Arizona State University

ASU Main Campus

1999-2000 TRANSFER GUIDE

FOR YAVAPAI COLLEGE

Bachelor of Science

Biology: Conservation Biology

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA

1. General University requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

**ASU**

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits (those that transfer as PHI 103 are recommended), 3 N1 credits, 9 HU credits (except those that transfer as ASB 222 or COM) (maximum 6 hours from ARS, MUS, THE), 9 SB credits (except those that transfer as ASM, COM, JUS, or MCO), 3 C credits (except those that transfer as JUS), 3 G credits, and 3 H credits (except those that transfer as SWU). Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

COLLEGE PROFICIENCY REQUIREMENTS

Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the current catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.
MAJOR REQUIREMENTS
While still a student at YC, contact the department academic advisor. Only those required courses which have YC course equivalents are listed below.

<table>
<thead>
<tr>
<th>ASU</th>
<th>YC</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 181 General Biology [S1/S2] &amp;</td>
<td>BIO 181 General Biology I</td>
</tr>
<tr>
<td>BIO 182 General Biology [S2]</td>
<td>BIO 182 General Biology II</td>
</tr>
<tr>
<td>BIO 415 Biometry [N2]</td>
<td>No YC equivalent</td>
</tr>
</tbody>
</table>

REQUIRED SUPPLEMENTARY COURSES

- CHM 113 General Chemistry [S1/S2]
- CHM 115 Gen Chemistry with Qualit Analysis [S1/S2]
- CHM 231 Elem Org Chem [S1/S2] &
- CHM 235 Elem Org Chem Lab [S1/S2]

or

- CHM 151 General Chemistry I
- CHM 152 General Chemistry II
- CHM 140 Fund Organic & Biochemistry

If a student is considering graduate school, the following 8 hour CHM sequence is recommended in lieu of CHM 231:

- CHM 331 General Organic Chem
- CHM 335 Gen Organic Chem Lab
- CHM 332 General Organic Chem
- CHM 336 Gen Organic Chem Lab

or

- CHM 235 General Organic Chemistry I
- CHM 235L Gen Organic Chemistry I Lab
- CHM 236 General Organic Chemistry II
- CHM 236L Gen Organic Chemistry II Lab

It is recommended that the one year organic chemistry sequence CHM 331/335 and CHM 332/336 be taken at ASU to contribute to the upper division requirement.

- MAT 210 Brief Calculus [N1]
- MAT 270 Cal/Analytic Geo I [N1]

or

- MTH 181 Survey of Calculus
- MTH 151 Calc & Analytic Geom I

Approved by Dr. James Collins
Department Chair

Dr. Leonard Gordon
Associate Dean for Academic Programs
College of Liberal Arts and Sciences

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
