FOR EASTERN ARIZONA COLLEGE

Bachelor of Science in Business

Accountancy Major

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements www.asu.edu/admissions/applyingtoasu. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. COLLEGE OF BUSINESS ADMISSION CRITERIA

Admission to the professional program in the College of Business is competitive and limited by available resources. To be considered for admission to the professional program, students must complete the following requirements:
1. Students must follow and complete an approved freshman-sophomore sequence of courses to be admitted to the professional program.
2. Students must have completed at least 56 semester hours.
3. Students must have completed ACC 230, ACC 240, CIS 220 (or an introduction to “C” language course which may be used in the business core), QBA 221, ECN 111, ECN 112, ENG 101, ENG 102, MAT 119, and MAT 210 with grades of “C” or better.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.
