider the most useful aspect(s) of the workshop?

2. Which would you consider the least useful aspect(s) of the workshop?

3. How would you rate the overall quality of the presentations?

4. What recommendations, if any, would you make to the presenters to help improve presentation effectiveness?

5. What changes in content would you suggest?

6. In general, did you find this to be a valuable experience or just a waste of time? Would you recommend a colleague participate in a future workshop of similar nature?

7. If you thought it was worthwhile, how frequently would you recommend we offer this workshop?
