Arizona State University
ASU Main Campus
FALL 2000 TRANSFER GUIDE
FOR THE MARICOPA COMMUNITY COLLEGES
Bachelor of Science
Family Resources and Human Development
Human Nutrition/Dietetics

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements [www.asu.edu/admissions/applyingtoasu]. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
General university requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

GENERAL STUDIES REQUIREMENTS
Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

COLLEGE OF LIBERAL ARTS AND SCIENCES GRADUATION REQUIREMENTS
http://www.asu.edu/provost/articulation/chksheets/00-01/00CKCLAS.HTML/00clas-gradreqfortgs.pdf
CLAS requires knowledge of a second language equivalent to the completion of two years study at the college level. Students who choose to complete their CLAS second language graduation requirement in Greek, Latin, Portuguese, or Romanian must take both the 201 and 202 classes in order for this requirement to be met.

In addition to the language requirement, students may also take one lower division Social/Behavioral Science or Humanities from those that transfer as AFH, AFS, ASB, CSH, CSS, ENG (literature only), ECN, GCU, HIS, HUM, PGS, PHI/HPS, POS, REL, SOC, WSH, or WST. This course is separate from those taken for the university general studies and may not be used to meet both requirements.

In addition to the language requirement, students may also take one lower division Social/Behavioral Science or Humanities from those that transfer as AFH, AFS, ASB, CSH, CSS, ENG (literature only), ECN, GCU, HIS, HUM, PGS, PHI/HPS, POS, REL, SOC, WSH, or WST. This course is separate from those taken for the university general studies and may not be used to meet both requirements.

Students may also choose to take 6 credits to meet the CLAS Natural Science/Mathematics requirement. This requirement is separate from the SQ and SG requirement of the university general studies and may not be used to meet both requirements. Students may select 2 courses from those that transfer as ASM, BIO, CHM, BCH, CSE, GPH, GLG, MAT (above the college algebra level), STP, MIC, MBB, PHY, AST, PHS, PLB, MBB, PSY 230 or PSY 290.

MAJOR REQUIREMENTS
While still a student at a MCCCD college, contact the department academic advisor. Only those required courses which have MCCCD course equivalents are listed below.

ASU | MCCCD
--- | ---
FON 142 | FON 142AB
Applied Food Principles | Applied Food Principles

FON 241 | HRM 240
Human Nutrition | Commercial Food Production
or

HRM 240 | FON 241
Prin of Human Nutrition | Prin of Human Nutrition

RELATED COURSES

ASU | MCCCD
--- | ---
MIC 205 | BIO 205
Microbiology [SG] & | Microbiology
MIC 206 | BIO 201
Microbiology Lab [SG] | Human Anatomy/Physiol I
BIO 201 | BIO 202
Human Anatomy & Physiology I [SG] | Human Anatomy/Physiol II
BIO 202
Human Anatomy & Physiology II

ADDITIONAL RELATED COURSES
A concentration in Chemistry must include the following courses:

ASU | MCCCD
--- | ---
CHM 113 | CHM 151
General Chemistry [SQ] | General Chemistry I* &
CHM 151LL | CHM 151 & CHM 151LL together are equivalent to
General Chemistry I Lab* | ASU's CHM 113.
* CHM 151 & CHM 151LL together are equivalent to
CHM 116 | CHM 152
General Chemistry [SQ] | General Chemistry II* &
CHM 152LL | CHM 152 & CHM 152LL together are equivalent to
* CHM 152 & CHM 152LL together are equivalent to

ASU | MCCCD
--- | ---
CHM 116 | CHM 151
CHM 151LL | CHM 151 & CHM 151LL together are equivalent to
General Chemistry I Lab* | ASU's CHM 113.
* CHM 151 & CHM 151LL together are equivalent to
CHM 152 | CHM 152
General Chemistry II [SQ] | General Chemistry II Lab*
CHM 152LL | CHM 152 & CHM 152LL together are equivalent to
* CHM 152 & CHM 152LL together are equivalent to

ASU | MCCCD
--- | ---
CHM 331 | CHM 235
General Organic Chem | General Organic Chem I
and
CHM 335 | CHM 236
Gen Organic Chem Lab | General Organic Chem IIA
and
CHM 332 | CHM 238
General Organic Chem | Gen Organic Chem IIB

and
CHM 336
Gen Organic Chem Lab

or the sequence below:

ASU | MCCCD
--- | ---
CHM 231 | CHM 230
and
CHM 235 | CHM 230LL

* CHM 230 & CHM 230LL together are equivalent to
ASU's CHM 231 & CHM 235.

RECOMMENDED RELATED COURSEWORK
