Arizona State University
ASU East Campus
FALL 2000 TRANSFER GUIDE
FOR EASTERN ARIZONA COLLEGE
Bachelor of Science
Environmental Resources Major
Concentration: Ecology

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

The Agribusiness major is an applied, industry-oriented curriculum. The study of animals, plants, and their utilization in the food and fiber system forms the base of the program. Students learn to analyze firms involved in input supply activities, commodity processing, food manufacturing, and food distribution. General University Requirements satisfy the admission requirements of these three programs. For further information, call or write:

MORRISON SCHOOL OF AGRIBUSINESS ADMISSION CRITERIA
1. General University Requirements satisfy the admission requirements of this program.
2. International students must also submit a TOEFL score of 500 points in addition to meeting the minimum GPA requirements.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

GENERAL STUDIES REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from the ASU General Studies Guides (http://www.asu.edu/provost/articulation/eac_main.html#gsr) as follows: 3 CS credits, 3 CS credits, 6 or 9 HU credits; 3 C credits, 3 G credits, and 3 H credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.
### MAJOR REQUIREMENTS

**ASU**

**Environmental Resources Core**
- BIO 181  General Biology I [SQ]
- BIO 182  General Biology II [SQ]
- CHM 101  Introductory Chemistry [SQ]
- CHM 235  Elementary Organic Lab [SQ]
- ERS 225  Soils & Soils Laboratory
- ERS 246  Environmental Conservation and Ecology [G]
- MAT 210  Brief Calculus [MA]

**Ecology Concentration**
- GLG 101  Intro to Geology [SQ, G] &
- GLG 103  Intro to Geology Lab [SQ]

**EAC**

- BIO 181  Gen Biology I (Majors)
- BIO 182  Gen Biology II (Majors) II
- CHM 130  Fundamental Chemistry
- CHM 230  Fund Organic Chemistry
- AGR 200  Soils
- AGR 135  Conservation and Natural Resources
- MAT 210  Elements of Calculus
- GLG 101  Physical Geology
AGB ELECTIVES
Contact an ASU advisor at (480) 727-1585 to select appropriate AGB or related area elective credits.

ELECTIVES
General electives must be selected with approval of an ASU advisor so that the total program contains a minimum of 120 semester hours, of which 45 semester hours must be upper division credits.

Approved by Kathy Stehn, Date
Academic Advising Coordinator

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
2. When selecting HU or SB core courses, students must keep in mind that at least one course within the 15 semester hours must be an upper-division course taken only at ASU.
