Arizona State University
ASU Main Campus
1998-1999 TRANSFER GUIDE
FOR COCHISE COLLEGE
Bachelor of Science
Chemistry

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS (CLAS) ADMISSION CRITERIA
General university requirements satisfy the admission requirements of this program.

**ASU**
Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.
Community college courses which are equivalent in content to upper division courses at ASU will transfer as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

**FIRST YEAR COMPOSITION (3-6)**
<table>
<thead>
<tr>
<th>ASU</th>
<th>CC</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENG 101 &amp; 102 First-Year Comp or ENG 105 Adv First-Year Comp or ENG 107 &amp; 108 Eng Foreign Students</td>
<td>ENG 101 &amp; 102 Composition or No CC equivalent or ENG 107 &amp; 108 Eng Comp Foreign Stud I &amp; II</td>
</tr>
</tbody>
</table>

**GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS**
Students completing the Transfer General Education Core Curriculum (TGECC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.
Select credits from CEG General Studies Insert as follows: 3 L1 credits (those that transfer as ENG or PSY are recommended), 3 N2 or N3 credits (those that transfer as CSE or PSY are recommended), 9 HU credits (maximum 6 hours from ARS, MUS, THE), 9 SB credits (except those that transfer as ASM, COM, JUS and MCO), 3 C credits, 3 G credits, and 3 H credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

**COLLEGE PROFICIENCY REQUIREMENTS**
 Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the 1998-99 Catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.
Chemistry

### MAJOR REQUIREMENTS

While still a student at CC, contact the department academic advisor. Only those required courses which have CC course equivalents are listed below.

<table>
<thead>
<tr>
<th>ASU</th>
<th>CC</th>
</tr>
</thead>
<tbody>
<tr>
<td>CHM 113 General Chemistry [S1/S2]</td>
<td>CHM 151 General Chemistry I</td>
</tr>
<tr>
<td>CHM 115 Gen Chemistry with Qualit Analysis [S1/S2]</td>
<td>No CC equivalent</td>
</tr>
<tr>
<td>or MAT 290 Calculus I [N1] &amp; MAT 291 Calculus II</td>
<td>MAT 231 Calculus II</td>
</tr>
<tr>
<td>MAT 274 Elem Diff Equations [N1]</td>
<td>MAT 262 Differential Equations</td>
</tr>
</tbody>
</table>

Comment: Chemistry majors should be advised to take ASU's PHY 294.
