The power of the blast sends Dr. Disk hurtling to our hero's lair.

There Dr. Disk is promptly captured by waiting sidekicks C and D.

C and D drag Dr. Disk to the prison that our hero has prepared for him...

Now that Dr. Disk has been locked up at the museum, Super MEC returns home for a long nap.

Deep in the halls of the History of Computing Museum evil is stirring.

It won't be long now!

Free from his prison, Dr. Disk heads to his evil lair.

First I'll dispose of Super MEC and his little friends. Then the world is MINE!

The Evil Dr. Disk sets a diabolical trap for C and D.

Look, let's go in.

at the MEC Conference in the History of Computing Museum.

20 Years of Computers
