Marilyn Miller Quintana Moline Fellowship

In Memory of...

The Marilyn Miller Quintana Moline Fellowship is a permanent endowment for the Department of Speech and Hearing Science in the College of Liberal Arts and Sciences. Funding for this scholarship is made possible by annual payout from the Arizona State University Foundation account and by memorial gifts.

Marilyn Miller Quintana Moline served as the Director of Speech Pathology Services at Good Samaritan Regional Medical Center and on the Arizona Speech and Hearing Association Executive Board. Her desire to help others was evident in her love for treating neurologically-impaired patients as well as her abilities to mentor new clinicians and students.

As a tribute to her memory, her husband John R. Moline, established the Marilyn Miller Quintana Moline Fellowship Endowment to provide financial aid to those seeking a profession in the art and science of speech-language pathology.

Award

The award provides financial assistance to help defray educational expenses. Award winners must meet all departmental admission eligibility requirements and continue academic progress, as verified by the Chair of the Department of Speech and Hearing Science, to receive the award. At present, this award is intended for incoming Master’s or Ph.D. candidates.

Criteria

The Marilyn Miller Quintana Moline Fellowship is available to full-time, regularly admitted, students entering either the Master of Science or the Doctoral program in Communication Disorders with a specialization in speech-language pathology. Selection will be decided upon by the academic faculty with the intent to recruit strong students into the field of Communication Disorders. Qualified applicants who have a disability are encouraged to apply.

Application Procedures

Scholarship applications are available online and from the Department of Speech and Hearing Science, Language & Literature Building, Room LL 173, PO Box 870102, Tempe, AZ 85287-0102. You may also request an application by e-mailing the department.

Unsolicited applications are due no later than February 1st. The department may encourage strong admission candidates to apply after this deadline.

Finalists will be chosen by the Department of Speech and Hearing Science; these applications will be sent to the selection committee for review no later than 15 days prior to the selection date, which is on or near April 1st. The committee will then give recommendations to the Department Chair who will make the final selection. The award will be announced as part of an annual awards ceremony in April. Recipients and donors will be encouraged to attend this event.
